When the Pharisees heard that he had silenced the Sadducees, they gathered together, and one of them, a lawyer, asked him a question to test him. “Teacher, which commandment in the law is the greatest?” He said to him, “You shall love the Lord your God with all your heart, and with all your soul, and with all your mind.’ This is the greatest and first commandment. And a second is like it: ‘You shall love your neighbor as yourself.’ On these two commandments hang all the law and the prophets”. (Matt 22: 34-40)

This gospel passage from Matthew is well known and so it should be given it includes some of the key beliefs and ethical teachings of our faith. The Great Commandment as it is termed calls Christians to believe in God unconditionally and to demonstrate this love through lives lived after Christ.

As our Year 12 students complete their thirteen years of compulsory education, the words of Matthew provide for them a road map for life beyond school; be the best person you can be and do this by loving God and those around you unconditionally.

Year 12 celebrations
This Thursday 27th October, our Year 12 students finish their formal time at Mercy Regional College. I congratulate each of them on achieving this milestone and the mature and conscientious approach they have brought to their studies as senior students. I also thank parents and Year 12 staff for the unrelenting support that has been offered to our Year 12 students to enable them to perform at their best. This Thursday includes opportunities for both celebration and reflection by the school community and the students themselves. The day concludes with the Year 12 final assembly in de Chantal Stadium starting at 1.45 pm. Parents are most welcome to come and support their sons and daughters.

I remind all Year 12 students that although the end of formal studies is a significant milestone, celebrations to mark it must be conducted in ways that are appropriate, safe and respectful of other students and staff. Students who are unable to support these guidelines in their behavior over the next week may be asked to stay at home.

Battlefields Trip
During two weeks last month, 32 Mercy Regional College students, staff and family members travelled to France, England and Belgium to visit a range of sites associated with the Great War (1914-1918). These sites included Paris, Ypres, Amiens, Villers-Bretonneux, Fromelles and London.

Over the next couple of newsletters, the thoughts and stories of both staff and students will be featured but on behalf of those who participated and those who have been moved by their stories on return, I would like to thank the staff and students for the exemplary way the trip was conducted and the respect and compassion shown to those who served (and, for some, died) in the Australian Armed Services. Particular thanks needs to be given to Mr. Lachie Lee who was both the inspiration behind the trip and its driving force while over there. A report on the trip is included in this newsletter.
Congratulations to all students and staff that last week were a part of the successful Year 9 camp to Melbourne. The purpose of the camp is to reinforce the friendships students have developed this year, and over students' three years at Mercy, while challenging, them to work both cooperatively and independently on a range of tasks across the Melbourne CBD. Particular thanks to Mrs. Sarah Gellie, Head of Middle School for her leadership, care and attention to detail during the week.

Differentiated Teaching
One of the challenges for all educators and schools in the 21st Century is to provide models of learning and teaching that are increasingly personalised and differentiated for individual students. This challenge is certainly one that Mercy has identified as a key priority as did the recent School Improvement Framework school review. As a starting point in our drive to redefine the notion of learning and teaching at Mercy, we recently hosted an expert in the area of differentiated curriculum, Dr. Susan Nikakis from the CEO Melbourne. Susan will be working intensively with our staff next year.

Student Activities
Once again there have been a variety of activities occurring across the College:

- A group of 30 Year 11 students spent two days in Melbourne at the Alfred Hospital as part of the hospital’s PARTY program. Students have had the opportunity to learn firsthand the often tragic results of poor decision-making in the areas of alcohol, drugs, motor vehicles and other risk taking behaviours.

- Two groups of Year 11 students have undertaken street retreats in the last month under the leadership of Mrs. Jo Saunders, Fr. Matthew Thomas and Mrs. Leesa Henriksen. The success of these across this year is a great reflection of the openness and compassion of our students to those less fortunate and to the leadership and witness of the staff who accompanied them.

- A special word of congratulations to all students, staff and parents who for the last two months have been gathering at 7.00 am on Wednesday mornings for the Mercy Regional College Running Club. The numbers swelled to almost 80 in the last weeks of term three. This commitment was rewarded on Sunday when members of the MRC Running Club participated in the short and longer running events held as part of the Melbourne Marathon Festival. Full results are still to come but congratulations to all involved and the challenge has been laid for an even greater response in 2012.

- The O’Keeffe Campus was abuzz last week as 89 prospective 2012 Year seven students undertook their first of two transition days.

Car Raffle
This year will be the 37th year of the Mercy Regional College Car Raffle. The car raffle is certainly now the most important fund-raising effort of our PTFA.

