

# MERCY REGIONAL COLLEGE NEWSLETTER

**ISSUE 3-4**

**Friday 5<sup>th</sup> September, 2014**

## **FROM THE PRINCIPAL**

### **Our Vision**

Mercy Regional College serves a wide rural community which values growth and diversity in Catholic Education in the Mercy tradition.

### **Our Mission**

In the Spirit of the Gospels we commit ourselves to the core values of community, inclusiveness, learning, care, justice and mercy, excellence and achievement.

### **Our Focus for 2014**

In the Mercy tradition, we seek to act with love, fairness, tolerance and compassion to all.

Next week, the Mercy college community will come together to celebrate a mass recognising Our Lady of Mercy. September 24<sup>th</sup> is the feast day for Our Lady of Mercy and traditionally is the feast day for the Sisters of Mercy. Our prayer this week celebrates the gentle blessings of mercy.

### **A Mercy Blessing**

*May you meet Mercy each day:  
In the light of your own heart,  
in the hands of your loved ones,  
in the eyes of the stranger and the needy.  
And if by chance you do not at first meet it, then  
search your heart for it,  
listen patiently for word of it  
and it will tap you on the shoulder,  
a quiet surprise,  
a small gesture,  
the tender look,  
given and received  
in the encounters of your day.*

All parents, families and community members are warmly invited to join students and staff at our **annual Mercy Mass which will be celebrated next Friday 12<sup>th</sup> September in the de Chantal Stadium starting at 11.15am.** Mass will be followed by a short whole school assembly and our special fundraising activity - 'Race for Grace'.

### **Congratulations Lewis**

Wednesday was a very proud day for Mercy Regional College with Old Collegian, Lewis Taylor (Year 12 2012) winning the AFL's Rising Star Award. This magnificent effort caps a great year for Lewis with his 22 games for the Brisbane Lions and, as a College community, we wish him all the very best in his ongoing league career.

### **Mercy Frayne Speech Festival**

Congratulations also to the 20 students who represented Mercy at last week's Frayne Festival held at Sacred Heart College, Kyneton.

Participating in the Public Speaking, Debating and Voice Choir competitions, students exceeded all expectations with wins in the early rounds of the debating, and the voice choir qualifying for the final four teams. Special thanks to the staff involved – Mrs. Freya Egberts, Mrs. Rebecca Rees, Mr. Lachie Lee, Mr. Daniel Glennen and Mr. Matt Harkin.

### **Staff PD Day – Exploring Teaching and Learning**

Today's staff professional day was spent working on improving our classroom teaching and learning practice. In the morning, teaching staff focused on exploring the "Understanding by Design" unit template as a means of reviewing and rewriting curriculum units. After lunch, staff began the process of contributing to a new Vision for Learning and Teaching at Mercy, a document that will be launched at the final Mercy Thanksgiving Mass in December.

### **Report and Parent-Teacher Interviews**

This evening, mid-semester interim reports will be available on SIMON via the Parent Access Module. Please contact Mr Chris Grant at the College if you need assistance on accessing PAM. Parent Teacher Interviews will be held this Wednesday starting at 4.00pm in the de Chantal Stadium, please make bookings via PT Online.

### **Student Activities**

The past few weeks have seen a great number of activities both in and out of the classroom, these have included:

- Last night, 21 students celebrated their year's study of music at the annual College Instrumental Music Night. Congratulations to all involved; your skills, talents and energy are an inspiration.
- Last week saw almost 80 prospective 2015 Year 7 students spend the day at the College's O'Keeffe Campus for the first of two transition days. During the day, student spent time in home economics, woodwork and sport as well as some time meeting new friends and staff.

- Last Wednesday, a group of O'Keeffe campus students joined Mrs Saunders and Mr Wynd in Ararat at a regional St Vincent de Paul students' conference.
- Congratulations to the students who participated in last week's Middle School Oratory Competition and in so doing continuing to celebrate the fundamental importance of public speaking.
- A group of Year Nine & Ten students participated in the annual V-Line Life Training session with Mr Brisbane.
- On Monday 15<sup>th</sup> September, almost 90 students and staff head west and north on the 2014 Mercy Central Australia trip. We wish them all the best as they journey through and with the beautiful Australian outback.

