FROM THE PRINCIPAL

Our Vision
Mercy Regional College serves a wide rural community which values growth and diversity in Catholic Education in the Mercy tradition.

Our Mission
In the Spirit of the Gospels we commit ourselves to the core values of community, inclusiveness, learning, care, justice and mercy, excellence and achievement.

Our Focus for 2011
Through the Mercy tradition we seek to act with love, fairness, tolerance and compassion to all.

This week Victoria, and the Western District in particular, have grieved the tragic loss of six people in a horrific car accident near Penshurst. As has been widely reported, the five young people who were killed were old collegians of Emmanuel College, Warrnambool. More pointedly, two of the girls have many extended family members in our Mercy community.

In this newsletter, we stop to reflect and pray for all who have been touched by the tragedy of road trauma; we remember the staff, students and broader community of Emmanuel College, the Conheady, Mahoney and Wright families, and those in our local communities affected by the events of last weekend. Amidst the distress and solitude of the past few days, I have been touched by the simple words that are found on the front page of this week’s Emmanuel College newsletter:

Lord God,
We grieve over the loss of those so young
And we struggle to understand.
May they stand with the angels and saints
Who know your love.
Amen

iPads Parent Information Night
Last Monday 7th November around 200 parents, students and staff gathered in the de Chantal Stadium for an information session for prospective 2012 Year 7 and 9 students and parents on the introduction of iPads. The night was very well received with a genuine buzz obvious after the presentations by staff, school leaders and David Patrao from Apple Education Australia. It was pleasing to see staff from other HCSN schools and from Marian College, Ararat present and so complimentary of the direction the school is taking. Professional learning for staff continues to go well with more formalized plans for the end of this year and 2012 almost in place.

An article later in this newsletter outlines the excitement around the O’Keeffe Campus this week with the rollout of class sets of iPads for two weeks.

Year 12 Exams and Graduation
Our Year 11 and 12 students are currently completing their Unit 3 and 4 examinations under the auspices of VCAA. These exams comprise a very important part of students’ final study scores and I congratulate all students on their effective use of time during this time of revision.

Following their exams, all Year 12 students will come together on Friday 25th November to celebrate their completion of compulsory education at the Mercy Regional College Graduation Mass and Dinner. Mass is being celebrated at St Patrick’s, Camperdown starting at 6.00 pm and will be followed by dinner at the Camperdown Football/Netball Club Function Centre at 7.30 pm. It promises to be a special evening.

Year 7 - 11 Exams
Over the next three weeks, most students from Years 7 to 11 will sit end of year examinations in a range of subjects. I strongly encourage parents to ask your children how their revision for these exams is progressing. Given the importance of maintaining an open and integral examination progress, students are
strongly discouraged from undertaking exams at times other than those advertised in the year level timetables. Please contact Mrs. Lisa Pope if this poses a problem for your child.

Staff News
Following an extensive application and interview process, I would like to congratulate the following staff on being appointed to Positions of Leadership for the next three years. The College is fortunate to have such a rich group of continuing and aspirant leaders with thirteen of the appointments being staff new to the positions.

In other staff news, I congratulate Mr. Kerin Glennen and Mrs. Jenny Phillips on receiving sponsorship to undertake studies in Careers Counseling. Their work will be of significant benefit to students as they investigate post school pathways.

I would also like to welcome my wife, Mrs. Freya Egberts who has been appointed to teach VCE Dance in 2012. The introduction of dance to the College's curriculum is an exciting development for Performing Arts at Mercy and promises to provide some genuine opportunities for students with an interest or passion for dance.

Student Achievements
- Well done to Brooke White, Rachel Rais-Colvin and Eliza Whiting (10 C) and Mr. Paul Glynn who participated in the second Seeds of Justice student conference for 2011. The program focused particularly on issues affecting Australia's Indigenous population.
- Congratulations to Year 12 student Jac Domney on being awarded one of twelve nationally selected Defence Material Organisation’s scholarships for 2012 that will allow him to undertake undergraduate studies at ADFA.
- A group of Year 10 Outdoor Education students led by Mr. James Castles and Mrs. Rebecca McGrath had a very wet and stormy three days last week at Wilsons’ Promontory. An article is included later in this newsletter detailing their adventures.