The Flyer on page eight outlines all this year’s prizes. The College is very grateful to the providers of raffle prizes for their generosity. Where possible it would certainly be appreciated if our school community could support these businesses.

I look forward to a very successful car raffle result, which can be easily achieved if ALL families work together to sell their book of raffle tickets and assist with the selling roster.

The Roster for selling tickets for the next four weeks is on page nine.

The draw for the Early Bird Book Sellers Prize will take place at 2pm on Thursday 27th October at the assembly in the Stadium. This is for people who sell their whole book of tickets and return them to the College by Monday 24th October.

iPads@MRC Parent Information Night
In the next couple of days, all 2012 Year 7 and 9 students and parents will receive an invitation to attend a parent information night on the introduction of iPads at Mercy over the next two years.

The night will be held in the de Chantal Stadium starting at 7.00 pm. Speakers on the night will address all aspects of the program including the learning and teaching priorities underlying the program, infrastructure aspects, security, finance and the timeline for the rollout to students next year.

We will also have a number of specialists on hand from Apple who will speak and be available to answer questions.

Yours in Mercy,

Dr Darren Egberts

France and the Battlefields Trip Report

Mr. Lachie Lee

Mercy Regional College trip to France, Britain and the battlefields of the First World War departed Australia on the 16th September and returned on the 28th September. The touring party of 32, made up of 12 adults and 20 students, spent three nights in Paris, two nights in Amiens, three nights in Ypres in Belgium and three nights in London. It was a relatively short visit but our itinerary was jam-packed and all have come away from the journey with a taste of Europe and a desire to return in the future.

Our first few days were in Paris, one of the great cities of the world—certainly one of my favourite places—and we used our time there to really experience this beautiful city and its culture. We visited the Louvre where we saw the Mona Lisa, the Venus de Milo and the Winged Victory along with other famous works; we visited Louis XIV’s magnificent Palace of Versailles which has been such a centre of French history and culture over the last 250 years; and we took lifts to the top of the Eiffel Tower which afforded us wonderful views of the city stretching out into the French countryside. Part of the adventure for our party was moving around the city on the Paris Metro underground rail system. This was a relatively simple and easy way to travel, although it had its challenges, especially in peak hour!

Part of the central focus of our tour was to visit the battlefields of the Western Front where the Australians fought in the First World War. We spent two days in Amiens the central city of the Somme battlefields of 1916-1918. Here we heard the stories of the Australians’ exploits at places such as Le Hamel and Pozieres and we also visited sites such as the Australian memorial at Villers-Bretonneux. As a reminder that Australia’s role in the First World War was part of a much greater effort we also visited sites of the first day of the Battle of the Somme at Lochnager crater and at Beaumont Hamel. On this day the British Army lost 60,000 casualties of whom 20,000 were killed; the worst day in British military history.

We visited Fromelles where recent excavations have uncovered the bodies of 250 Australians who had previously been designated as having no known grave. We were met here by Pierre Sellier, a friend of Tim Whitford—who is a part of the team which discovered the men and who, with his colleague Carole, showed us around the new cemetery and the local museum. In Ypres we also visited the sites of the Australians in involvement here in 1917 including Hill 60 which featured in a recent film and Tyne Cot cemetery where two Australian winners of the Victoria Cross are buried. We also visited Polygon Wood the site of a successful but costly battle with the Australians in 1917.

In Ypres we attended the Last Post ceremony which has occurred every evening for nearly 80 years. At this ceremony we laid a wreath on behalf of the school and Paige Gibson sang the Australian national anthem. This ceremony has a formal part which is always constant, but before and after the ceremony visitors can with permission perform in some way which is appropriate to the occasion. Paige sang beautifully in front of about 500 people and she made us feel the emotion of the moment. We were very proud of her and of all our students in their role in the wreath laying. There was an element of the pilgrimage in our journey; we went to Heath cemetery where we visited the grave of Jack Harney, Clare Jehu’s great uncle who was killed in 1918; we visited Nine Elms cemetery in Belgium to lay a New Zealand flag on behalf of Lyn Davies’ at the grave of her great uncle James Cunningham and at Villers Bretonneux Darcy Green, Paige Gibson and Rachael Gibson spoke about their great-great uncle Henry Green killed at Bullecourt in 1917. Paddy Kenna also spoke at Bullecourt about Duncan McKellar from Ellerslie killed there in 1917.

