FROM THE PRINCIPAL

Our Vision
Mercy Regional College serves a wide rural community which values growth and diversity in Catholic Education in the Mercy tradition.

Our Mission
In the Spirit of the Gospels we commit ourselves to the core values of community, inclusiveness, learning, care, justice and mercy, excellence and achievement.

Our Focus for 2009
Learning: Through the Mercy tradition we encourage our community to seek knowledge, to nurture curiosity and to love learning.

MRC Athletics
Last Wednesday, the College held its annual athletics carnival, with all students participating in the numerous track and field events. Overall results of the day were Ryan House winning followed in second place by Frayne House then with Markey House, third and in fourth place was Tindley.

ANZAC Day
I have been advised by the Catholic Education Office that Monday 27th April is NOT a substitute public holiday for ANZAC Day. In 2009 the declared public holiday for ANZAC Day is Saturday 25th April 2009. Therefore classes will run as normal on this Monday and all students are expected to be at school on this day.

ANZAC Day

20th March, 2009

Staffing Arrangements
This week the college welcomed Mr Tony Forbes. Tony comes to us from Colac Secondary College and will be teaching Music and co-ordinating the Instrumental Music Program. Tony replaces Mrs Fiona Pugh who resigned at the end of February. We welcome Tony to the Mercy community.

At the end of this week Mrs Margaret Leahy will commence six week’s Long Service Leave. During this time Mrs Denise King will replace Margaret. We wish Margaret and Gerry an enjoyable and much deserved break.

Mr Lachie Lee will be on long service leave during term 2. Lachie and his family will be travelling through many parts of the world over a 12 week period. Again, a well deserved break for Lachie, Jane and family. Mr Merv Edmunds will return to Mercy to replace Lachie during this period.

For the first two weeks of term 2, I will also be on leave. Part of this time will be spent in Dublin, Ireland, participating in the Mercy Ethos Programme held at the Mercy International Centre. This programme is an intensive 7 day residential programme studying the life and achievements of Catherine McAuley, the founder of the Sisters of Mercy, understanding the context in which the current Sisters of Mercy now operate and the future of their many ministries, including education. I will be travelling with a number of other principals, deputy principals and staff from other Mercy ministries, such as health and aged care. During this time, Mr Kerin Glennen will be Acting Principal.
Insight SRC Survey
As part of seeking continued improvement in the way which the College operates and to measure the organisational health of Mercy Regional College, we are in the process of collecting data from parents, students and staff via a series of surveys administered by Insight SRC. During the course of this month, a random sample of 100 parents, along with our Year 9 & 11 students and staff will be completing the surveys. The results of the surveys will be compiled and a report returned to the school. This report will be the basis of our annual action plans for the next three years. In 2011 the College will participate in the School Improvement Framework process that provides a more in-depth review of our achievements and areas in which we need to continue to work. This year’s surveys will ensure that the College has data that can be referred to in 2011.

I take this opportunity to thank all parents that have taken the time to complete the survey either on-line or via paper surveys sent home. Your feedback is very much appreciated. A reminder that if you have not completed the survey, these need to be completed by Friday 20th March, 2009.

Date Claimer
Last year the Annual Mercy Dinner was held where the College welcomed back and honoured past student Dr Lauren Bourke and I am sure that all those in attendance would agree it was a great night. This year the fourth Annual Mercy Dinner will be held on Friday 22nd May, commencing at 7.00pm at the Noorat Community Centre. I am delighted to announce that our guests this year will be Sara Tindley and Peter Daffy. Peter, a well renowned local musician, reunited with Sara last year in Camperdown when they performed at Court a’Fair café. From all accounts this was a wonderful evening of entertainment and I am delighted that they have accepted the College’s invitation to perform at the Mercy Dinner. This will provide a unique opportunity for the College to promote the Performing Arts by being able to recognise two past students who achieved great success in this area. They are both very inspiring artists. This year again the College will also be taking the opportunity to honour staff members who have given 15 and 25 years of service to the College. It promises to be a most enjoyable evening, so please make a note in your diaries and keep the date free.

