FROM THE PRINCIPAL

Our Vision
Mercy Regional College serves a wide rural community which values growth and diversity in Catholic Education in the Mercy tradition.

Our Mission
In the Spirit of the Gospels we commit ourselves to the core values of community, inclusiveness, learning, care, justice and mercy, excellence and achievement.

Our Goals
Community
Through the Mercy tradition we promote the uniqueness of the community and its heritage.

3rd Annual Mercy Dinner - Friday 18th April
On Friday evening members of the school community will gather at the Noorat Community Centre for the 3rd Annual Mercy Dinner. Our guest of honour this year is Dr Lauren Bourke.

Lauren attended Mercy Regional College from 1994 to 1999 and during this time participated in a wide variety of different activities, excelling in the academic area. Lauren graduated from Mercy in 1999 after achieving an ENTER score of 94.75. Lauren then gained a place studying medicine at Monash University graduating in 2005.

During her time studying medicine Lauren undertook some interesting placements. In 2004 Lauren travelled to Goroce in the Papua New Guinean Highlands providing medical care in the area of gynecology and obstetrics for local villagers. In 2005 she then travelled to London and was able to study for eight weeks at Kings College again specializing in gynecology and obstetrics.

After graduating from Monash Lauren undertook her intern year with Monash Medical Centre working in both city and rural hospitals. In 2007 she completed her residency year with Southern Health and in a weeks time flies out to travel overseas. A well deserved break!

It is a delight to welcome Lauren back to Mercy Regional College and to honour her achievements since leaving the College.

At this dinner the school will also recognise the following staff members for their long service to the College.

Best of luck and thank you once again for your ongoing support of the PTFA.

**HSSSA Athletics**

Last Thursday Mercy was victorious in the Hampden Secondary School Sports Association Athletic competition, defeating Cobden Technical School who have dominated this competition in the past years. In addition Mercy also won each of the Junior and Senior Shields which were presented at the College Assembly on Wednesday. This was an outstanding team victory and one all our participants can be very proud of. This was certainly a wonderful result for our College. Congratulations are extended to Mr Darren Cheeseman and all members of our Athletic Team. Of particular note are the following students who won their particular age division:

**Aged Champions**

- Jahd Anderson winner of the under 16 division
- Nathan Monk winner of the under 13 division

Congratulations Jahd and Nathan!!

**Reports and Parent/Student/Teacher Interviews**

Semester 1 Interim Reports have been posted home. These reports have been prepared by teachers to provide parents with information regarding students’ academic progress and work practices.

As always we welcome all parents and students to attend parent/student/teacher interviews to discuss in more detail the contents of the enclosed report. To provide a greater range of times for parents and students to attend these interviews the following times have been set aside for interviews this year:

- 4.00pm – 8.00pm Wednesday 23rd April
- 10.00am – 2.00pm Thursday 24th April (no classes for students on this day)

All interviews will be held in the de Chantal Stadium at the McAuley Campus. Parent/student/teacher interview booking sheets have been included with reports. All parents are more than welcomed to take the opportunity to meet with teachers. Where a teacher has requested an interview it is essential that this interview take place.

**Procedures for reporting absences to the College**

Procedures for reporting absences to the College

All absences need to be reported to the College on the day of absence by 9.00am. The College switchboard opens at 8.15am. Absences then need to be followed up with a note to the homeroom teacher the next day that students are at school. The College has a legal responsibility to be able to account for all students. Also students who arrive late to school need to have a note from parents explaining the reason for late arrival. Parents’ co-operation in these matters will eliminate the need for the College to make phone calls later in the morning.

**Uniform**

Traditionally the wearing of the summer uniform concludes at the end of term 1. Due to the short term the wearing of the summer uniform has been extended for the first three weeks of term 2. Therefore from Monday 28th April the correct winter uniform must be worn by all students. Page (iii) of the student diary contains information relating to the correct winter uniform.

The College is also seeking to establish a supply of the green school shirts to assist parents as we move towards the new shirt as part of the College uniform. The supply would be able to be accessed by parents that require a shirt for their child during the change over period. If you have a number of green shirts at home that are not being worn by your son or daughter please free to forward these shirts to the College office.
Mortlake Buses
Due to Mortlake College conducting parent/teacher interviews on Tuesday 22nd April in the afternoon the Mortlake Buses will be departing Mortlake College at 1.00pm. Therefore students who normally connect with these buses will need to make alternative arrangements.

Year 7 2009 Information Night
The College will be holding an information evening for Year 7 2009 on Wednesday 21st May commencing at 7.30pm at the McAuley Campus, Camperdown. Later in Term 3 an “Open for Inspection” will be held at the O’Keeffe Campus. Please let family and friends who are thinking of Mercy Regional College for their child’s secondary education know of this important date.

St Thomas’ Parish Centenary Celebrations
On the weekend St Thomas Parish, Terang celebrated its centenary with a number of official functions. Mercy Regional College was well represented with staff, students and families at all function and we take this opportunity of congratulating the St Thomas Parish community on a wonderful celebration. Of particular note was the College Choir who led the Mass on Monday for the Priests of the Diocese who have served the Terang Community. The Bishop of Ballarat, Peter Connors concelebrated the Mass with 20 priests from around the Diocese. Our Year 9 students also compiled a DVD of reflections about the parish by several member of the Terang community which was shown on Saturday afternoon which was very well received. To conclude I have provided the Centenary Prayer for St Thomas’ Parish Terang. May we reflect on the pastoral care that has been provided to this community over the past 100 years.