Our last three days were in London and we made the most of our time there visiting all the sites and having a day trip to Bath and Stonehenge. We spent two hours at the Tower of London and saw the history of this ancient place as well as the Crown Jewels. The final night was a highlight with a medieval dinner with entertainment on a medieval theme. The journey home is a long flight these days but twenty-four hours in the air is nothing compared to the weeks by ship that our forebears had to endure especially those who had to face the uncertainties and risks of war. For us however the trip will stay with us as a great experience. A couple of photos below, but will have many more photos in the next newsletter.
Wellbeing Report  
Mr. Kerin Glennen

Last week was Mental Health Week and it is a time to take stock on how you are travelling with your own life. It is a good time to reflect on how your Mental Health is. If you have a broken leg or stitches then it is easy to see that you were struggling to get around and need support. The same can be said for those who suffer a mental illness they need our support and encouragement so that they to recover from their illness. Mental health is not just the absence of mental illness but a positive sense of wellbeing. It’s the ability to cope with life’s problems and to engage with other people and the environment in a satisfying way.

One in five Australians will experience a mental illness or serious mood disorder during their lives. All of us are affected by the cost....emotionally, socially and financially. Just like your physical health, there are some simple things you can do to increase your mental health.

Connect with others: Develop and maintain strong relationships with those around you. Putting time and effort into building strong relationships does bring great rewards.

Take time to enjoy: Set aside time for activities, hobbies or a project you wish to do. Do the crossword go for a walk paint draw do something that takes your fancy.

Participate and share interests: Being part of a group of people with a common interest provides a sense of belonging and is good for your mental health.

Contribute to your community: Volunteer your time for a cause or issues that you care about.

Take care of yourself: Be active and eat well.....these help maintain a healthy body. Physical and mental health are closely linked, it’s easier to feel good about life if your body feels good.

Challenge yourself: Learn a new skill or take up a challenge, push yourself and do something different ..run that marathon..finish of the family tree..do something.

Deal with stress: Be aware of the triggers your stress and how you react. It becomes a problem when it makes you feel uncomfortable or distressed. A balanced life style can help you manage stress better.

Rest and refresh: Get plenty of sleep, go to bed at a regular time (where possible) sleep both restores your mind and body.

Notice the here and now: Take a moment to notice each of your senses each day. Take the time to look at the view, smell the roses or just let the sun warm you.

Ask for help: If you are worried about yourself and how you are feeling down or your temper is short then talk to someone about it. Catch up with a mate or even see your GP. Everyone’s life is a journey with some bumpy bits and those around you can help you..you are not in this by yourself. Talk to someone.

Mental Health is everyone’s concern lets help each other.

Street Retreat Holiday Style

During the first week of the September school holidays, 8 students from year 11 ventured to Melbourne to join the Wednesday night Vinnies soup van crew. After an extraordinarily long journey to Melbourne in the thunder and lightning, we finally arrived at our destination in North Melbourne and the students were put to work immediately filling the vans with hot food, making sandwiches and filling thermoses with a thick and hearty vegie soup.

Glad in garbage bags and coats to keep out the rain, the eight students experienced different aspects of a wet Melbourne night and some of the discomfort that those who are disadvantaged feel on a very regular basis. We ventured into boarding houses and stopped in some of the regular places where those who need an extra hand can receive it from the caring and committed Vinnies volunteers. The volunteers whom we supported throughout the night ranged in age from young uni students to retirees and they appreciated the support despite the inclement weather.

Going into boarding houses to offer hot food, soup and sandwiches was not always a comfortable experience and certainly as we reflected on our service for the evening, the students were surprised at what they had seen and challenged by the changing face of homeless, including those suffering from addictions and social difficulties. Each of the four groups experienced something different when they arrived in Melbourne and yet they all seemed to reflect very positively on the trip and what they were called upon to do.

All in all 38 of our year 11 students have had the opportunity to attend the street retreats in Melbourne this year. There were others who also showed a keen interest, however, were unable to come due to other circumstances.

I would like to thank all the students who took up the opportunity to go to Melbourne for their commitment, exemplary behaviour, their respect for those whom they met and sense of fun when it was needed. It was a privilege to go along and share this very rich and inspiring ministry with you.

Thanks must also go to Brother Peter (Doug) Walsh, Russell Smith and Denucia for their enthusiasm and guidance throughout the year and finally to those who supported the experience; drove the bus, and gave of their time to make this “optional” retreat experience a success. Fr Matthew, Mr. Kerin Glennen, Mrs. Leesa Henriksen, Mr. Gerard Gleeson.