Presentation Ball
Once again, our Year 11 students will be participating in the Presentation Ball at the end of Term 1. The Presentation Ball this year will be a fully ticketed event. The need for this has arisen due to concerns that have been raised over recent years about the number of guests who attend the Presentation Ball. In particular, concerns relate to compliance with fire regulations at Glenormiston College, Occupancy Health and Safety issues for staff and parents who volunteer, as well as concerns about the number of unsupervised children on the evening. The poor behaviour of some guests along with general security are of concern.

Therefore, each Year 11 family who has a child participating in the Presentation Ball will be allocated 10 tickets. If a family does not have a need for all 10 tickets they can be returned to the College for distribution to other families who would like additional tickets. With families, Year 11 students and staff, the total number of guests for the 2009 Presentation Ball will be in excess of 750 people. This is a number that can be catered for comfortably by Glenormiston College

PTFA Annual General Meeting
On Monday 16th March at the O’Keeffe Campus the PTFA AGM was held. At this meeting the following office bearers concluded their term, Mr Danny Gordon as Treasurer and Mrs Anne Carr as Secretary. I thank both Danny and Anne for their hard work and commitment to the PTFA as officer bearers. Their commitment to the school is very much appreciated.

The new officer bearers for the PTFA 2009 are:
President: Mrs Julie Keough
Secretary: Position still to be filled.
Treasurer: Mrs Debbie Cheslett

I thank these parents for being prepared to take on this important leadership role within our school community. My hope is that other parents will now be prepared to support the new executive. The best way in which to do this is to attend the PTFA meeting held twice a term.

Following the AGM the School Fee Raffle was drawn. The winners were:
1st Prize: 1 year’s Tuition Fees paid for one child: Michael & Loreto Milbourne.
2nd Prize: 50% of 1 year’s Tuition Fee paid for one child: Robert & Liz Mitchell.
3rd Prize: 25% of 1 year’s Tuition Fee paid for one child: Greg and Kelly Molan.

Emailing of the College Newsletter
During 2009, we will be continuing to send the College Newsletter, via email, to all families who have provided us with email address. Those people who don’t have email will continue to receive the newsletter via their son or daughter. If anyone changes his/her email address please let the College office know of the change. If any families wish to take up the option receiving the newsletter via email, email your address to office@mercy.vic.edu.au
Uniform Shop
The College has reviewed the trading hours for the Uniform Shop after its first 2 months of operation. To allow students from all year levels to access the uniform shop during either recess or lunch, the following trading hours will apply from next week.

**New Uniform Shop Trading Hours**
(effective from Tuesday 24th March)
- Tuesday 9.30am to 11.30am
- Wednesday 1.00pm to 3.30pm

Fundraising – Bourkey's Tyres, Terang
Pat and Michelle Bourke, who operate Bourkey's Tyres in Terang, are prepared to donate $25.00 to the College for each set of new tyres purchased by parents of Mercy Regional College. If you wish to take advantage of this generous offer by Bourkey's Tyres, please present the card attached to this newsletter when you purchase a set of new tyres from Pat. I take this opportunity to thank Pat and Michelle for their generous fundraising initiative and I trust that the Mercy community will support Bourkey's Tyres.

**SRC Reps**
I take this opportunity to congratulate the following students on being elected to the Student Representative Council for each homeroom Yr 7-11.

| 7A: Bethany O'Sullivan       | 10A: Samantha Alexander   |

**Prayer**

God of peace and compassion we pray:
May the love of Christ help us to see moment as an opportunity to open our eyes,
ear and heart to participate in building a fair, just and peaceful world.
We pray to the Lord

May we use the great gifts God has given us to serve others; living lives of compassion, peace and justice.
We pray to the Lord

May we understand that all human activity has an impact on us, other people and our environment.
May we respect the gifts of creation, give thanks for them, and use them justly – ensuring future generations have a safe and sustainable environment to grow in.
We pray to the Lord

From the Wellbeing Coordinator

Kerin Glennen

The Term is certainly passing us by with Easter celebrations looming. Interim Reports on the horizon. The year 11 Presentation Ball is coming ever closer and students are engaged in their studies.

On Thursday 5th April, years 7,8 and 9 attended a presentation regarding “Staying Safe in Cyber Space”, the use of Facebook, Myspace, MSN and the challenges associated with these programs. Students were given strategies that can be put in place to deal with unwanted attention whilst using this technology. The problem of bullying-on-line and inappropriate text messaging was also addressed.

The feedback coming from those involved has been positive and complementary to the presentation.

