

MERCY REGIONAL COLLEGE NEWSLETTER

ISSUE 4-1

Friday, 18th October, 2013

FROM THE PRINCIPAL

Our Vision

Mercy Regional College serves a wide rural community which values growth and diversity in Catholic Education in the Mercy tradition.

Our Mission

In the Spirit of the Gospels we commit ourselves to the core values of community, inclusiveness, learning, care, justice and mercy, excellence and achievement.

Our Focus for 2013

Through the Mercy tradition we support, acknowledge and strive for personal excellence and achievement.

This week, all Mercy Regional College students and staff plus a number of parents and friends came together in the de Chantal Stadium to celebrate the investiture of the 2014 Mercy Year 12 student leaders. This important and symbolic occasion culminated in next year's College Captains, Laura Justin and Tom Cheslett (pictured below on the left) reciting the following pledge on behalf of the leaders as a group. I offer it as our prayer:

*As the group who have been elected by our peers (and staff) to play a leadership role in the school,
We pledge our support to the students,
Staff and the wider community of Mercy Regional College.*

We promise to do our best to uphold the ideals of the school.

We undertake to carry out our responsibility and the leadership responsibilities entrusted to us.

We believe that through a spirit of cooperation, each person can realize their true potential and come to know what it is that is truly important in life.

We ask for your support and for God's help, through the power of the Holy Spirit, to carry out faithfully what we have promised this day.

Mercy Regional College 40th Anniversary Celebrations

As this is the first newsletter of term, I again wish to highlight the major celebrations planned for the weekend of 16th and 17th November to recognize the 40th anniversary of Mercy Regional College. Much work is underway to make the three key events across the weekend as successful as possible and I encourage all current members of the Mercy community to note the dates in your diaries so that you are able to join us for all or part of the celebrations. I also ask community members to mention the celebrations to any friends or past members of the Mercy Regional College / Catholic Regional College communities as the weekend provides a wonderful opportunity for old Collegians to return to the school, tour the buildings and catch up with old friends and schoolmates.

A special invitation for community members who wish to join us at the special 40th anniversary dinner to be held on the Saturday evening. This dinner will be held at the 5 Star Function Centre in Camperdown with a three course meal and music starting at 7:30pm, our guest speaker will be Professor Michael Ryan (Mercy class of 1982 and dux of the College in 1987) as well as short talks from a number of other past students and staff. Tickets are \$50 per head and can be ordered through the College.

This weekend sees the 1973 foundation classes coming together to celebrate 40 years since they arrived at Catholic Regional College – we wish them all the best for the weekend's celebrations.

2014 Presentation Ball

Last week, I wrote to the families of all 2014 Year 11 students outlining the ticketing arrangements for next year's Presentation Ball. The 2014 Ball is significant as it includes, for the first time, the increased student numbers resulting from four homeroom classes and required the Presentation Ball committee to review arrangements so that up to 100 students per year level could be accommodated.

This review concluded that the most appropriate result was to continue to run the Mercy Presentation Ball at Glenormiston College on a single night (next year, it will Friday 28th March) but families will be eligible for five tickets per student in the Ball. Some extra tickets will be available for large families or in special circumstances.

The Presentation Ball committee plans to hold an information evening for parents and students next month.

End of formal classes for Year 12 students

Next Wednesday heralds the final day for the 2013 Year 12 group and will be marked by our annual celebration of Mercy's Got Talent and the Year 12 students' final assembly and performance. I look forward to both of these special events and the affirmation they provide of the wonderful things offered here at Mercy.

We also look forward to the Year 12 as a group maintaining a mature and effective focus on their classes and studies until Wednesday and then bringing this maturity and respect to Wednesday's celebrations.

Staff news

Congratulations to a number of Mercy staff on significant developments in their family circumstances:

- To Darren and Leah Cheeseman and their boys on the arrival of Theo Lindsay last Friday 11th October;
- To James and Chelsea Castles and their children on the arrival of Margot Lorna on Thursday;
- Mrs. Sarah Gellie will be taking 12 months leave from Mercy in 2014 with the appointment of her husband, James as the new coach of the Noosa AFL side;
- Mrs Kym Penry will be taking extended leave from August 2014 as she and her children join her husband, John in the United States where he is undertaking doctoral studies.

