ISSUE 4-4

FROM THE PRINCIPAL

Our Vision
Mercy Regional College serves a wide rural community which values growth and diversity in Catholic Education in the Mercy tradition.

Our Mission
In the Spirit of the Gospels we commit ourselves to the core values of community, inclusiveness, learning, care, justice and mercy, excellence and achievement.

Our Focus for 2009
Learning: Through the Mercy tradition we encourage our community to seek knowledge, to nurture curiosity and to love learning.

Advent
This Sunday we commence the season of Advent, a very important time in the Church’s Liturgical Calendar. The season of Advent is symbolized by the Advent Wreath. The wreath is a symbol of growth and life. Traditionally adored with purple and pink candles, it reminds us of the power of the light of Christ overcoming evil in our world. The circle symbolizes the continuity of life. The word “Advent” means “coming” (from the Latin Adventus) and this is the time we wait in joyful anticipation for our God to come, yet again, to come and be born in our hearts. The season of Advent recognizes the coming of Jesus, the Son of God, in a special way. During Advent we are challenged to be open to the unexpected and ready for a few surprises! That is not always easy. The familiar is always more comfortable than the unfamiliar. God will not be boxed or labeled or “assumed”. God will be God and come amongst us in ways that we least expect.

Lord, as we look to the birth of Jesus,
Grant that the light of your
love for us will help us to become lights in
the lives of those around us.
Prepare our hearts for the joy and gladness of your
coming,
For Jesus is our hope.
Amen

Year 12 Graduation Mass and Dinner
Friday, 20th November, our graduating class for 2009 gathered at St Patrick’s Church, Camperdown, to celebrate the Eucharist followed by the presentation of awards. Particular thanks are extended to Fathers Eugene and Neville for celebrating our Mass. This was then followed by a wonderful Graduation dinner held at the Noorat Community Centre. The Noorat Community Centre proved to be a terrific venue which was wonderfully decorated and as always our graduating students looked magnificent.

A thank you is also extended to our Year 11 students who sang in the choir, served the dinner tables along with Year 11 parents, who assisted in the kitchen.

Finally, my appreciation is extended to Mrs Margaret Leahy for her creative talents in putting together a very moving liturgy, full of rich and symbolic rituals, Ms Rebecca Bradshaw for directing the choir and overseeing the music for the Graduation Mass and Ms Lyn Davies for her outstanding organisation of the Graduation Dinner.

Year 12 Prizes and Awards
At the conclusion of our Graduation Mass awards and prizes were presented the following students:

Corangamite Citizenship Award
This award recognizes a student who is involved in the local community through groups such as service clubs and youth groups. This student has been prepared to represent the school at events not directly related to sport or the curriculum, such as RYPEN weekends and Youth Forums. The winner of this award is a student who is prepared to work towards improving the local community.

Awarded to: Michael Harney
New State Funding Agreement for Catholic Schools
I welcome the new State Funding Agreement which will provide 1.4 billion for the needs of Victorian Catholic schools over the next four years. This agreement will move Victorian Catholic schools away from being the lowest state government funded of any state, or territory. Funding, currently at around 19% of the cost of education in a Victorian Government school, will move to approximately 22%.

The agreement includes additional funds for the system on the basis of school and student need, including the financial capacity of schools and measures of student background. In particular, the future sustainability of programs for students with disability is secured under this agreement. State funding will reflect student need and enrolment growth. The agreement represents a significant step towards our goal of obtaining funding from the state government at 25% of the cost of education in Victorian Government schools.

SMS Messaging
As part of our review in light of this year’s emergency situations (bushfires and swine flu), the College has now acquired SMS messaging technology to enable us to contact all families via a text message to mobile phones. At the moment there is every indication that, once again, we will be faced with cancellation of bus services and possibly school closures on high fire danger days. This technology will allow us to send text messages to families advising of the school’s response to an emergency situation. To ensure that all families can be contacted we will need to have a current mobile phone number. Where this information has not been provided, the office staff will make contact in the coming weeks to obtain a mobile number. Once all numbers have been recorded the College may also undertake some testing of this technology. Testing of this system will be prior to the end of the school year.

Second Hand Uniform and Book Sales
Once again, the PTFA will be holding second-hand uniform and book sales prior to the end of the year. If you have any uniform items, or texts books that you would like to be sold please forward them to either the College by Monday, 30th November. The second hand sale will occur on Wednesday, 2nd December, at the McAuley Campus from 1.00pm to 3.00pm.