PTFA Meeting
A reminder to parents that the final PTFA meeting for 2011, will be held on Monday 21st November @ 7.30pm at the O’Keeffe Campus, Noorat.

End of Year Thanksgiving Mass
An invitation is warmly extended to all in the Mercy community to join us at the College’s End of Year Thanksgiving Mass on Thursday 8th December at St Thomas’ Church, commencing at 7.00pm. At the conclusion of Mass there will be the presentations of awards and prizes followed by supper in the St Thomas’ Community Centre. We are asking parents of Year 7-9 students to bring a plate of supper to share. If you can help, please ring Betty Kenna on 5592 6297 or 0407 052 019.

Wellbeing Report
Mr. Kerin Glennen

Wellbeing tips for our students and exams / assignments. Presently several year levels at Mercy are preparing for exams and the completion of a number of study tasks. As much as we all study using different techniques there are some guidelines that can be followed that may assist a student.

Exam Tips:
- Eat a solid meal before and hydrate with water.
- Make certain you have a good night sleep, nine hours is ideal.
- Stay positive and calm and avoid being nervous.
- Remind yourself that it is only an exam and there are other important things happening in your life.
- Make certain that you follow all the rules of the exam, have the correct writing material etc.
- Use all of the time, recheck answers as well as spelling and punctuation.
- Give the exams your best shot and prepare well with a positive attitude.

Assignment Tips:
- Start early, this saves you from cramming it all in without being fully prepared.

- Make certain that you spend half an hour a day from when you receive the task.
- Read about the topic and make certain that you cover the topic that is being studied.
- Make sure to spend equal time on assignments so you are not rushing to complete your work.
- The internet is a good tool to help you, not a cut and paste tool to take the place of you actually reading and preparing your own assignment.

I hope some of these tips can help students in the upcoming weeks and beyond.

Annual Junior Oratory Competition
Report by: Leesa Henriksen

On Friday 4th November Mercy Regional College held its Annual Junior Oratory Competition at the O’Keeffe Campus. At the beginning of Term 4 students began preparing for the competition in their English class.

A range of topics were selected for students to choose from and some of them included: A dream is only a dream until you do something about it, Violent video games do promote violence, Too many people overvalue what they have and undervalue who they are, Caffeine – help or hindrance and Consequences of technology – does technology enhance community or isolate us from the real world?

Students researched information and set about preparing for their 4-minute speeches forming an opinion that they could present and prove. The art of public speaking was discussed and students were brought up to speed on Matter, Manner and Method.

After presenting in their English classes the best presenter from each homeroom was then picked to compete at the competition.

Our guest adjudicators on the day were Lisa Cavarsan - St Thomas’ Primary School Terang, Helen Kenna - Nexus Club Terang and Rick Robertson - Rotary Club of Camperdown.

Hannah Justin (7B) came first and Jacob Harris (7D) was runner up, both presenting on the same topic: Consequences of technology – does technology enhance community or isolate us from the real world?

Overall all students showed amazing public speaking talent.
From the Deputy Principal Teaching & Learning
Mrs. Lisa Pope

Parent Access Module (PAM)
Over the last couple of months we have had many parents trial the school’s intranet for parents, otherwise known as PAM. Access to PAM enables parents to obtain the following information about their child/children:

- Daily Messages of the school
- Calendar Dates of the school
- Your child's timetable
- Your child's attendance
- Your child's Homework and assessment dates
- Feedback from assessment
- End of semester reports (past and current)
- Student Handbooks and Student correspondence

Access to PAM is through the College website, under the newly labeled “Parent” tab. This is where parents can access Parent Teacher Interviews, Newsletters and iPad updates.