Student Activities

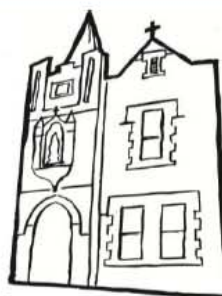

A large number of activities involving many students have occurred in recent weeks:

- The second Battlefields tour returned in the holidays after a most successful ten days in France, Belgium and the UK. Congratulations to all staff, students and other members of the College community who were involved and especially to Mr Lachie Lee for his leadership and knowledge in this area.
- As mentioned above, most VCE students are starting the serious build up towards VCAA exams with an important part of this preparation were the October trial exams that students completed in the last two weeks. Thanks to Mrs Jenny Phillips and the other senior staff who organised this program.
- Students at Year 8 & 9 have undertaken camps in the last week with Year 8 students travelling to Anglesea and Year 9 students based in Melbourne for three days.
- Well done to the Year 9 – 11 Dance students who performed as part of last week's Mercy Dance evening in the Stadium. Special congratulations to the Unit 3-4 students who followed this performance with their VCAA Dance Performance exams last Friday.
- Congratulations to all students who participated in last Monday's GW District Athletics in Ballarat and the SW region's clay target competition in Warrnambool. Despite poor weather conditions, both teams acquitted themselves well.
- Congratulations to all students, staff and parents who were involved in the two events that culminated this year's Mercy Running Club: the Lake-to-Lake Fun Run on October 4th and the Melbourne Marathon Festival this weekend.

Yours in Mercy,

DR. DARREN EGBERTS

Battlefields Tour 2013

Mr. Lachie Lee

The Battlefields Tour party of 20 students and 9 adults left Melbourne on 13th September. We began our tour with three nights in Paris and while in that wonderful city we visited the Palace of Versailles, climbed the Eiffel Tower, saw the Mona Lisa and the Venus de Milo at the Louvre and marvelled at this fantastic city. We were all impressed with Paris and we made sure that we had some souvenirs to take away as reminders of our visit. One highlight of our visit to Versailles was to visit an exhibition of paintings in a separate part of the complex which featured dramatic events in the reign of Napoleon Bonaparte.

After leaving Paris we travelled to Amiens which is a major city in northern France and which was central to the Australian experience in France in the First World War. On our way we visited the Second Australian Division Memorial at Mont St Quentin the site of that division's attack in September 1918. This attack was very successful but is often forgotten in Australia today. Here we also began our little pilgrimages with a visit to Ascension Wood near Peronne where Tania Bruckner spoke about her grandfather, Doug Blackburn, who won a Military Medal here in 1918.

We visited Villers Bretonneux the site of the Australian War memorial in France. At this place the Australians conducted a brilliant attack in April 1918 which helped to turn the Germans back after their great attack which attempted to take Amiens and win the war in a great concerted offensive in March and April. Villers Bretonneux is the central site of Australian commemoration in France and as such we are always welcomed by the citizens of this little community. We also visited the Victoria School in the town. At the memorial several of our students looked up the soldier that they had studied and at the Adelaide Cemetery we visited the grave of the Unknown Soldier from which his body was disinterred and taken to Australia for reburial in the War Memorial in Canberra.

While on the Somme battlefields we included visits to the sites of the First Day of the Somme, 1st July 1916, and visits to Pozieres, Pozieres Windmill and Mouquet Farm which were central to Australia's great part in the Battle of the Somme. Australia had about 23,000 casualties here in a six or seven week period in 1916. We were quite astonished to see other reminders of the war. At Mont St Quentin we saw the remains of a shell-the fuse- still embedded in an old brick wall and at Serre, one of the sites of the 1st July 1916, we saw three unexploded shells left in the corner of a field where the farmer had left them after discovering them during ploughing. Also at Serre, our guide Mike Peters, helped us to imagine the horrors of battle as we stood in the remains of the trenches held by the Accrington Pals battalion on 1st July 1916.

Later, we visited AIF Burial Ground, at Flers and Georgia Buchholz led us through the story of Major George Nicholas, her ancestor who was killed on the 14th November 1916. He won the DSO for his actions at Pozieres when he attacked an enemy machine gun. He was only 29 years old. He is an example of the dreadful loss to Australia's future that was a result of the war.