Yours in Mercy,

### **Deputy Principal Wellbeing Report**

*Mr. Kerin Glennen*

#### **What is unique about teenagers' sleep?**

Teenagers' sleep tends to be less regular than the sleep of adults and young children. This means that the times when you go to bed on the weekend are not at all the same as on school nights. On weekends, students may go to bed much later. They may also wake up much later on the weekends. Students need to go to bed early on school nights to get enough sleep so they are up and ready for school the next day. A student in senior school needs 8 hours of sleep a school night. Teenagers tend to go to bed later and later as they get older.

#### **Sleep well**

A good nights sleeps helps both the mental and emotional resilience, while chronic sleep disruptions could increase negative thinking and emotional vulnerability. Maintain a regular sleep and wake schedule, use the bedroom for its core purposes and avoid having distracting devices such as television or a computer. If you wish to find out any more about sleep and adolescents please look up the following.

#### **Frayne Speech Festival**

"The Frayne Speech Festival was established in 1996 and is named for Mother Ursula Frayne, leader of the first group of Sisters of Mercy to arrive in Australia from Ireland in 1846. In 1857 she established Academy of Mary Immaculate, Fitzroy, the first Catholic Secondary school for girls in Victoria. The Festival is a gathering of students from schools, founded in the tradition of Mercy education. It provides an opportunity for spirited competition in debating, public speaking and voice choir. The festival exhibits excellent speakers and fosters a sense of unity across the schools." So states the rule book for this year's festival held at Sacred Heart College, Kyneton. Mercy Regional College was well represented at this year's Festival by a group of six Year 11 students who competed in the Public Speaking and Debating sections and fourteen years 8, 9 and 10 students who competed in the Voice Choir section.

The Voice Choir was comprised of Luke Lenehan, Demby McKenzie, April Martin, Joshua Newcombe, Faith Thornton, Tate Tregea-Copeland, Sarsha Anderson Meg Lenehan, Jordyn Hickey, Gemma Lees, Chelsea Schmidt, Olivia Martin, Jacoba Mungean and Mollie Gaut. The Voice Choir was trained and developed through a great deal of hard work by Ms Freya Egberts and Ms Rebecca Rees. The choir reached the final with their performance of the poem "Enter Without So Much As Knocking" by Bruce Dawe and a piece by Roald Dahl. Their enthusiasm was obvious to all who had the pleasure of seeing them.

Ella Clarke competed in the public speaking section. Ella spoke on the topic, "Our preoccupation with the future". She performed admirably and earned praise for the quality of her speech and her delivery.

Our debating team of Olivia Giblin, Stephanie Lee, Hayley Davis, Mia Cain and Josh Rowan also performed very well against stiff competition. Round 1 centred on the topic 'That Australian governments should intervene to protect our manufacturing industry'. Our team spoke in the negative on this topic against the Academy of Mary Immaculate, Fitzroy. In round 2 we then spoke against Catholic College Bendigo, in the affirmative, on the topic 'That parents should be held legally responsible for the behaviour of their children'. The team debated these topics very well and certainly held their own in the competition, winning the second round.

Much work went into preparation of the topics by the students and teachers involved. The preparation required many training sessions-particularly for the Voice Choir-and much of their own time spent by the students in preparing their pieces, speeches and poems. Their commitment and preparation was

exceptional. We look forward to next year's competition.

### **France & Belgium Battlefields Tour 2015**

Mercy Regional College will be offering the third France and Belgium Battlefields Tour in September 2015. The tour is offered to all students from Years 9-12 in the 2015 school year. The College works in conjunction with Hello World Travel Agency, Camperdown.

A meeting of those interested in the tour will be held at Mercy Regional College, McAuley Campus on the evening of Wednesday 15<sup>th</sup> October.

An Expression of Interest form is attached to this newsletter. If you are interested in the Tour for your child please return the attached by Monday 13<sup>th</sup> October 2015.

