

MERCY REGIONAL COLLEGE NEWSLETTER

ISSUE 1-1

14th February, 2014

FROM THE PRINCIPAL

Our Vision

Mercy Regional College serves a wide rural community which values growth and diversity in Catholic Education in the Mercy tradition.

Our Mission

In the Spirit of the Gospels we commit ourselves to the core values of community, inclusiveness, learning, care, justice and mercy, excellence and achievement.

Our Focus for 2014

In the Mercy tradition, we seek to act with love, fairness, tolerance and compassion to all.

Dear parents, students, families and friends of Mercy,

As we returned to school at the start of the 2014 school year, the reality and challenges of the Australian summer were starkly evident through the baking heat and outbreak of many bushfires.

Today's prayer asks us to stop and reflect on the actions of those fighting fires and our own response to those affected:

*God of all,
All creation looks to you
to give them food in due season:
look in mercy on your people,
and hear our prayer for those whose lives and
possessions are threatened by fire.
Give protection and wisdom to fire fighters and
other emergency service personnel.
Encourage our generosity to those who suffer loss.
In your mercy restore your creation and heal our
land.
So guide and bless your people,
that we may enjoy the fruits of the earth
and give you thanks with grateful hearts,
through our Lord Jesus Christ.
Amen*

Last Week's Fire & Emergency Management

I would like to start this newsletter by thanking all in the Mercy community for their support and reasoned action last week following the difficulties posed by the Stonyford fire.

As a College, we were pleased that carefully planned emergency responses worked and allowed parents, students and Mercy staff to know exactly how the school was responding.

It was timely indeed that all Mercy staff had spent three hours during our PD days prior to the students' return reviewing the College's Emergency Management Plan including our response to bushfire emergencies.

The College's Emergency Management team has conducted a review of our procedures following last week and have highlighted a number of actions that were particularly effective:

- The usefulness of SMS as a means of putting out urgent and important information quickly;
- The capacity of the College website, www.mercy.vic.edu.au to convey updated and comprehensive information to parents and the school community;
- The option of developing and trialing a College Twitter account; and
- The College's recently reviewed Emergency Management Plan.

The College also hopes to liaise with local bus operators and the Shire of Corangamite's Critical Incident team to review communication and emergency responses.

New Staff

As I highlighted in my January letter to all parents, we welcome a number of new and returning staff this year:

- Mr. Jarrod Carter who is teaching VCE Design Technology, VET Furniture and Years 7–10 Woodwork. Jarrod is a mature age teaching graduate who has moved back to South-West Victoria with his wife and (growing) young family following a number of years in Queensland.
- Mr. Ryan Casey who is teaching RE, Maths, PE, PD and Humanities. Ryan is well known to many through his years of teaching at St Patrick's School, Camperdown and has joined us for the next 12 months as an introduction to secondary teaching.
- Mrs. Janine Gallichan is an Integration Aide based at the O'Keeffe Campus. Janine has spent a number of years at Lismore Primary School and is well known to all our Lismore families.
- We also welcome back Mrs. Leesa Henriksen, Mrs. Rebecca Rees and Mrs. Melissa Wood from maternity leave and Ms. Lyn Davies from an extended period of long service leave.

New Students

This week, I have had the privilege of travelling to Cape Bridgewater and visiting the Year 7 Camp. Congratulations to the 84 new Year 7 students on the enthusiasm, optimism and sense of fun that was demonstrated on the Great South West Walk (7A & 7C) and the sand-boarding (7B & 7D) activities that I was a part of. Thanks also to the staff who joined students on camp and, particularly, the leadership of the Head of O'Keeffe Campus, Mr. Tony Wynd.

Can I remind all Year 7 parents of the new publication, "So Your Child is Coming to Mercy", that has been produced to assist you and your child with the transition from primary to secondary school. It has been put together as a partnership between the Mercy staff and new parents and is available on the College website.

Welcome also to the six new students who have joined the College in Years 8 – 11, I hope your first two weeks have been enjoyable and welcoming.