Our next destination was Ypres in Belgium. On the way we visited Guards Cemetery at Ginchy. At Ginchy we also visited the grave of Edward Sadler who was killed in January 1917 aged 23. His brother was also killed in 1917, leaving an indelible stain on the life of the family in Kolora. The Sadler are the ancestors of many in our school. Haley Turner spoke of her ancestor, Ralph Turner of 5th Australian Pioneer Battalion who was killed on 9th March 1917. We travelled via Bullecourt and Fromelles to Ypres. This place was the site of three great offensives in the First World War. The Third Battle of Ypres or Passchendaele was fought here in 1917 and all the Australian Divisions were involved at one point or another. Here we visited Nine Elms Cemetery where Emma Lucas spoke about her ancestor John Lacey Justin. She is the first of her family to have visited the grave and he experience was full of emotion for all of us. Tom Grant spoke of his great-great grandfather who served at Hill 60 as a tunneller. He was gassed, lost a lung and died at the age of 103 and is buried in Woorndoo; a great story. Kate Kenna spoke about John McKellar who is buried at the beautiful Bedford House Cemetery near Ypres.

We attended the Last Post Ceremony at the Menin Gate and laid a wreath on behalf of our school. The Year 11 students in our group lay the wreath at the appropriate time and Jennifer Rowan from Year 11 was asked to sing Advance Australia Fair. As she sang unaccompanied, a gentle murmuring of the song passed around the gate area. A most emotional moment for all who were there. We visited Bruges in Belgium and then to London for three nights where we also visited Windsor and Oxford. In the following weeks' newsletters we will have student contributions about the trip. For me it was a wonderful and uplifting experience which showed the strength of interest that still exists in the Great War for our young people.

Middle School News

Mr. Ben Brisbane

Middle school like all parts of Mercy Regional College has been a very busy place over the last few weeks. Students have been eagerly juggling sporting finals, assessment tasks, camps and upcoming preparation for exams. This will not change for another month, but we are all looking forward to a little break over Melbourne Cup weekend.

Students in Year 9 and 10 have all made the transition from winter uniform to summer uniform very well. There are still a few cases of students not wearing the correct footwear and other little items but they can be easily rectified. We are still officially waiting for summer to arrive so I suggest that students dress appropriately until that occurs. In preparation for summer and from now onwards students must wear their school hat when out in the sun. Hats are currently available from the uniform shop and it will be an expectation that they have this to play outside. Our policy is built around a concern for our students in the future in relation to skin cancer and melanoma.

The annual Year 9 camp to Melbourne was held last week and was a very enjoyable experience for staff and students. A number of activities were undertaken and as I have done so in person I would like to thank all the Year 9 students for bringing the right attitudes to make the camp the success it was. Other than some inclement weather on Thursday and some students miss-judging some meeting times all went well and all came home safely. I hope your child bought something home from the Queen Victoria Market. *(Below is a report from some of the students on how the camp panned out).*

The upcoming weeks are going to be busy. There will be some anxious students around. Hopefully we can prepare them well and that we all finish the school year off on a positive. Good luck to the following recipients of the Middle School Term awards so far this year. The Term 3 recipients will be announced next week and a winner of the Middle School Award from each year level will be presented at our last assembly of the year.

These are the students so far:

Year 10

- Jonathan Benallack
- Georgia Buchholz
- Tyler Mungean
- Grace Lucas

Year 9

- Jacoba Mungean
- Alistar Huth
- Meg Lenehan
- William O'Brien

Also, well done to Sebastian Hulme who received the Junior Sportstar of the Month Award from the Corangamite Sportsmen's Club for his efforts in the sport of Soccer.

Good luck to all in the concluding weeks and looking forward to a successful finish and the fast approaching festive season.

Year 9 Camp Student Report

By: James Halloran, Lachie Spicer and Jack Atkins

On Wednesday morning all the Year 9 students headed to Melbourne for the Year 9 Melbourne Camp.

When we got there we visited the old Melbourne Gaol. We had our packed lunch and couple of minutes free time before splitting into groups to start our tour. The groups saw where Ned Kelly was hung and the court rooms where his trial was held, all the students enjoyed this experience. We then went to our accommodation at Urban Central which was in South Melbourne. After having a rest we walked to Southbank and went to the

Blue Train restaurant for tea where we had pizza and soft drink. After dinner we set off for MSAC (Melbourne Aquatic Centre) pool where we split up into three groups and did different activities. One group was on a big inflatable obstacle course, the second was in the wave pool and the third was on the waterside. We spent about three hours at the pool which was great fun, then headed back to our accommodation for the night.