#### **Gemma Lees Wins Melbourne Theatre Company Youth Scholarship Course**

We are thrilled to announce that Gemma Lees in Year 10 has been offered the Melbourne Theatre Company Youth Scholarship Course. Gemma has been selected as one of twenty-four students chosen from all applicants in Victoria.

This is a five-day course in developmental Drama. Gemma will travel to Melbourne in the next school holidays and participate in workshops at the Melbourne Theatre Company Headquarters at Sturt Street, Southbank.

The course is designed to guide students through processes of performance-making. Gemma will be encouraged to extend her expressive skills, learning how to contribute as a member of an ensemble. The course will conclude with a presentation which parents and nominating teachers may attend.

Well done Gemma! We are rapt that you have earned this incredible opportunity. We hope you enjoy the course and look forward to seeing your presentation and hearing about your experiences upon your return.

#### **Instrumental Concert**

Last night the Mercy Community enjoyed our Annual Instrumental Concert. And Wow!!! It was a night to remember!!!

We all felt privileged to have the opportunity to hear so many talented musicians. Our students and teachers have worked hard over the past year learning new works and honing their skills.

The evening began with a performance by Stacey Riches who delighted us with her Bagpipes. Stacey is in Year 7 and she has been learning for four years with Donald Blair. Stacey will compete in the Victorian Championships at Moorabbin and we wish her every success in this endeavour.

Following Stacey our staff band - Luke Bouchier, Tony Forbes, Peter Sharp, Joanne Saunders, Freya Egberts, and Janet Backhous performed a stirring rendition of Bob Seger's 'Old Time Rock and Roll.' And the evening was away with a bang.

We enjoyed 21 performances both individual and group, on a wide selection of instruments. From Bagpipes to Guitars, Double Bass, Piano, Voice, Flute, Clarinet and Saxophone; the standard of performance was exceptional, and the evening was relaxed and friendly.

The night ended with supper and parents, students and teachers had a chance to discuss and share their enjoyment of the performances. Congratulations must go to all the students who participated on the night. You have all worked hard to develop your skills and we thoroughly enjoyed your performances. Thank you!!! It was a wonderful night, and on behalf of the students I would like to thank all of our staff. You inspire our students to create beautiful music.

We sincerely thank all of our amazing students who performed at our concert.

## **Oratory Competition Report**

*Report by Ella Kissick Year 10B*

Year 9 and Year 10 students came together to hear seven speeches from fellow students who were representing their respective homerooms on Tuesday 26<sup>th</sup> August. There were three judges – Ruth Gstrein, Dale Alexander and Warwick Lyon, sitting close by and who would be the deciders of the day's winner and who would receive the encouragement award. Year 11 students James Anderson (last year's Oratory speech winner) and Amy McKenzie acted as comperes.

The Oratory participants in Year 9 were Ailie Bateman (9A) and Cheyenne Beaver (9B) with their speeches on 'Everybody deserves a fair go', as well as Sarsha Anderson (9C) with 'Because I'm happy'.

In Year 10 we had Jess Cheslett (10A) speaking on 'What we can learn from animals', Indi Kent (10B) and Gemma Lees (10C) with 'Everybody deserves a fair go', and Caitlin Williams (10D) on 'What we can learn from animals.'

Through the speeches we learnt that without the future we wouldn't be creating the new technology today, and that we need to focus more attention on the homeless people of Australia. We also learnt that men use the same rituals as some animals to attract women (which drew some laughter from the crowd).

When it was time for the big decision, the three judges went off to make their final decision on who would be crowned the winner. The audience was fortunate enough to have Jordyn Hickey (on bass) and Jen Rowan (guitar and vocals) perform three songs – one of them being 'Hound Dog,' a song that won them Battle of the Bands. Then the newly formed Mercy Voice Choir astounded us with their memories by reciting a clip from Charlie and the Chocolate factory and an Australian poem.

The judges soon arrived back with their decision on the winner who was Gemma Lees. The Encouragement award went to Cheyenne Beaver. Congratulations to all those who went up and talked in front of a big crowd!