I would like to thank the parents and staff who attended the evening session. This session provided both parents and staff with valuable information that can be used to support the students of Mercy regarding the appropriate use of Cyberspace. I have several copies of “Safe Connections, Young People and the Internet: A Guide for Parents;“ if you wish to secure a copy of this publication please contact either Tony Wynd at the O’Keeffe Campus or myself at the McAuley Campus for a copy. This publication gives tips and information to parents regarding where to turn to for support when a Cyber issue does arise.

The Herald Sun Weekend Magazine, dated March 14th, had an excellent article regarding “ Kids and Booze...What every parent needs to know”...by Cheryl Critchley”, which investigates ways to help your children remain safe when underage drinking / bingeing. Brian Vandenberg challenges the notion that adolescent brain is able to “handle” alcohol at such a young age. Allan and Unwin “ The challenge ...is to get the message across to young people and the community in general that drinking for intoxication is not acceptable and is potentially life threatening..” The community needs to work together to equip our young with the skills to navigate through the years that they are most at risk. Allan and Unwin continue to point out that “Teenage parties can be dangerous places, there is often inadequate adult supervision, young people tend to drink more than they would in other environments and people around them are often ill-equipped to deal with an emergency”.

The final stanza of the article is a case study that, records a group of friends at a party and one young girl nearly dies and how the “help” that her friends gave her contributed to her being so unwell.

I would strongly urge parents to obtain a copy of this article and not only read it but discuss it with your son / daughter what is meant by blood alcohol reading...what is a standard drink?... let us all work together to support the young members of our community.

Raising money for the Bushfire victims

Jo Saunders

O’Keeffe Campus students enjoyed an ice cream day on March 5th to help raise money for the fire victims. Staff and students helped to serve them from the new canteen at O’Keeffe. The old fashioned ice-cream sandwich or wafer was a big hit with the students and many came back for more. The O’Keefe Campus raised 218 dollars for the bushfire appeal and many thanks to those who supported both the ice-creams and the loud-shirt day.

Cyber Bullying Presentation

Report by Zac Newson 8C

On Thursday, 5th March, Year 7, 8 and 9 students attended a presentation about Cyber Bullying. Cyber Bullying is about the Internet and dangers. Some of the topics spoken about were real cases. For example, a 40 year old man pretended to be a thirteen year old boy. He found a vulnerable girl victim on a chat site in a chat room called “Horse Lovers”. They talked for two weeks every night after school until he asked her to meet him at a local shopping centre. Luckily, she asked her Mum to come too. He didn’t show himself but followed them home and stalked the thirteen year old.

Other stories told about this subject showed that even worse things can happen.

The presenter also talked to us about illegal websites, what websites not to use and some that were safe. All up, it was a very helpful presentation and we all learned some valuable information.

VCAL / VET Information Night
“I’TS ALL ABOUT SWL” [Structured Workplace Learning]

If you are a VCAL or VET student doing a work placement at some stage during 2009, or if you are a parent of a VCAL or VET student doing a work placement at some stage during 2009, this will interest you.

Local Community Partnerships is holding a Structured Workplace Learning (SWL) information evening at 7.45 pm on Wednesday evening, March 25th, in Johno’s Shed at Cobden Technical School.

Special guests will be two experienced SWL employers and South West LLEN Senior Executive Officer Mr Paul Atack who is well-known for his knowledge and understanding of the benefits of structured work placements.

The evening will offer tips as to how to make the most of your work placement. It will also talk about your obligations and responsibilities, and what your employers can reasonably expect of you, and vice-versa. You can ask questions or you can simply listen to the advice and information.

Your placement this year will provide you with a great chance to experience the workforce – it’s the next best thing to taking up a full-time or part-time position. It will give you valuable experience in a work environment, and it may even open up the opportunity of a lifetime.

We’ll see you and your parents in Johno’s Shed at 7.45 pm on Wed. March 25th. It will not be a long night but, hopefully, one that will set up your work placement for the best possible result. If you have any questions about the evening, please contact Kelvin White at the Hopkins LCP office on 5595 1700.