The next day after breakfast we went to the MCG for a full guided tour of the grounds and the sports museum. We walked down to the Yarra River and boarded a boat cruise which showed us through the docks and the city returning to Federation Square for lunch. The teachers met us at the Melbourne Museum at 2:50pm where we walked for a while looking at all the different exhibits. We visited the Academy of Mary Immaculate where a lady talked to us about the history of the school. We had dinner in Lygon Street that night and then went to Medibank Icehouse where we spent about 3 hours ice skating, all the students had a great time, we thought it was the funniest part of the camp.

The next day we packed our bags, loaded them onto the bus and went to the Queen Victoria Market where we had two hours free time before taking the long journey back to the quiet town of Camperdown. Overall the camp was very enjoyable and was a great experience.

2014 Induction of School Leaders

Mr. Luke Bouchier

On Tuesday, the whole school gathered in the stadium to thank and recognise the student leaders from 2013, and to pass the baton of leadership to those elected for 2014. In a formal ceremony, leaders from 2013 passed the light of leadership from the Mercy candle to individual candles for each of the leaders for 2014. The light represented the love and enthusiasm these students have for the school.

Leadership is a challenging job at times, but very rewarding. I would like to personally congratulate our school leaders for this year on all they have achieved, which is not always grand events (such as the Lake 2 Lake Fun Run) but more often behind-the-scenes work to keep their peers focused, and to welcome the incoming leaders for the year to come. I am excited to see what this new group of capable students can achieve.

I would encourage all students to consider leadership in the future as a great way to develop teamwork and initiative.

Father Matthew blessing the 2014 Student Leaders.

2013 Captains Louis Hickey and Genevieve Lee (on the right) passing the candles to the 2014 College Captains Laura Justin and Tom Cheslett.

2013 Student Leaders

VCE DANCE

Freya Egberts - Teacher of Dance

Thank you to all who attended the VCE Dance Evening on Monday 7th October. The night was a great success and proved to be wonderful preparation for the four Unit 4 students (pictured below) who underwent the VCE Dance Performance Exam in Melbourne on Friday. My appreciation goes to all who were involved in the set-up as the stadium looked amazing.

Thanks also to Unit 2 students Victoria Conroy, Martinique McKenzie, Kia Rethus and Isabelle Corneby who worked the music in the performance and in exam room for these students, and to Mrs. Sue Johnson for also attending the overnight excursion.

With our vehicle acquiring a flat tyre and having to be towed, Sue's amazing help and support over the two days was more than normally asked of a parent helper.

Pictured Left to right: Bethany O'Sullivan, Leah Veenstra, Lucy Johnson and Lydia Conheady

Well done, Ladies.

SpinChat Guest Speaker

Mrs. Fiona Sargeant

Year 7 students were visited by Josh Hose, representing the SpinChat program. This organisation aims to encourage students to consider the possible consequences of risk-taking behaviours in order to reduce the incidence of new spinal cord injuries.

Josh is also a member of our greater Mercy family, having been a past student. His good humour and straight forward approach struck a chord with the students. They were thoroughly engaged in his presentation and many students waited patiently to hold Josh's gold medal.

Class Report 7A

On Friday 11th October Josh Hose came to speak to the Year 7 students at the O'Keefe campus in Noorat.

He spoke to the students about his life journey to becoming a Para-Olympian. We heard about his horrific car accident that caused him to have a C6 and C7 spinal injury. He was put into an induced coma for three weeks, followed by several months of ongoing rehabilitation.

For the last four years Josh has been busy training and competing for Australia in Wheelchair Rugby. One of his proudest moments was receiving the gold medal in front of his family and friends in London in 2012. He is currently training for the world championships in Denmark in 2014.

Careers Information

Mrs. Jenny Phillips

Scholarship Opportunities for Year 12 Students

The Francis Gregory Scholarships

The Francis Gregory Foundation provides scholarships of \$ 6000 per year, for the duration of an undergraduate degree, to a student undertaking University study. The student must currently be in Year 12 and be from a farming family, whose main income is derived from primary production.

For further information, including eligibility criteria and application forms, please email:

info@francisgregory.org.au or phone: (03) 5625 4177, or see Mrs. Phillips.

