FROM THE PRINCIPAL

Our Vision
Mercy Regional College serves a wide rural community which values growth and diversity in Catholic Education in the Mercy tradition.

Our Mission
In the Spirit of the Gospels we commit ourselves to the core values of community, inclusiveness, learning, care, justice and mercy, excellence and achievement.

Our Focus for 2007
Community
Through the Mercy tradition we promote the uniqueness of the community and its heritage.

Self-Directed Learning
I write to you from Mary Ward Catholic Secondary School located in Toronto. The College is the centre for self-directed learning and has achieved outstanding academic success since adopting this teaching and learning pedagogy. Prior to visiting this school Lisa Pope and I attended the annual conference on self-directed learning in Edmonton and then visited other self directed learning schools in Edmonton and Calgary. The learning community within these schools believes that student formation is best facilitated through a program of self-directed learning which calls upon every student to be a leader in an achievement oriented environment that promotes decision making, communication, collaboration and faith development. These schools believe that all students can learn and reach their fullest potential through self-directed learning. The corner stone of a successful self-directed learning program is the Teacher Advisor/Teacher Advisee relationship, supported by parents, support staff and school administrators. Much of what we have seen in these innovative schools can be easily adapted to our education system and certainly lead to improved outcomes for our students. Lisa and I certainly look forward to the opportunity of discussing our findings and thoughts with the school community over the course of the next year. We hope that as a result of our investigations that improvement in student achievement can be achieve with appropriate change in the coming years.

Staffing
I am pleased to announce the appointment of Mr Simon Horan to the staff of Mercy Regional College for 2008. Simon is a past student of the College and we welcome him back to teach in the Technology and Science Faculties.

We are also delighted to welcome Ms Pam Martin to our College Administration staff in 2008. Pam will be well known to parents and students of St Patrick's Primary School having worked in their office for the past year.

Year 12
Our Year 12 students finished their formal classes last week and again I am delighted with the way in which our Year 12 students conducted themselves over the last few days. It ensured that their last few days were celebrated in the right spirit and will be fondly remembered by all. It was wonderful that a large number of parents and friends were able to attend the Year 12 Assembly on Wednesday afternoon. We now support our Year 12 students as they continue to prepare for their exams, with all students sitting the English paper this Friday. I look forward to our Graduation Mass and Dinner at the conclusion of the examination period. Thank you to the class of 2007 for the past six years.

Journey of the World Youth Day (WYD) Cross and Icon of Our Lady
Following the last day of formal classes for our Year 12 students the College then hosted the visit of the World Youth Day Cross and Icon in Camperdown. The day commenced with our student leaders greeting the WYD Cross and Icon at the Twelve Apostles. In the afternoon the students from St Patrick's, St Thomas', St Colman's and Mercy gathered in the deChantal Stadium for a Liturgy and
veneration of the Cross. Thanks are extended to Mr Michael Goss, in particular for his organisation and preparation of the arrival of the Cross and Icon and the associated liturgy.

Car Raffle
The Mercy Regional College Car Raffle is well under the way with many tickets having already been sold. A big thank you to all parents that have sold a book of tickets and have assisted with the ticket selling roster. Your efforts are very much appreciated.

The car raffle is certainly now the most important fund raising effort of our PTFA and particularly important this year with our building redevelopment program well under the way.

This year’s prizes are as follows:
1st Prize: 2007 CL Ford Focus Sedan valued at $27,955 including on road costs (Auto, prestige paint, air conditioning, power steering, cruise control CD player, and ABS) supplied courtesy of Manifold Motors
2nd Prize: Travel Voucher valued at $2000 supplied courtesy of Harvey World Travel, Camperdown

3rd Prize: Electrical Goods Voucher valued at $1000 supplied courtesy of Camperdown Retravision

4th Prize: Jewellery Voucher valued at $200 supplied courtesy of Showcase Jewellers, Camperdown and Colac.

5th Prize: Dinner Voucher valued at $100 supplied courtesy of Madden's Bar & Bistro, Camperdown

This year we have selected a more fuel efficient car which will ensure the running costs for the eventual winner will be more economical. Along with this change we have also increased the value of the travel voucher by $1000 and added a new prize, a $1000 electrical goods voucher from Camperdown Retravision.

The College is indeed grateful to our abovementioned suppliers of raffle prizes for their generosity. Where possible it would certainly be appreciated if our school community could support these businesses.

I look forward to drawing of the Car Raffle at the MRC Arts Evening on Wednesday November 28th at 8.30pm

Exam preparation
Just some timely tips for our Year 11/10 and 9 students who have upcoming exams at the end of this semester.

Cramming and the night before the exam:
It is not an effective strategy to try and cram an entire semester the night before:
You will do yourself a favour by having a good nights sleep.
A quick look at the topic at your summaries should be all you need to do.

Just before the exam:
- Have a quick mental checklist to ensure that you have everything necessary for the exam.
- This should include pens/pencils ruler etc
- Once you are in the exam you will have to do make do with what you have.

At the beginning of the exam there will be some statements, telling you what to do:
- It is an excellent plan to read these instructions.
- It maybe that there are compulsory and optional questions.
- The paper maybe divided into different sections and may have to answer at least one from each section.
- The total number of questions that you may have to answer will be stated.