Presentation Ball

With only two weeks until the Mercy Regional College 2014 Presentation Ball, the sense of excitement amongst the College's Year 11 students is palpable. Their good humour and concentration during dance rehearsals has been commented upon by a number of staff and parents and I am sure will be reflected in the dances on the night. Thank you in advance to the Presentation Ball Committee – Mrs. Susan Moloney, Mrs. Kate Kent and Mrs. Lesa Thornton.

Last week, all Year 11 parents received a letter from me outlining my concerns regarding celebrations that have followed recent Presentation Balls and the College's firm position on not condoning such events. The essence of the Presentation Ball remains, the opportunity it provides for students, parents, families and staff to celebrate the growth of our Year 11 students as young adults. Therefore, the inappropriate behavior of a small number has imperiled both the enjoyment of many and the future of the Presentation Ball itself.

Start of Year Activities

A number of significant school activities have been underway in the first few weeks of this year:

- A wonderful day was celebrated last Friday at the Camperdown Pool with the College's annual Swimming Carnival. Congratulations to all who participated on the day but especially to the senior students on your enthusiasm and active leadership to all.
- The College as a whole came together to celebrate Mass in the De Chantal Stadium last week with Fr. Matthew as celebrant. Thank you to all who contributed to what was a reverent and hope-filled liturgy.

- The Mass was followed by a whole school assembly that recognized and applauded the high achievers of 2013 both academically and holistically.
- I encourage all Year 7 students, parents and families to join us at the O'Keeffe Campus next Monday evening (17th February) at the College's Year 7 Welcome BBQ. This important event was postponed for a week due to the fire threat and promises to be a lovely evening.

2013 VCE Results

Congratulations to all students on the excellent results that Mercy Regional College achieved in last year's VCE studies.

Dux for the year was, Zachary O'Flynn who achieved an ATAR score of 94.15.

Congratulations also to Paige Gibson who achieved an ATAR result above 90.

Year 12 Car Drivers

A reminder to all students who have a probationary license and wish to drive to and/or from school that they need to see Mrs. Thornton to arrange this.

The College has a formal set of procedures that govern this and includes a provision that students are not permitted to have other students in their cars unless they are siblings.

This year, this provision has been extended to say that students who may be at school past 4.30 pm may be permitted to drive another Year 12 student home provided both sets of parents have agreed to this arrangement. Also a reminder that Year 12 students are to park opposite the Catholic Church.

Yours in Mercy,

DR. DARREN EGBERTS
PRINCIPAL

Deputy Principal Teaching & Learning

Mr. Chris Grant

Parent Access Module

A significant goal for Mercy Regional College in 2014 is to generate an increased level of communication between the College and home, through the Internet via the Parent Access Module (PAM). The Parent Access Module is designed to provide relevant, informative, valuable and timely information about the academic progress of your son/s or daughter/s, along with the College calendar, daily notices, attendance record, timetable, booklist and a behavioural tracking count.

New parents will receive a letter shortly outlining further information on the Parent Access Module and your unique username and password.

Current parents may use their details from 2013. If you have forgotten any of these please contact me at the College office.

Application for Change of Preference Form

Students wishing to change a subject must now complete the Change of Preference Form. Some students have already made a change, however, at this stage of the term only genuine changes will be considered.

Any students wishing to change subjects can obtain a form from Mrs Leanne Carpenter or Mr Lachie Lee. No further changes for Semester 1 will be made after Monday 24th February, 2014.

Deputy Principal Wellbeing

Mr. Kerin Glennen

Welcome to 2014, and all that it has to offer at Mercy, I hope that Christmas was a time of enjoyment and catching up with family and friends.

Since the school year began we have already celebrated our Opening Mercy Mass, enjoyed the swimming carnival, Year 10 Outreach program commenced, Year 7s and the Portland camp. Next week the Year 11 are on Camp in Melbourne whilst Year 12 are on Retreat and Year 10s are in the community enjoying Work Experience. It has been a busy time for the students and staff, and there is a good deal more happening in the up-coming weeks.