Bendigo and Adelaide Bank Scholarships

Are available to regional and rural students to assist them with study related expenses in the first years of tertiary education. Applications for these scholarships open on 2nd December, with eligibility criteria and further information available from

www.bendigoadelaide.com.au/scholarships.

C.A.S. Hawker Scholarship

Perpetuates the memory of scholar, soldier and pastoralist Charles Allan Seymour and commemorates his achievements. All Australian students are eligible to apply for these scholarships. Applications open Monday 9th December and close on Friday 3rd January. Information about the scholarships and the application forms are available at

www.hawkerscholarship.org

Federation University Australia Scholarships (Formally University of Ballarat)

There are twenty Scholarships to be awarded each year, each valued at \$2,000.00, which are open to Year 12 students at invited schools in the Central Highlands, Wimmera, Loddon, Barwon, Mallee, Western District, and Gippsland Regions, as defined by Federation University Australia. Students wishing to nominate themselves for a FedUni scholarship must obtain the Student Nomination & Application form from Mrs. Phillips and submit this to Dr. Egberts. As part of their nomination, students are required to outline in 400 words, or less their attributes in the areas of:

- Contribution to their school; and
- Contribution to their community.

The nomination and application forms will need to be submitted to Dr. Egberts by this coming Monday 21st October as the timeline for this process is very short. The Principal can only endorse the application of one student from their school.

Chemistry Quiz Results 2013

Mrs. Jenny Phillips

Each year all students studying VCE Chemistry participate in the National Chemistry Quiz, which is held in late July. The Science Faculty also offers this opportunity to the Year 9 & 10 students who have achieved the highest marks in the mid-year Science Exam and taken part in the National Science Competition. The Quiz gives these students the opportunity to compete against other students throughout Australia in the same year level and is also another opportunity for them to sit an externally set exam. Congratulations to all the students who availed themselves of this opportunity and participated in the Quiz. Well done everyone.

Year 12 – Rachael Gibson, Daniel Leversha

Year 7 & 8 Cricket Report

Mr. Matt Harkin

On Wednesday a group of eager and excited Year 7s and 8s headed to Warrnambool for a day of cricket. Students represented the college very well, displaying a great amount of skill and sportsmanship. On the day we had some mixed results.

The Year 7 boys and Year 8 girls lead marvellously by Joe Kingston and Emily Field tried really hard all day. Unfortunately not all the results went their way but they had fun participating. Although the Year 7 girls, guided by Lachie Waters, didn't win a game, they still managed to make the final due to being one of only two teams in the competition. They remained true to form in the final and were unfortunately defeated, ensuring they remained consistent for the day. Story of the day goes to the Year 8 boys who not only won the final, but did so in impressive style. After finishing a tie in the final, it all came down to a 'bowl off' to determine the winner. They Mercy boys managed to hold their nerve and defeat Warrnambool College, much to their delight.

This now means the boys will compete in the state championships in November! A great effort considering the tough opposition on the day.

Melbourne Marathon

Report: Annie Moloney Olivia Hickey & Jasmine Hickey

Earlier this week a group of 60 students and staff members travelled to Melbourne to complete the Melbourne Marathon. Preparation for the Melbourne marathon occurred every Wednesday in the running club of the school term. We travelled to Melbourne at 12 o'clock on Saturday to stay with one of our major sponsors Amora hotel. With the help of our other sponsors we were able to go out for dinner, go to the movies and stay the night in Melbourne (which we greatly appreciated). This enabled us as a group to celebrate a great year of the Mercy Running Club. With the majority of us running in the 10 km event it was an early start to the day, with the event commencing at 7:30am. Others ran in the 5.7km race at 11am which was cut short due to flooding in the Melbourne CBD.

Elle Price, Willy Keough and Joe Kingston completed the half marathon starting at 8:00am and finishing under 2 hours, they were extremely happy with their times as well the group. With 33,000 participants completing the Melbourne marathon we were very impressed and proud of everyone's efforts. We could never have had this great experience without the organisation and commitment from Berni Sinnott and Jimma Castles, and the weekly help from Mel Kavanagh, Emily Field, Paul Kingston, Leesa Thornton and Claire O'Connor. Thank you to everyone.