By clicking on the link to PAM you should be taken to the following Interface

If you would like access to PAM, please email Lisa Pope (office@mercy.vic.edu.au) to have your account and password created.
I was lucky enough this year to be a part of the Junior Debating Training and Competition program run by the Debaters Association of Victoria. We were allocated in the Geelong Region Draw, which was held at Sacred Heart College in Geelong.

The evenings were a mix of learning about debating and having a go at debating against other schools. The O’Keeffe Debating Team consisted of: Samuel Bailey, Kasey Zentai, Ebony Reynolds, Alex Cameron, Jasmine Adlam, Jacob Harris, Franklin Moon, Katie Martin, Thomas Leadbetter, Thomas Rockliff, Josh Rowan, Susie O’Brien and William O’Brien.

Our first night was the 25th of August and we went down to Geelong and were lucky enough to be shown around Sacred Heart College. Their facilities were amazing! This evening was a training night where the Debaters Association taught us the art of debating. We came up to speed on the ‘3Ms’ – Matter, Method and Manner.

Round 1 was on September the 8th and the topic was: “That there should be harsher punishments for school bullies”. Both our teams at O’Keeffe debated against Sacred Heart College. Team 1 was affirmative and Team 2 was negative. We were all nervous and excited about our first debate.

Our routine every second Thursday soon very quickly became a mini bus trip to Geelong with a stop at McDonald’s Waurn Ponds along the way! Our first debate was a success with a close loss by one point for both teams. The evening finished with a showcase of a high quality debate. We were off to a great start!

Round two was on October 13th and the topic was: “That everyone should be vegetarian”. Team 1 was the negative and debated against Geelong Grammar School and Team 2 was the affirmative and debated against Trinity College Colac. Again both teams lost by a very narrow margin! The evening finished with learning more about research and rebuttal.

Our final Round was on October 27th and the topic was: “That parks are more important than car parks”. Both teams were the negative and debated against the Geelong College (Prep School). We were lucky enough to come home with a win this time thanks to our wonderful girls’ team but also not forgetting our boys team who only lost again by 2 points!

We all would like say thanks to Mrs. Saunders, Mrs. Bourchier, Mrs. Henriksen and Mr. Glennen for supporting us and encouraging us to be excellent debaters. We also thank our wonderful bus drivers Mrs. Carpenter and Mr. Wynd.

Everyone loved the opportunity to work together and travel together. It was a great opportunity to go down to Geelong and debate against other schools very different to ours. I hope Mercy continues this wonderful tradition.
**iPad Report**  
*Report by: Elly Harris and Tom Grant 7A*

Yesterday was a very special day for 7A and 7B as we were all given an iPad each for a fortnight as part of a trial in readiness for next year’s rollout of the iPad program. We were told the Friday before we were getting them, so there was lots of excitement and buzzing on Monday morning here at Noorat!

After the long wait until Period 5, we finally received them. They came in special iPad boxes and we couldn’t wait to open them! It was like Christmas Day! Daniel and Mrs. Henriksen took us through the setting up process. We were very patient and were able to follow along with all the instructions. Most of us had Apple devices at home so we adapted really well. The server and wireless at school probably wondered what struck it but Daniel was very keen to get it all sorted so it worked properly for us.

We installed some Apps to help us with our assessment tasks and classroom work over the next few weeks. It is so exciting to think we can use our iPads in the classroom to help with our work but have fun at the same time! The Dictionary app is very handy and we are working on sideshows using Keynote.

Taking them home was a hit too and sharing with siblings and parents proved challenging! Everyone wanted a play. All our iPads came back charged and no one left theirs at home so Mrs. Henriksen was happy. The next two weeks will be a unique opportunity for us Yr 7s and we are already counting down until we are in Year 9 and can have one forever! Mrs. Henriksen is just as excited as us too!

**Super 8s Cricket**  
*Mr. James Castles*

Well done to all Yr 7 to 10 students who were chosen to represent Mercy Regional College in the Super 8s Cricket Competition. The games were played against other Warrnambool and District Schools at Mack & Walter Ovals, Warrnambool.