## **Street Retreat 6<sup>th</sup> & 7<sup>th</sup> August**

*Mrs. Tania Bruckner*

Lesa Thornton and I accompanied a terrific group of Year 11 students to Melbourne to attend the Street Retreat on the 6<sup>th</sup> and 7<sup>th</sup> August. On arriving at St. Vinnies headquarters, the students and staff helped the regular volunteers make sandwiches and stock the food vans with hot food and drinks in preparation for the night ahead. We were divided into two groups and then headed out to the boarding houses. This was a very confronting experience for us all, to see the conditions that many people live in firsthand. The rewarding aspect was seeing the need for the support groups like St.Vinnies offer, in food, and often more importantly, human interaction.

Here are some comments from our group:

'It's an eye opening experience. It certainly gave us a different take on life. I would recommend it for people who want to help the community.'

*James Anderson*

'Street Retreat was a great experience. It was very overwhelming, but I was glad to help out people in need. It makes you realise what life is like for people outside of our community.'

*Ruby Moloney*

'The Street Retreat group was a well-mixed team, we were all ready and keen to help out the Vinnies soup kitchen crew. After a long night at the boarding houses, we found it was an extraordinary experience that not many people embark on, although they should. All of our eyes were opened. In leaving Melbourne we found that we were more grateful and respectful towards a wider community and we thank everyone who made it possible for us to partake on such a journey.'

*Georgia Buchholz*

## **Street Retreat 27<sup>th</sup> & 28<sup>th</sup> August**

*Haylee Davis*

On Wednesday the 27<sup>th</sup> my Street Retreat group ventured off to Melbourne for our street experience. We came home the next day altered by our trip that was in some ways life changing.

My trip began at St Vinnie's by preparing hundreds of sandwiches for the night ahead. That night I was fortunate enough to travel in a soup van with other regular volunteers to explore the life of those suffering and homeless. As I gave out warm soup, socks and much more to cold outstretched hands, I realised the reality of having nothing. We travelled around normal places of Melbourne such as Flinders Street station and at each we saw more and more grateful people awaiting our presents. It really surprised me how grateful each and every one of the homeless were and how some of these people really had nothing despite the clothes they were in. This experience was confronting and daunting at first but was so rewarding.

Late that night we went out for tea and treated ourselves to some ice-cream for dessert which we appreciated so much more after seeing how limited others were. My group consisted of Laura Kemp, Caitlin Toose, Sophie Clissold, Jasmine Adlam, Amy McKenzie and Lachlan McDonald which were great company. It was lovely to meet new people of my year level and go on this trip together.

I would like to thank the teachers that accompanied us, Mr. Richardson and Ms. Williams! I had a fabulous time!!

## **Career News**

*Mrs. Jenny Phillips*

Term 3 has been busy with students involved in many activities. This term has a very strong careers focus with students from years 8 and 9 choosing next year's electives, years 10 and 11 students selecting VCE studies and year 12 students making choices about their post school pathways.

Year 10 students in particular have had important decisions to make, as their subject selections for 2015 may have implications on the choices available to them in 2017.

This year, students in year 10 have a timetabled careers lesson each fortnight and the program delivered in these lessons has been designed to facilitate their transition to VCE/VCAL and assist students to investigate their post school options.

In the lead up to subject selection, the students received detailed subject information and then had the opportunity to attend a VCE/VCAL Information Evening with their parents. Students in year 10 were encouraged to begin attending university, TAFE and college open days.

During the subject selection process, year 11 students have the opportunity to continue with the VCE/VCAL studies they chose twelve months ago, or change some of their studies in order to facilitate their transition into a post school career pathway. Year 12 students are in the process of completing VTAC applications, investigating TAFE options or actively seeking apprenticeships, traineeships, or employment.

As part of this process, by the end of Week 9 all students from years 10 to 12 will have had subject/career counseling interviews to assist them make the choices that will be best for them at this stage of their career journey.

## **Work Experience Notice**

*Mrs. Maureen Adeney*

A letter was sent on 13<sup>th</sup> August to current Year 9 parents re Work Experience for Term 1, 2015.

The letter stated that if parents were to use the services of (*Warrnambool & District Schools Work Experience & Industry Placement Program*) that the cost would be approximately \$80.00. However, since that letter going out, we have been informed by them that the cost for 2015 has increased to \$90.00.