Sports Report

Stacey Hillman

On Monday we had 30+ students brave the wintery conditions in Ballarat to participate in the Greater Western Zone Athletics held at Llanberris Reserve. All students should be very proud of their achievements on the day and our abilities were clearly shown with some outstanding results. The following students placed in the top 3 in their events and received medals on the day. Claudia Lee and Lachie Bone will now progress onto the State Finals to be held at Albert Park

Complex on Tuesday October 22nd. Well done to everyone and best of luck Claudia and Lachie.

List of placegetters

Courtney Stevens: 3rd shot put
Lachie Bone: 1st javelin
Libby Moloney: 3rd high jump
Scott Carlin: 3rd discus
Ben Saunders: 3rd 800m
Courtney Stevens 2nd discus
Dom Cunningham: 3rd javelin
Lachie Bone: 3rd long jump
Zac Green: 2nd long jump
Sean Darcy: 3rd shot put
Claudia Lee: 2nd 1500m
Under 15 Boyd relay: 3rd

The term is quickly filling up. Over the next few weeks we will have lots of students out competing in events for the College.

We had 32 students participate in the Super 8's cricket for 7 & 8s on Wednesday.

The Shooting team are travelling around the state competing over the coming weeks.

A basketball and tennis tournament for 7 & 8s is coming up in week 4.

Joe Kingston and Nick Krybolder will be cycling at the State event on 25th October.

Years 9 & 10 get to show their cricket abilities on 31st October

A group of students will be competing in the Inter-school Motor Cross tournament in Allansford on 1st November, and the Junior Table Tennis team will compete on 11th November.

Wishing all of those students competing in these events the best of luck.

English Competition

Mrs. Kym Penry

Many students from Years 7-11 recently received their results for the University of New South Wales English Competition. This is an annual competition which tests students on literacy, vocabulary and grammar, providing individual scores which can be compared more widely to year level averages. 183 students participated, yielding some very pleasing results including 1 High Distinction, 7 Distinction Certificates and 30 Credit Certificates.

Special mention should go to Brodie Hill (HD), Joseph Arundell, Olivia Reed, Ebony Reynolds, Josh Rowan, Sebastian Conheady, Tara Suri and Luke Lenehan (D). Congratulations!

Library News

Mrs. Maureen O'Loughlan – Library Manager

To celebrate the success of the 2013 Victorian Premier's Reading Challenge, an enrichment day has been planned for the participants on Friday 1st November. Reaching the grand total of **1,283** books was a fantastic achievement by the challengers and we congratulate them!

This week we welcome to Mercy - WORLD BOOK ONLINE! To access this wonderful new resource:

Go to MRC Home page

Select School

Select Library

Select World Book Online

Click on link

Username: mercy3260

Password: library

Students may then use the World Book that is most suited to their needs. Access is also available from home. Please take some time to explore - there will be something for everyone!

The library has been abuzz with Year 12 students busily completing units of study and many practice exams. Staff willingly assist both during school and after, and with exams only a matter of weeks away, there is an air of urgency. I wish them well, both with exams and life after Year 12. Remember - the harder you work, the luckier you get!

I invite you to enjoy this book review completed by Brianna Gass, 7A. Thanks Brianna and well done!

Book Review

"The Last Thirteen by James Phelan"

This book is about a boy named Sam, who was kidnapped from school and taken hostage. Eva's dream came true and happened just as she had planned it. Does this mean that Sam's will too? With the help of the Academy, Sam can change the future for better or for worse – or can he? Will too many lives be lost along the way? Sam is one of the last thirteen and he has a battle on his hands.

This is the first book in a series of 13 books. I enjoyed reading this book because it was really hard to guess what would happen next and had many twists and turns. The conclusion was near impossible to predict and turned out completely different to what I was expecting. I can't wait for the next book!

SCHOOL FEE ACCOUNTS

Parents are reminded school fee accounts are now overdue:

Due date was

Friday, 20th September, 2013

This excludes those that are on a payment plan.

Payment is to be made by one of the following options:

► **Cash / Cheque / Credit Card in person at the McAuley Campus office.**

► **Cheque / Credit Card notification by mail.**

► **Direct Credit into NAB account in person at a branch or via Internet Banking.**

School Bank Account details are as follows:

**National Australia Bank
BSB number: 083-526
Account number: 528899931**

Thank you to all parents who have met the deadline already and to those who will after completing their payment plans.