The highlight of the competition was seeing both our Senior boys and Junior boys teams winning all their games.

Both teams were very unlucky, missing out on grand final on percentage.
Careers Report
Mr. James Castles

Well done to Jac Domney!!
Jac was successful in gaining this scholarship for 2012.

Defence Material Organisation Scholarships for 2012—Engineering Undergraduate Scheme
1. The Defence Materiel Organisation (DMO) has developed a program to sponsor civilian undergraduates through an engineering degree offered by the University of New South Wales (UNSW) at the Australian Defence Force Academy (ADFA) campus in Canberra.
2. This exciting opportunity offers a unique education program including the opportunity to undertake a paid work placement in the DMO and to commence their engineering career with the DMO.
3. Scholarship holders will study alongside Australian Defence Force cadets at ADFA to achieve a four-year Bachelor Degree in Electrical or Mechanical Engineering. The degree will be delivered and awarded by the UNSW with classes commencing in February 2012.
4. There are 16 scholarships on offer, eight in each of Electrical and Mechanical Engineering disciplines.
5. The scholarship provides:
   a) full tuition;
   b) a bursary of $2000 per annum to cover text books and other study expenses;
   c) six to eight weeks paid work experience in the DMO annually; and
   d) an opportunity to apply for the Materiel Graduate Scheme on successful completion.

This will be the perfect opportunity for Jac to kick start his engineering career.

Green Corps
Green Corps is an Australian Government youth development and environmental training programme for young people aged between 17 and 20 years. Green Corps provides young people with the opportunity to volunteer their time and effort to conserve, preserve and restore Australia’s natural environment and cultural heritage.

Since the programme began, more than 15,000 young Australians have joined Green Corps projects across Australia; more than 13 million trees have been planted; 7000 kilometres of fencing has been built; and more than 5000 kilometres of walking track has been constructed or maintained. Most Green Corps projects are located in regional or rural areas but there are also opportunities in metropolitan areas.

Benefits of Green Corps
- As a Green Corps participant you will receive a Training Allowance of $300 per week. All projects run for 26 weeks.
- You will also receive a uniform, accredited training and fantastic work experience.
- The training includes:
  - Accredited training in a field related to the project activities (i.e. Conservation and Land Management; Horticulture or other related field)
  - On-the-project training designed to provide practical skills to complete project tasks
  - First aid training
  - Occupational health and safety training
  - Career counseling

Any Australian resident aged between 17 and 20 can apply to join Green Corps. You do not need to be unemployed or receiving income support to participate in Green Corps. For further information click the link. http://www.conservationvolunteers.com.au/green_corps.htm

Outdoor Ed Camp
Report by: Aaron Carlin

Last Wednesday a group of 17 Outdoor ED students & three teachers left for a three day hiking camp at Wilson’s promontory.

We left Camperdown at around 8.30am and with two short stops, one in Colac and then for lunch in Koo Wee Rup. When we got to the national park we stopped off at Darby bay for a swim and too muck around on the sand dunes and smooth rocky cliffs.

We travelled for another 20 minutes to find our campsite at Tidal River, after we had set up our tents a few of us went and played a game of soccer on the beach but that was short lived after it started to rain flat out and the campsite flooded. After we secured our tents and had dinner we went for a drive in the bus around the park and just soaked up the amazing views.

On Day two we had a sleep in and left for our hike around 10 o’clock. We were supposed to do a flat track hike but it was closed due to floods so we ended up doing one that winds around & up and down mountains for 20kms, soaking up the breathe taking views and amazing wildlife, and it would be fair to say that by the end of it everyone was well and truly exhausted. That afternoon we headed down to the beach and just played around in the river and played a game of cricket on the beach. That night the wombats were out on the prowl eating tents & they bit a hole through the tent where all the food was and ate just about everything.

The next morning we had another sleep in and we left Wilson’s promontory around 10 o’clock and then began the six hour journey home.

It was a challenging camp but everyone pulled through and had a great time with as little fuss as possible.