Kwong Lee Dow Young Scholars Program
Congratulations are extended to Nicole Esh and Jac Donnem. They have been accepted in the Kwong Lee Dow Young Scholars Program. They will be invited to special events/lectures, at Melbourne University, for like-minded young academics over the next two years. They will, from there, have the opportunity to receive grants / scholarships if they go on further education at Melbourne University when they leave secondary school.
Arts Night and Car Raffle
On Wednesday evening the College’s Annual Arts night was held. This evening is an opportunity for the showcasing of students work from the Arts and Technology Faculties. I am sure most people who were able to come would agree that the students’ technology projects and artworks were outstanding.

Congratulations to all students who had their work exhibited and thanks are extended to the staff of the Arts and Technology Faculties: Mr Wayne Walsh, Mr Jared Lyn, Ms Tina Jenkins, Mrs Adele Krepp, Mrs Jenny Binder, Ms Lyn Davies, Mrs Margaret Jeffrey, Mrs Sharyn Grinter, and Mrs Annette Price.

Also, the drawing of our Car Raffle has become very much part of the Arts Night. The winners were:

1st Prize:
2009 LV Ford Focus LX Sedan valued at $29,990.00
Supplied courtesy of A K McKenzie Motors Colac and supported by Manifold Motors Camperdown

Winner: Andrea Whytcross, Camperdown

The College is indeed grateful to our abovementioned suppliers of raffle prizes for their generosity. Where possible, it would certainly be appreciated if our school community could support these businesses.

Thank you to all parents who ensured raffle tickets were sold at home and those parents who also sold tickets at various locations around the district. The success of the car raffle is due to your efforts. Of particular notes is the work of the PTFA Committee and Maureen Adeney who again has co-ordinated the raffle this year.

End of Year Mass of Thanksgiving
This year, our End of Year Mass of Thanksgiving will be held on Tuesday 8th December at St Thomas’ Church, Terang at 7.00pm followed by supper. The evening time will allow families to celebrate the Eucharist together. It is the expectation of the College that all students in Year 7 - 11 would be in attendance. Following Mass, there will be the presentations of awards and prizes. Supper will follow in the St Thomas’ Community Centre. We would ask that parents of our Year 8 students help the St Thomas’ community, with catering, by being prepared to bring along a plate of supper to share.

Along the Track
I have attached to this newsletter, for your interest, on page 8, a reflection titled “The Gateway to Bethlehem” written by Jim Quilinan from the Diocesan Catholic Education Office in Warragul. I hope you enjoy this reading.

Short Story [55 words max]: 2nd Prize – India Dubois, Highly Commended – Toby McKenzie.

Year 10 Community Visiting

The Year 10 Community Visiting program has come to a conclusion for the year. Again, the program has been an outstanding success and has been reflected by the many positive comments we received from the organisation that the students work with. Last week I received one such letter that expresses gratitude for the program and for the students’ participation. I have provided below a copy of this correspondence.

Dear Andrew,

I am writing on behalf of the Harney family to express our gratitude for the visits of the Mercy students to Mt. View Nursing Home, Terang and in particular, to the students who displayed such sensitivity and care towards Jim Harney.

We would like to name them individually, but have refrained from doing so in case we miss someone. Dad always looked forward to their visits and their way of making him still feel connected. Having been present on numerous occasions during their visits, I cannot speak highly enough of their courtesy and care. They have good reason to be very proud of the difference their presence has made to the lives of the residents.

I hope that they are proud of themselves, as should be their families and school. We also commend you in your role as Principal for enabling this valuable inter-generation exchange to take place.

We would appreciate it if you could pass on our thanks to the students and we trust that their upcoming holidays will be enjoyable.

Many thanks to the students, staff and yourself for your generosity.

Yours sincerely,

Marita O’Shea

Term 1 dates for the start of the school year in 2010

The commencement date for students at Mercy Regional College will be Monday, 1st February, 2010. Teachers will return to school on Wednesday 27th January 2010.

Finishing Date for Year 7 - 10 Students

I would also like to take this opportunity to remind both students and parents that attendance up to and including the last day of school for the year is required by all students at all year levels. The last day for the various year levels is listed below:

Year 7 - 10: Friday 4th December

Last Edition of the MRC Newsletter

Please note that the last edition of the College Newsletter will be posted home with reports on Friday, 11th December, 2009.

A Graduate’s Prayer

To conclude this newsletter article, I provide you with the following prayer and ask that all members of the Mercy community pray for all our graduating students as they embark on the next stage of their lives and offer them our support and best wishes, praying for their happiness.