**Mrs. Lynn Wadley
Business Manager**

Weekly Career News

TERM 4

15 October 2013

FOCUS ON SUMMER SCHOOLS

Campion College Summer Program: Campion College is Australia's only Liberal Arts College. They are running a week long summer program between 12 – 17 January 2014 designed to teach students going into years 11 and 12 study skills for school and university. You will also be able to undertake leadership training, explore your Catholic faith and sample undergraduate teaching in literature, history, philosophy and theology. For more information, go to <http://www.campion.edu.au/>

Computer science summer camp: Year 11 and 12 students who love computer science have the opportunity to attend the National Computer Science School (NCSS) 10-day intensive computer science summer camp. NCSS is about challenging students to think like computer scientists as they learn to program robots and develop social networking applications. Participants will also visit major companies and will live in University of Sydney student residences. The 2014 NCSS will run from 4–13 January. Applications are now open and are due by 1 November. Interested students can register at www.ncss.edu.au/summer_school/applications.html

Trinity Young Leaders Summer School: Trinity College at the University of Melbourne is running their annual intensive two-week residential program for talented students aged 14 – 17 years. Students will have the opportunity to

- Engage in interactive teaching
- Participate in excursions and group work
- Develop skills in critical and creative thinking, teamwork, public speaking, communication etc.
- Explore University of Melbourne courses

The program will run between 1 – 15 December. For more information and to register, go to www.trinity.unimelb.edu.au/young_leaders

FOCUS ON SUMMER SCHOOLS

MU Student Union VCE Summer School: The Student Union at the University of Melbourne are running their annual VCE Summer School between 6 – 17 January. This event provides an introduction to the VCE and assists students to develop practical and academic skills. You will be able to participate in VCE workshops and tutorials, and you will get to know other students from across Victoria. Rural and regional students will be able to access accommodation at the University. For details about the program, how to apply and about bursaries for financially disadvantaged students, please go to <http://union.unimelb.edu.au/summerschool/how-to-apply>

Discover Architecture at the University of Technology Sydney (UTS): An intensive 2-week program will be run for Year 11 students who are interested in exploring architecture at UTS between Monday 13 - Thursday 23 January 2014. The program will be structured around a diverse range of learning experiences that encompass design studio and computer lab based design exercises, seminars, lectures and field trips. Only 40 students can participate, so apply now! For applications and more information, go to www.utsarchitecture.net/discoverarchitecture/

Science Experience: Are you in Year 9 this year and have a passion for science? Then you should consider attending the three-day science program at RMIT in Melbourne. There will be plenty of bangs, flashes, smashes and fun and you will be able to go behind the scenes and sample the exhilarating world of science. You will perform experiments, participate in field excursions, listen to university lectures and experience the excitement of life on campus. The program runs between Tuesday 21 – Thursday 23 January 2014. For more information and to register, go to www.rmit.edu.au/scienceexperience

FOCUS ON SUMMER SCHOOLS

Filmmaking Summer School, University of Melbourne: This intensive summer school is taught by Australia's leading film industry professionals and is suited to people from all ages and backgrounds. The course dates run from 5 January – 16 February. Accommodation is available at Trinity College where the summer school will be held. For more information, go to <http://www.summerfilmschool.com/>

VCE Head Start Programs: Several companies run summer school programs in January 2014 for students wishing to make a head start on their VCE studies. TSSM: <http://www.tssm.com.au> TSFX: <http://www.tsfx.com.au/> and Access Education: www.accesseducation.com.au

VOCATIONAL & HIGHER EDUCATION NEWS

Preparing for exams- tips from Monash University students: Monash University has a series of videos called 'Brilliant Advice' on YouTube. They feature Monash students who received high ATARs sharing their exam preparation tips and tricks with you. To view the videos, go to <http://www.youtube.com/user/monashunivideo>

Are you an international student studying at a Victorian school? If you are considering studying at Monash University or the University of Melbourne in 2014, you can make a 30-minute one-to-one appointment with a course adviser to discuss your course options. Please book your appointment time at the following links

- **Monash University:**
www.monash.edu.au/international-course-advice-sessions/
- **University of Melbourne:**
www.futurestudents.unimelb.edu.au/international-yr12