We ask parents to furnish their son / daughter with a roll-on deodorant, over the last several years a number of students have had a reaction from aerosol deodorants. Some of our students at Mercy suffer from asthma, so to assist them to be comfortable whilst at school, please supply your student with a roll-on deodorant rather than an aerosol one, and it is smaller in your bag, which is a bonus.

If your son or daughter does suffer from Asthma, please furnish the college with your action plan, this helps staff identify those students who may be at risk. Thank you to those parents who support the school regarding the correct uniform. Page 8 of this year's diary has information regarding the boys and girls uniform.

Page 8 also has information on student Grooming, Jewellery for both girls/boys, Hair regarding cleanliness as well as Make Up guidelines.

If your son / daughter is out of uniform then they need to have a note from parents. The note needs to be given to the home room teacher. The coordinator, where deemed necessary, may contact parents regarding the student not being in the correct uniform.

Family Violence Conference

The Ballarat Diocesan Social Justice Commission would be grateful if you could run the following notice in your school newsletter for the next few weeks:

"The Ballarat Diocesan Social Justice Commission and the Grampians Integrated Family Violence Committee are co-sponsoring a conference on family violence on Saturday, 29 March, 2014, at Damascus College, Mount Clear. Its title is 'Opening Closed Doors'. It is aimed at the broader church communities and will offer discussion, insight, education and understanding of family violence.

The conference will run from 10 am (registration from 9.30 am) to 4 pm.

Cost is \$15, which covers tea/coffee and lunch. Bookings online only at www.trybooking.com/73106

Head of Middle School

Mr. Ben Brisbane

Welcome to Middle School 2014. It has been quite a settled start to the year with all students and staff working hard to achieve the best learning outcomes. A big well done needs to go to all the Year 9 students. They have made a fantastic transition across to McAuley Campus and have set the bar high for the future. I hope all students are happy and enjoying the new challenge in front of them.

Year 10's have all moved out to the portables and they now have a space to call their own. This is all in preparation for the new development. In fact all the Middle School are now located out the eastern area of the campus which is a good thing.

This year middle School is aiming to provide as much clarity for our student, staff and parents as possible. Students have been provided with expectations and goals in each homeroom, which provides them with understanding and motivates them to be the best person they can. Our Positive Behaviour Matrix aims to assist with this process along with our Habits of Mind goals.

This year as an initiative to reward good behavior we are setting up a postcard reward system. Over the next 2 weeks Year 9 students have the opportunity to design the cover of the postcard. This student will have their name attached and will receive a \$20 canteen voucher for their efforts. The purpose of this system is to acknowledge good behaviour and motivate the students to create the best learning environment in the classroom.

We are also in the process of talks with our student leaders to develop a more comprehensive lunchtime activity program. This will hopefully assist in getting the students more active at lunchtime especially in those cold winter months. It's hard to believe that they are just around the corner.

I hope the start of the school year has treated you all well and please don't hesitate to make contact if you have any concerns.

Careers Notice

Mrs. Jenny Phillips

Attention Year 12 Class of 2013

There is a new scholarship available for any student beginning their tertiary studies in 2014.

This scholarship has a value of \$5000 dollars for the first year of study and applications close on 28th February. Please contact Mrs. Phillips for further information.

From the Business Manager

Mrs. Lynn Wadley

School Fee Accounts

School Fee accounts for 2014 have been posted out to all families. Included was information detailing the different methods available for you to pay your school fee account as well as a fee deduction form. I encourage you to adhere to the timelines for payment of fees. Should you foresee difficulty in meeting the timeline, please don't hesitate to contact me.

Education Maintenance Allowance 2014

Forms are available from the College office and applications for Education Maintenance Allowance must be submitted by Thursday, 28th February, 2014. To be eligible to claim EMA, all applicants must hold a current Commonwealth Health Care Card or Pension Card which was valid from 28th January, 2014. The EMA is paid to eligible parents of students up to the age of 16 years old. We encourage those families who are eligible for EMA payments to use this money towards payment of school fees. The College no longer receives direct payments on behalf of parents.