Father I have knowledge, so will you show me now how to use it wisely and find a way somehow to make the world I live in a little better place.

And make life with its problems a bit easier to face…..

Grant me faith and courage and put purpose in my days. And show me how to serve Thee in the most effective ways so all my education, my knowledge and my skill, may find true fulfilment as I learn to do Thy will…..

And may I ever be aware in everything I do that knowledge comes from learning and wisdom comes from you.

Outdoor Ed Camp

James Castles

On November 9th to 11th the Outdoor Education students had a two night stay at Wilson’s Promontory National Park, in South Gippsland. Wilsons Promontory was selected as our location for the camp as it was an environment the students hadn’t experienced previously.

The students were involved in a number of different activities, which helped them to learn more about themselves and of course, the environment. The highlight of the trip was our 20km walk from Tidal River to Sealers’ Cove. It was nice to see that the group was able to maintain a high level of enthusiasm, throughout the walk, given the temperature.

It was also pleasing to see that all students enjoyed themselves and the company of their peers. Looking back on the camp it was a positive experience for all students and staff involved.

On behalf of the students I would like to thank all parents for allowing your son or daughter to take part in this subject. The subject is not only educational, it also helps to develop some very important life skills.

Thanks must also be given to the students for their exemplary behaviour on the three camps, (Wilson’s Promontory, Mt Buller and Torquay).

Work Experience
The current Year 9 students will commence Work Experience in the third week of Term One in 2010. The dates are Monday, 8th February to Friday 12th February 2010. The permission slip attached to the work experience parent letter dated 12th October was due to be returned by 6th November and the completed “Work Experience Arrangement Form” was due back by 13th November. The students need to participate in a general module and an industry module information session, as well as complete an online test, relevant to their work placement. It is very important that all these forms are returned ASAP so we can proceed with the preparatory work. Students have only one week of school left and all work experience needs to be finalized before the end of 2009. If you are unsure if your forms will be back by the end of term please contact the school to inform us of your progress.

White Card
Students who will be working in the building, plumbing or electrical trade for work experience need to hold a “White Card”. MRC is holding a “White Card” Training day on Tuesday, 1st December, from 9.30am to 4.30pm at a cost of $140.00. Letters have been sent to parents who have already sent back their permission forms.

Victorian Adidas All Schools Track and Field Championships
From the Catholic All Schools Stephanie Jamieson, Declan O’Connor, Caitlin Hickey, and Jahd Anderson all qualified of the Victorian All Schools Athletics Championships on November 7th. Mercy Regional College had two students represent that college on the day, in Stephanie Jamieson and Declan O’Connor who both came away with terrific results. Stephanie collected a bronze medal in the triple jump, and silver in the long jump. Declan O’Connor made the final in both his events and finished 6th in the 100m final in a time of 12.00, and 7th in his 400m final.

Well done to all four athletes who qualified for the event, and congratulations to Declan and Stephanie. Thanks must go to the parents who gave up their time to take Declan and Stephanie to Melbourne to compete.

### Car Raffle Report

Maureen Adeney – Raffle Co-ordinator

Thank you to all parents, staff and friends of the College for your generous support in making our annual car raffle another success in 2009.

I would like to acknowledge the generosity of John Cheslett and Staff of Manifold Motors Camperdown, A.K. McKenzie Motors of Colac, Kim Tracey and Staff from Harvey World Travel in Camperdown, Jacinta Lee from Camperdown Retravision, Helen Bourke, Nutrimetics Consultant from Kolora, Jim Willsher from Showcase Jewellers of Camperdown and Colac and John, Agnes & Dennis Madden, Madden’s Bar & Bistro Camperdown.

Thank you to John Cheslett for the presentation of the car and for delivering the car to all our selling points around Camperdown. John worked tirelessly to get the car from point A to point B and also for keeping the car in immaculate condition. The College really appreciates all John’s work throughout the duration of the raffle.

Thank you to the Car Raffle Committee – Debra Cheslett, Allison Veenstra, Danny Gordon, from Camperdown, Bronwyn Moloney and Christine Moloney from Terang, Clare Jehu, Vicki Unwin, Fran Clarke from Cobden, Caroline Buchholz from Lismore, Joanne Robertson from Simpson, Tina Saunders from Timboon and Maryrose Muir from Mortlake.