Centenary Prayer
Dear God, you are always calling us into community, into deep respect and care for each other and our earth.

We give thanks for our faith in you and your saving presence in our world. We give thanks for our ancestors who, in hardship and loyalty gave us the faith.

As we celebrate one hundred years of the Parish of St. Thomas, we acknowledge the vibrant community and the good things done in your name.

God of support and guidance we ask that your Spirit becomes ever more evident in our dealings with each other.

May our enthusiasm for your Kingdom bring into reality the wish we desire.

Through Christ our Lord.

Amen

History Excursion
Report by: Tom Collins - Year 12 student

On Wednesday 19th March, Lachie Lee and Tony Wynd took the Unit 3/4 History Class on an excursion to the historical sites of Camperdown and District relating to the studies of our current subject topic titled “Settlement of Port Phillip District”. We went to places such as the Camperdown Cemetery where we visited the burial site of Camperdown George, the last tribal Aboriginal of the district. Then onto West Cloven Hills where we got the rundown of the settlement of this area by Nick Cole, whose property has been passed down through generations since settlement. One of the most outstanding features of his property was the woolshed built in the mid 1800’s by workers who then left to seek their fortune in the Goldfields, leaving the woolshed walls half the desired height. After that we set off to Gellallabad, a station also built around times of settlement, where the woolshed there also dates roughly to the 1840’s, features such as the sheep wash has been standing strong since that time. From Gellallabad we drove to Imaroo, about 5 kms south of Darlington, where it is believed to be the site of a massacre of a local tribe, where more than 30 natives were killed. Kilnoorat was the next stop, but a quick one as time was running out, this Cemetery was the one of pioneers and had very few people in it.

This concluded our trip back in time and we left to return to school. After such an excursion it is hard to look at the district in the same way.

HSSSA Athletics
On Wednesday 9th April the HSSSA Athletics Sports were held at the Leura Oval in Camperdown. Mercy Regional College fielded a very strong team based on performances from the House Athletics Sports. In perfect conditions many students finished in the top 3 gaining valuable points towards the MRC total.

Two students in particular were standouts during the day with Jahd Anderson (Under 16) and Nathan Monk (Under 13) being awarded Age Group Champions.

Nathan was also able to break the 200m record with a time of 27.87 seconds.

The other record that MRC was able to better on the day was the Under 13, 4 x 100m relay in a time of 57.94 seconds.

It has been a long time since MRC had won the HSSSA Athletics. The current HSSSA shield dates back to the year 2000 and it has only had the Cobden Technical School engraved on it.

It was going to again be close but with MRC students participating in most events and also willing to fill in if a student was absent we were able to come away with a victory.

The 39.5 point margin over Cobden Technical School was a fitting reward for all students. We were also able to win the Overall Junior and Senior Shields.

The overall scores can be seen in the table set out on the next page.

Congratulations to all students on their efforts.

*Michael Clements*

During lunchtime on Tuesday of this week we held some competitions in a variety of basketball skills. Congratulations to the following students who proved to have the best skills in Year 7 & 8.

- Free throw: Brendan Richardson
- Field Shooting: Matthew Field
- Three point shooting & Lay-up: Daniel Watson

Well done boys!

Head of Technology

*Wayne Walsh*

At the end of last term Westvic was kind enough to donate $2,000 sponsorship money to buy some new tools and equipment for our new technology centre. Westvic and Mercy work in together with a lot of our students helping them with school based apprenticeships, apprenticeships, and general employment. It is great to have such a great working relationship with them and we thank them for their ongoing support.

Thanks Westvic for your great donation towards our fantastic new facility.

Parent Postcard Campaign

My children are my number one priority.
Mr Brumby, why aren’t their teachers yours?

Teachers in Victorian Government and Catholic schools are the lowest paid in Australia, currently earning 15% or $10,000 less per annum than their counterparts in New South Wales.

The Victorian Independent Education Union members at this school are campaigning hard to fix this. On 7 March there was a day of protest, meetings are underway with politicians and much lobbying of those who are ultimately in a position to ensure that Victorian teachers get a fair wage increase.

Now, the VIEU members at our school are asking for your help. Each family will receive a postage paid postcard which we are asking you to sign and send to the Premier, Mr Brumby.

We think that it is important that the Premier knows that you value the work we do with your children at our school and that the current wages offer, which will apply to teachers in both government and Catholic schools, is simply not good enough.

By signing the postcard and putting it in the post you are helping us make a statement to the government. The staff at our school really appreciate your support.

Authorised by Debra James, General Secretary, Victorian Independent Education Union.
Permanent Care Information Night

Permanent Care provides a stable, caring and secure family life for children who, for various reasons, cannot live with their own family.

Permanent Care may present challenges however helping a child feel wanted as part of a supportive and stable family can be rewarding for all family members.

Permanent Care families can be couples or single people with or without children and can be from diverse backgrounds.

For families interested in Permanent Care an information night will be held in Warrnambool on Wednesday the 7th May 2008 at 6.30pm.

For further details please call Aggie Allen on 5561 9456.