Our hope is to make this a permanent fixture in the lives of all our year 11 students and to possibly attend as a complete homeroom. I have also had requests to plan both staff and parent street retreats in the future.

Momentum is building!

A photo below taken on the night was unfortunately a bit on the dark side.

Note for students & parents re Yr 12 car use

A reminder to parents and students in Year 12, if you are thinking of driving to school this year you must have your car registered with the school forms available at Ms Davies office, you are only allowed to drive siblings to and from school and any inappropriate behaviour with driving will be reported to the police. You must park in designated car parks.

Letters were posted to parents this week with information regarding preparation for Final Exams, the Final Day for Year 12’s and Graduation Day. Please ensure that you read all the information to familiarize yourself with all the up-coming timelines for each of these events.

Exam Timetable

Exam timetables were not included with the letter as stated but they can be accessed through the VCAA website just copy and paste the link below into your browser then click on End-of-year WRITTEN Examination Timetable

Graduation Dinner

In the letter it stated that the ticket prices were $28 each for both parents and students; please note that the cost of tickets for students is only $20.
Sports Reports
Mr. Darren Cheeseman

SRC Football Tipping Competition
Prior to the school holidays the Student Representative Council ran a tipping competition where participants were required to guess the Premiership team, the Runner-up, the margin in the Grand Final and also the Brownlow medalist. This was done prior to the start of the finals and appears to be a very difficult task. The winner was Ben Johnstone and he obviously didn’t think it was difficult. He was able to correctly tip Geelong, Collingwood and Dane Swan. His margin was 28 points which was only 10 points of the final margin of 38 points. Well done to Ben and he will receive his iPod shuffle very soon.

Victorian School Sport Tennis
On Wednesday the 19th MRC took four teams to participate in the Victorian School Sport Tennis Competition at Warrnambool.

The Year 7 girl’s team consisted if Lily Lourey, Jess Quick, Jacqui Arundell and Grace Veenstra. The Year 7 boy’s teams included Daniel Kenna, Jack Wilson, Paddy Bourke and Mitchell Carlin and were able to make the final but unfortunately were not able to beat Trinity College, Colac. The Year 8 boy’s team made up of Mac Carlin, Sam Henderson, Nathan Moran and Will Moloney participated against seven other teams. This team was up against strong opposition and finished third in Pool B. The year 8 girl’s team which included Olivia Giblin, Elle Price, Georgi Cook and Maggie Lee participated against Portland and Warrnambool College in Pool A and were unable to reach the final.

All students participated well in the warm conditions and although no teams will progress to the next level it was fantastic experience to play against a number of high quality opponents. Well done to the 16 students involved.

National Inter-school Show Jumping
Belinda Greig competed in the National Inter-school competition in the last week of the October holidays. Each class had 24 competitors, the top four selected from qualifying competitions in each state. Belinda competed in the secondary (12 - 18 years) 90cm show jumping on her pony Radnor Fantastic (Tazz). The format was similar to the qualifiers in that each show jumping section was comprised of three classes, points being awarded for placing in each class to give the final championship placing for each section. Belinda achieved a 1st, 2nd and 3rd from her three classes and won the secondary 90cm show jumping National championship. This was a great achievement given the level of competition with Belinda being one of the youngest competitors in her section on one of the smallest horses. Belinda’s Victorian team won the secondary 90cm show jumping team championship and Victoria won the 2011 Inter school State title.

SCHOOL FEE ACCOUNTS

The end of the school year is rapidly approaching and the due date for fees has passed. Could all parents please finalise their payments by the end of October, unless you have communicated payment plans with the Business Manager.

There are a number of parents that have paid the fee amounts charged at the beginning of the year and still need to pay for any excursions, camps or retreats that have been added to the fee account during the year. Fee statements will be emailed to parents to verify any outstanding amounts.

Payment of outstanding amounts may be made by one of the following options:

- Cash / Cheque / Credit Card in person at the McAuley Campus office.
- Cheque / Credit Card notification by mail.
- Direct Credit into NAB account in person at a branch or via Internet Banking.

Dear Year 11 Parents,

**RE: 2011 GRADUATION DINNER**

The Year 12 Graduation Mass and Dinner will be on Friday 25th November.

As in past years we call on our Year 11 parents to help us out. We are looking for people to volunteer a couple of hours of their time on the night.

If you are available, please fill out the section below and return to the College office by Friday 11th November.

We will ring you the week before to confirm the time you have been scheduled to help out.

We promise that you will be spoilt next year.

Thanking you
MRC Year 12 Graduating students