Kiwanis Presentation

Mrs. S. Grinter

This week the O'Keeffe Campus were presented with a cheque by the Kiwanis Club of Warrnambool to assist any student in need, with the purchase of an iPad.

Kiwanis is an international organisation of volunteers dedicated to improving the lives of children and adults in communities around the world.

The College is grateful for such a generous gift and would sincerely like to thank the Kiwanis Club of Warrnambool.

The President of Warrnambool Kiwanis Leona Bell presented the cheque to Sharyn Grinter at the O'Keeffe Junior Campus.

Head Lice

This week we have had a couple of reports of student's with head lice.

- To keep the spread of infection to a minimum, I would ask parents to check their child's hair as a precautionary measure.
- If your child is found to have head lice, then action must be taken.
- Information on how to deal with head lice can be obtained from the State Government of Victoria's Department of Health website www.health.vic.gov.au type the words **HEAD LICE** in the search box and click go. This will bring up information relating to the treatment and control of head lice.
- Parents are required to inform their child's homeroom teacher if their child has head lice.
- We advise student's **DO NOT** share hats.
- Students are to keep their hair clean and well groomed.
- Girls with long hair are to wear it tied back.
- According to the Public Health and Wellbeing Regulations, children with head lice can be re-admitted to school after treatment has commenced.
- The department recommends a child with head lice can be treated one evening and return to school the next day, even if there are still some eggs present. There is no need to miss school because of head lice.

Thank-you for your co-operation in this matter.

Weekly Career News

TERM ONE

04 February 2014

FOCUS ON THE UMAT

Applying for Medicine/ Dentistry/ Oral Health/ Optometry/ Physiotherapy?

If are applying for any of these health science courses, you may need to sit the Undergraduate Medical Admissions Test (UMAT).

This is a three-part test that you sit in July and selected universities use your UMAT score as part of the selection process, in conjunction with your ATAR and in some cases an interview.

You will be tested on the following- logical reasoning and problem solving, understanding people and non verbal reasoning.

You will only have one chance to sit the UMAT this year, you must be in Year 12 and the test will be held Wednesday 30 July. You must register online by 5pm 6 June.

It is important that you start to prepare for the test early. There are several private companies who offer commercial preparation programs – www.nie.edu.au/ and www.medentry.edu.au/ are examples.

It is important to note that the universities who use the UMAT do not endorse any of these companies and you will receive free preparation materials once you register for the UMAT (registration is now open).

Please go to <http://umat.acer.edu.au/> for more information about the UMAT and to see if you have to sit the test.

You can also join the ACER UMAT Facebook page to keep up to date with key information.

VOCATIONAL AND HIGHER EDUCATION NEWS

Interested in student exchange to France? If you would like to study in France on exchange, please explore the AFX Student Exchange website and speak to your French teacher or Career Adviser. Any students who participate in a high school program this year, will be eligible for a free holidays intensive course run by your local Alliance Francaise, providing you apply by 15th of February. <http://www.australia-france-exchange.com/australie/>

Did you know? Based on VTAC data, the University of Melbourne's Bachelor of Science was the most popular undergraduate course choice for students followed by the University of Melbourne's Bachelor of Arts. As a result, ATAR cut offs have risen for both courses to 92.35 for Arts and 92 for Science. For more information, go to <http://newsroom.melbourne.edu/news/university-melbourne-courses-again-prove-most-popular>

New Bachelor of Fashion Merchandising at Box Hill Institute: Seeking a career in the world of fashion merchandising, retailing, or marketing? Do you want to travel the world as a fashion buyer, create exciting merchandising displays, develop a fashion website or market a fashion brand using social media? If you are creative, enjoy using social media and technology and are business minded the Bachelor of Fashion Merchandising course will inspire you to pursue your ultimate fashion retail career. Check out their YouTube clips: <http://www.youtube.com/watch?v=R110nU9C0ps> http://www.youtube.com/watch?v=zVXe4Cqs_jw&list=UU_LweUp25BxY7NcaNTK8aNg