We wish all the students doing Unit 4 exams in the upcoming weeks all the best.

Congratulations to the Year 12 students who handled themselves with such dignity last week and throughout their time at Mercy. You were a fine example to the rest of the student community.

From the PE Coordinator
Darren Cheeseman

There has been plenty of sport happening at Mercy. Here is a run down of them:

Catholic All Schools Athletics:
In the last week of term 3 approximately 20 students went to Olympic Park Melbourne to participate in the Catholic All Schools Athletics Carnival. It was a terrific day with many students performing well. The following students finished in the top 3 of an event -

Matilda Anders; (Under 14 Female)
2nd - 100m in a time of 13.42sec
3rd - 200m, 28.03 sec

Jahd Anderson; (Under 14 Males)
1st - Triple Jump, 11.90m (RECORD),
1st - 200m, 25.09 sec,

Candice Anderson (Under 16 Female)
3rd - Triple Jump, 9.11m

James Devlin (Under 14 Male)
3rd - Discus, 25.17m

Bethany Moncrieff (Under 15 Female)
3rd - 1500m, 5.56min

Caitlin Watson (Under 16 Female)
2nd - Discus, 18.83m

Congratulations to these students that finished top 3 and to all students that went along to participate. Also a special mention to Jahd Anderson who broke the Triple Jump Record for the Under 14 Male category and also won his 200m event. A fantastic effort.

Super 8’s Cricket:
Last Wednesday 24th October MRC sent two teams to Warrnambool to participate in the Years 9/10 Super 8’s competition. The girl’s team consisted of Narelle Place, Caitlin Watson, Ebony Boyd, Lauren Field, Samantha Meade, Rachael Steel, Megan Bullen, Grace Heffernan, Bethany Moncrieff and Megan Johnstone. While they did not win a game on the day this team was quite a young team made up mostly of Year 9 students. This should give the team some valuable experience for 2008.
The male team made up of Brett Richardson, Matt Hinkley, James Rantall, Michael Harney, Ryan O’Connor, Jacob Gurt, Chris Baxter, Luke Mahony, Alex Place and Thomas O’Loughlan finished with two wins and one loss but were unable to scrape into the final. Matt Hinkley finished one game with a score of 87, which was a great effort. It was a very enjoyable day and we now look forward to the Year 7/8 competition to be held next Wednesday 7th November.

Cycling:
Congratulations to the students that represented the school in the Victorian Secondary Schools Cycling Championships. This was held on Saturday 20th October as part of the conclusion of the Herald-Sun Tour. Many students performed well with Xavier Gstrein having the schools best result with 2nd in U17 racing, Chris Jehu finished mid field and Joe Gleeson unfortunately fell not long after the start when he pulled his foot out of his cleats. He got back on and managed to finish the race mid field. Matthew Gstrein (U19) finished mid field in his event as did Jackson Gaut in the under 15 novice. Gabby Jehu in the under 15 girls novice competition finished mid field.

Well done to all students to compete at such a high level and to do so well.

Upcoming Sport Events:
November 7th: Years 7/8 Super 8’s Cricket
November 15th: Marist Schools Duathlon at Moyston
November 29th: Summer Sports

Semester 2
Wood Plastics & Design Technology
Once again the technology room has been really busy with lots of new projects being built. The year 7 students have completed their plastic’s projects and this has been going great with the students making great projects and learning new skills along the way.

The year 8, 9, and 10 students are all well into their projects and all will be on display at the arts night.

The students in year 11 design technology are near completion of their models as well as their folios. These projects have taken a lot of time and effort and are looking great.

Photo of Nick McConnell Year 11 student with the bed he made.

In year 12 the students have completed all work requirements, the projects and folios were completed to an outstanding level. The year 12 students put in a great deal of extra time and showed a lot of dedication towards their work. These students are currently studying for their exam that will be coming up in November.

I hope everyone can attend the arts evening to have a look at this great display on Wednesday 28th November commencing at 7.30pm.

I would also like to remind parents that they need to pay for their son / daughter’s Woodwork Fees before they can take the project home.

ATTENTION ALL YEAR 9 PARENTS

WORK EXPERIENCE 2008

In relation to your son / daughter doing Work Experience in February 2008 a letter and number of forms were sent home with them on 11th September.

These forms were –

- Medical Condition / Tax File Number / Red Card Training Day [all on the one sheet]
- Work Experience Arrangement Form
- Work Experience Guide for parents and students
- Work Experience guide for employers
- Information brochure about Tax File Number

The permission slip for the Medical Condition, Tax File Number, and the Red Card were due back 5 weeks ago.

The Work Experience form was due **Friday 2nd November**.

Health and Safety and Industry modules need to be completed before your son / daughter can go out on Work Experience and these modules are due to be done in November, but first we need the paperwork which is relevant to the industry they will do their work experience in.

Very few students have returned their forms and I would remind parents that Work Experience is a **compulsory** component of Year 10 studies in 2008.

Your child has had at least 7 weeks to arrange a Work Experience placement with an Employer, if this has not yet happened, please ensure that son / daughter attends to this immediately and then returns their forms to the College Office by no later than Friday 9th November, 2007.