MRC Athletics Carnival
James Castles

On the 11th of March we held our school athletics carnival. It was another very warm day but that didn’t stop anyone participating and giving it their all. There was certainly some standout performances during the day which had everyone amazed but a big congratulations goes out to everyone who competed. I’d also like to thank the teachers and parents for their efforts in organising the event and making the day run so smoothly. As always the friendly rivalry between the houses was ever present with Ryan coming out on top this year. They were closely followed by Frayne, Markey and Tindley respectively.

Our Age Champions for the day were -
- **13Yr:** Sarah Bullen, Ben Saunders
- **14Yr:** Elizabeth Steel, Lewis Taylor
- **15Yr:** Olivia Duynhoven, Daniel Watson
- **16Yr:** Megan Carlin, Jahd Anderson
- **17Yr:** Steph Jamison, Luke Mahony
- **18Yr:** Candice Anderson, Chris Baxter

Counting Our Blessings

I believe in the sun, even if it does not shine.
I believe in love, even if I do not feel it.
I believe in God, even if I do not see him.

That statement of belief is made all the more real and poignant when you know that it was written on the wall of the Warsaw ghetto by an unknown young Jew in 1942. As I write fires still rage across Victoria and so many people are dead. Hundreds are injured, others struggle to come to terms with the whole tragedy. Why did one person survive when all others around were lost? Pictures show much devastation in places that I know so well and love. I was born in Kilmore and lived in Maryville many years ago. It is hard to come to terms with the fact that this really happened. The global monetary crisis is certainly put into perspective in the face of such stark reality on our very doorsteps.

I do not wish to appear patronizing because I can only imagine what a dreadful and horrifying experience this must have been for so many people but perhaps the most extraordinary aspect of this disaster is the attitude of those who have suffered, those who have lost so much. They are grateful, not for the losses but for what they still have. Life for a start. They are grateful to the many who fought these blazes with such courage and tenacity. Like this young Jewish prisoner, they still believe not all of them in God but in the goodness of their fellow human beings, in the generosity of people they have never seen and probably never will. They are grateful for life, for companionship, for the chance to begin again when so many others did not get that opportunity. It is inspiring to see, night after night on the news, their courage, their optimism and even good humour.

Like this young Warsaw Jew, when all else is stripped away, there are still some things that are precious, that cannot be taken away. God did not send this fire, as some we are led to believe have suggested. This was not a punishment from God. What sort of a god would do that? That sort of belief comes from a very literal and highly selective reading of the Bible. Nor can we be equally selective and say that God is in the courage of those who fought these fires and the kindness and generosity of those who have responded in such full measure. That is equally selective and, to my mind, equally dishonest.

The wisdom of this young Jew is that he can still believe, even when he does not know the answer, even when he does not understand. He can still believe in love, even when all else seems loveless and purposeless. The fact is, we don’t know why things like this happen. Sure, we can find scientific explanations but we are still left with the horror of it all, we are still left with the suffering and purposelessness of it all. That defies explanation.

It is time to be generous in our thoughts and in our actions, to help people in their attempts to begin again. We all must be with them in some way or another in their efforts to rebuild their lives. It is time to give thanks to those who have been and still are so courageous. The fire fighters deserve our deep and abiding gratitude. There are so many stories of courage, heroism and just plain guts. Thank God you were there.

We mourn those who are lost. It is important to mourn. This has been an awful tragedy and remains so for many people. Mourning does not mean we want to put it all behind us – rather it is a recognition of our loss, our sorrow and the memories we want to keep. Those memories are precious. Without mourning we cannot look forward to what will be, we cannot imagine what we want to create out of these ashes. Mourning is a stark reminder to us all to take stock, to put our own lives into perspective. It is such a pity that so often we need a disaster to make us aware of what we have, to make us appreciate life’s many blessings.

It is time to take stock of our own lives, what we value and hold dear. It is time to look at our life and those with whom we share it. It is time to give thanks for life itself, for the fact that we live in a free country, that we do not live with war and violence, that we can disagree, that we can change our government without revolution. Others want to come here to share in the life we take so much for granted. It is time to be uplifted by our fellow Australians who have shown extraordinary courage and generosity. When we look at some of the hardships so many people suffer in overseas countries, we must ask ourselves, why was I born so lucky? Yes, we do have worries, but not enough to whinge about. For most of us we live in good health, in a free and beautiful country, in many ways a land of plenty. For me, I believe in God, even if I cannot see God in this awful tragedy.