VOCATIONAL AND HIGHER EDUCATION NEWS

Are you interested in Journalism? You should consider applying to the join The Under Age, a publication created by high school students in partnership with The Age. Meetings take place every two weeks in the offices of The Age, and offer industry training and the opportunity to learn directly from journalists. Applications close 14 February, www.theunderage.com.au

THE UNDERAGE

UPCOMING EVENTS

Monash University- 'At Monash Seminar Series': showcases different faculties within the University. The seminars run over several months and students have to book in advance. You will be able to attend seminars in areas such as engineering, arts, sport, education, health, design etc. Most seminars run in the evening, so you can attend after school. Parents are usually welcome as well. For dates, go to www.monash.edu/seminars

Charles Sturt University- 'MyDay' CSU: Each year, Charles Sturt University showcases their courses via a series of hands-on events. You can find out about the courses you are interested in by attending workshops run by lecturers in that field. February events include Oral Health & Radiography, and Exercise & Sports Sciences. For more information and to register, go to <http://www.csu.edu.au/go/myday>

Passionate about IT, gaming, multimedia, and animation? Monash University is running an interactive program called First Strike on Saturday 22 and Sunday 23 February at the Caulfield Campus for students in Years 7 – 12. This is an induction event for students who would like to be involved in IT events run by the University such as the Computer Games Boot Camp, IT Challenge Competition and the Step IT Up program. This is a free event and parents are welcome to attend. For more information and to register, go to <https://cgbc.infotech.monash.edu/general/first-strike/overview.html>

INSTRUMENTAL MUSIC PROGRAM 2014

Dear Parents and Students,

My name is Ms. Janet Backhous, and I am the Coordinator of the Instrumental Program at Mercy Regional College. Our Instrumental Music Program compliments the work we cover in Classroom Music, and students wishing to learn an instrument can chose to have a private lesson.

Instrumental Music Tuition is presently available for the following instruments – Piano, Violin, Viola, Cello, Bass, Guitar, Flute, Clarinet and Saxophone. Please fill in the form below if you wish to learn one of these instruments. I will then be able to follow up your requests and do my best to provide teachers.

The instrumental teachers for 2014 at this stage are, Ms. Michele McKinnon – Piano, Flute, Voice and Choir, Ms. Fiona Pugh – Strings – Violin, Viola, Cello and Bass, Mr .Tony Forbes – Guitar and Bass guitar, Ms. Kelly Kerr – Flute, Clarinet and Saxophone, and Mr. Peter Sharp – Guitar and Bass guitar.

I am sorry that we cannot provide a singing teacher at school. If you are looking for a singing teacher please contact me, and I can suggest a teacher in the area for you.

Once I have your details I will discuss your lessons with the instrumental teachers and they will contact you to organise your individual program.

Please fill in the form below and return it to the office as soon as possible so that we can begin your music tuition.

I look forward to meeting you and working with you.

Yours Sincerely,

Janet Backhous

INSTRUMENTAL MUSIC ENROLMENT FORM 2014

Corangamite Relay For Life
29 & 30 March 2014

Timboon Recreation Reserve,
Curdies River Road, Timboon
5pm Sat – 11am Sun

It's not a race - go at your own pace and
help fight back against cancer

www.relayforlife.org.au

1300 65 65 85

Connect your kids and family with nature and play outdoors.
Be inspired by this info session by Geelong MBSH team. Learn
how together we can simply break the trend of static, structured
play and benefit from our environmental assets.

Is this something we could do?

Date: 26 February 2014

Time: 3.30pm – 4.30pm

Where: Camperdown Girl Guides Hall, Brooke Street,
Camperdown

Contact: Brooke 0409 976 204

The whole family is welcome!

Brought to you by
Camperdown
Apex Park Play
space Committee