New entry requirements for graduate Medicine at Monash: If you are interested in studying medicine as a post graduate degree at Monash University (MBBS), it is important to know that from 2017, at least 50 of the 75 places available will be reserved for students who have completed the Bachelor of Biomedical Science at Monash. To register for updates, go to www.med.monash.edu.au/medical/qippsland/mbbs-pathways.html

VOCATIONAL & HIGHER EDUCATION NEWS

Have you considered the University of Tasmania? UTAS has been ranked in the top 2% of universities worldwide (Academic Ranking of World Universities 2013), reflecting their commitment to the creation and dissemination of knowledge. Additionally, in 2013 the Australian Research Council's 'Excellence in Research for Australia' (ERA) initiative awarded UTAS world-standard or better in 16 broad disciplines areas. Please visit www.utas.edu.au/results for more information

Australian Maritime College (AMC): Do you love the ocean? How about science? Can you see yourself working in a job that combines both of these loves? Then you should check out the courses that AMC Tasmania has to offer at <http://www.amc.edu.au/resources> and view AMC graduates working in amazing careers- http://www.youtube.com/playlist?list=PL_hH4zoiZOhiUIGBRBCdPdrKSd6UJPAV

@Latrobe Student Blogs: Throughout 2013, the @latrobe blog has followed the progress of 5 of their students. To get an idea of what university is like and the opportunities you can gain from a La Trobe course, you can logon to the blog at <http://www.latrobe.edu.au/studentblogs> and follow:

- Joanne's commitment to giving back and sustainable communities
- Emily and her exchange in Scotland
- Steve and his plight for food security with his agricultural science degree
- Jackson prepare for graduation in his final year of civil engineering
- Tom on the ground with all things related to living on campus and what makes a good student.

University accommodation for 2014: Nearly all institutions have opened the registration period for accommodation. Some universities are 'first in first served', so make sure you complete your applications as soon as possible.

VOCATIONAL & HIGHER EDUCATION NEWS

CyberActive Services presents:

Social Media for Parents!

'Social Media for Parents', is a unique session for those who have children that access the online world. This presentation aims to assist parents and carers, who may feel overwhelmed by the constant changes, trends and abuse issues that exist online.

Presented by the Director of CyberActive Services Janita Docherty. Janita has trained law enforcement officers in Australia and the United States, giving insights for investigations & better practices, to help solve cyber abuse matters. Her presentations are highly commended and contribute to keeping teens, families and communities safer online.

Janita will present to parents on the workings of the Facebook platform for account safety and digital reputation management. The presentation will also showcase online teen issues, along with relevant tools and resources to protect against cybercrimes and online harassment. Parents will receive internet safety tips and resources, to further empower and educate them for the future, in order to help keep their families safe online.

Tickets \$20 ~ (buy one get one free)

Date: Thursday 7th November, 2013

Time: 7.00pm – 9.00pm

Location: Camperdown Football Club

Tickets / can be purchased at the door OR at Tower Computer Aid in Camperdown

Phone: 5593 2489

Email: cfnc@tca-online.net.au

Credit Card taken

Please Note: This is a preferred Parent only session, for freedom of conversation without the restriction of a teen / children format.

For more information about the presenter, please visit the CyberActive Services website: www.cyberactive.services.com

Introducing **CHRIS VARNEY**

'Never let a label limit what you're capable of' is the motto Chris Varney lives by. The 26-year-old's experience with the Autism Spectrum has made him a passionate advocate for children's rights. Chris says 'All my life I feel like a message has been building in me. That message is that every child and young person on this spectrum can do anything they put their mind to, especially when they're supported by networks of parents, grandparents, friends and teachers who say 'I can'. When you involve yourself in these networks you don't just benefit a child, you benefit yourself. There's nothing more fulfilling than watching a child move from the prison of self-doubt to the freedom of self-belief.'

**Parents, carers, teachers and friends
are invited to come along and listen
to Chris share his personal
experiences with the Autism
Spectrum.**

DATE: Monday 21 October, 2013

**VENUE: Commercial Hotel,
Camperdown (Dining Room. Please use
Tabaret entrance, Manifold St)**

TIME: 7:30 p.m.

COST: \$10 per person (incl. light supper)

**Please contact Narelle Kerr on 5593 1287 for
further information or to book your seat for
this event. A fantastic opportunity!**

**(You can also follow "Chris Varney" on Facebook to learn more
about this amazing man and his achievements)**