Thank you to all parents and friends for selling tickets and for those who sat in the street to sell tickets. Another thank you to Annette Price and Tracey Stevenson and her team for all their help during the raffle.

We would like to thank each business that sold tickets in their shops. Also, to Peter Conheady from Autografix, in Warrnambool, for signs on the car and to Rodney Garside from Signworx, in Camperdown, for the printing on the sandwich boards.

Thanks to everyone. It was a great effort and all the hard work paid off.

Bethlehem is not the easiest place to get into these days. Not only is it surrounded by a huge concrete wall, but a new, large and rather complex checkpoint, screens everyone going in and out. While some can get through fairly quickly, for others permission to enter or leave can take quite some time and it can be a tense and unnerving experience. Many people wait for hours to enter or to leave, some persist, others just give up and leave. A rather incongruous sign above the checkpoint reads, Peace Be With You!

Inside the old city there are many shops closed – poverty still flourishes in Bethlehem as it did two thousand years ago. It's hard to trade when goods are in short supply and so hard to obtain. The town relies on tourism but that too depends on “The Checkpoint”. Among other artifacts, thousands of nativity scenes carved in olive tree wood are sold everywhere. One is different from all the others though. For Palestinian artist Tawfiq Salsaa, a wall separates the baby Jesus from the three wise men.

The Basilica of the Nativity, under the care of the Greek Orthodox Patriarch of Jerusalem is built over the cave where Jesus is said to have been born. The Grotto of the Nativity, as it is called, has been honoured as the site of Christ's birth since at least the 2nd century. While the church features a large gilded iconostasis, and a complex array of lamps throughout the entire building, it is remarkable for its simplicity. Despite the difficulties of entering the city, tens of thousands of pilgrims visit this sacred site every year. The basilica is entered through a very low door, called the "Door of Humility," which was created in Ottoman times to prevent carts being driven in by looters, and to force even the most important visitor to dismount from his horse as he entered the holy place.

The modern entry through the checkpoint and the "Door of Humility" are good metaphors as to how we must enter into the celebrations of Christmas. Without humility, we miss the message. Entry into Bethlehem and into the Church of the Nativity is not what one expects. Neither was Jesus' entry into that city 2,000 years ago. He disappointed so many – He was expected to be a King, or at the very least a prophet of such standing that Israel would be free of its oppression and restored to its former glory. Instead, Jesus was born in an occupied country – into a world of poverty and oppression – to an unwed mother in a stable because no-one else could find any room for them. Soon after, his family was forced to become refugees in Egypt. It was not by chance that his first visitors were shepherds from a nearby field who took the risk of leaving their flocks. It is a reminder that Christmas is a risky business.

In so many ways there are still people who expect Jesus to restore our fortunes – that he will bring peace and harmony and prosperity, that he will end conflict, war and sickness. And because he did not do all those things, Christianity, Indeed all religion is a sham. So, like those at the checkpoint, they depart. Others expect that followers of Jesus will be the only ones to be saved. But that's not what Christmas is about. These humble surroundings, this very insidious beginning does not diminish the event. In fact, it brings new dignity to many things that the world thinks have no status at all. Through Christmas, God challenges human values. Christmas is about the poor, the homeless, the refugee. It is about lack of pretense, about generosity, compassion, about putting others first, about commitment. Unless we can sense this spirit of Christmas, unless we see it through the eyes of humility, there is no Christmas.

Religion is not just about our reaching to God and God reaching out to us, especially in the coming of Jesus. It is a reminder that we are called to make Christmas real, that we are called to bring to reality the message of that original Christmas. Writer Henri Nouwen said the beauty of Christmas was that it reminded us "salvation comes from something small, tender and vulnerable—something hardly noticeable". He added that: "I keep expecting loud and impressive events to convince me of God’s saving power, but over and over I am reminded that the spectacles, power plays and big events are only the ways of the world."

Why is Christmas risky? One of the main challenges of Christmas is coming to terms with the wonder of it all, with the innocence, Joy, love, the sense of community, and generosity. It may be a simple and very familiar story but it requires a leap of faith. It challenges cynicism, hardness and indifference.

As you leave Bethlehem and drive down the streets to the checkpoint, you see the other side of that wall which separates that city from the rest of Israel. There is a series of larger-than-life paintings along it – slogans too of course, but the paintings are quite extraordinary. They are very simple scenes of family life, of peace, of happiness, of community. Despite hardness and privation, these courageous images are very vivid reminders of what this city means, what it reminds us of. It is one of the best Christmas messages I have ever seen.