Also, a reminder for your son/daughter to finalise their Work Experience for 2015 as soon as possible.

## **Equestrian Victoria Interschool Nationals**

*Stacey Hillman*

Two of our equestrian students Erika Grant and Polly Moloney have been selected to attend the EV Interschool Nationals in Werribee Park in the second week of the Term 3 holidays. Erika was selected from the Qualifying event held in Werribee and Polly was successful in the Working Hunter competition.

More than 2000 school based competitors attend this event aged from 5-18 years. The girls will be competing in a full week of show jumping, eventing and show classes.

This is a huge achievement and we wish the girls the best of luck.

*Erika Grant*

*Polly Moloney*

## **Congratulations**

Briony Kent has been asked by the magazine that she writes for 'APHRA' to attend the Melbourne Spring Fashion Week.

This starts on Sunday and Briony was been asked by her editor to attend this Thursday and Friday as the magazines representative to take photos and conduct interviews with designers and

fashion houses as well as write articles about the event. She is VERY excited and we wish her well.

## **Hello from our Exchange Students**

### **Lieke Willenbrock**

Hi, I am Lieke and I am an exchange student from Germany. I live in the north near the Netherlands. My town is called Emsbüren. My family and I live in a big house with my grandparents. It is more the country side, so we have some animals, horses, dogs and a cat. I have three other siblings, a sister and two brothers but they are all younger than me.

Here in Australia, I am staying with Leah and David Buckle and their three girls, Georgia (10), Sarah (8) and Victoria (5) in Cobden. It feels like home and I am really looking forward to have a great time with them.

I have already visited a few things and cities which were very interesting. I am glad that I could go into Year 10 at Mercy Regional Collage. It is a very good school but also different to the schools in Germany. We don't have to wear a school uniform and we are not allowed to use the internet or iPads/Laptops at school. One thing I really like is that the students have a closer communication to the teachers. I could ask anyone at Mercy if I need help or didn't understand a question or what else.

In four weeks I will go on the Central Australia Trip which is very nice. So I can see a lot more of Australia than I actually thought. My friends said, send me a picture of the first kangaroo or koala that you see. I think that I can send them quick a photo of a kangaroo but I haven't seen one yet. I have tried many Australian foods like Vegemite, but it tasted very bad. Otherwise the cakes and the sweet things are very good.

Now that I have been in Australia for a month I am really looking forward to spending this year with friends, my host family and lots of other people.

### **Claudia Mattei**

Hi, my name is Claudia Mattei and I am an exchange student here in Victoria. I am sixteen years old and I come from Treviso, a city in the north of Italy. I decided to come to on this exchange because I always lived in the same small city so then I decided it was time to see how living is in a different part of the world. I have always liked Australia but I've never thought I would come here one day, even if for few months. I have been here for just a month and I absolutely love the time I have spent here. I'm staying in the state of Victoria, in a small town

called Timboon with the McKay family (Hayden and Janine and their three daughters Jackie, Samantha and Monique).

I didn't choose my destination but now I am so glad to be here with such a pleasant family. My host family is great and it is even better than I could imagined. My host parents are lovely and they treat me like a real member of the family. I now have three new wonderful sisters, this is a big difference because in Italy I have just two older brother, but we get along very well and we have lots of fun. I'm really grateful for the opportunity they gave me and I can't wait to spend more time with my new family.

Moving here, in a farm Timboon, from a quite big city in Italy is a very big difference, but I would never change that. I'm really enjoying the time I'm spending here living in close contact with animals and nature. I realised I was in Australia when I discovered my neighbour has a kangaroo and I've already seen wallabies and a koala. In Italy there are no farm and there I could only imagine the landscape I see every time while I'm coming to school. Seeing so many green open-space is great also the stars are shiner here.

I'm very glad to come in this school, Mercy Regional College gave me a great welcome and I know I'll never forget the time I am spending here with such great mates and nice teachers. The students accepted me immediately and helped me, especially not to get lost. The teachers are very kind and they never let me with questions. I really like the relationship that students have with teachers here and I enjoy every second I stay in this school. I am very joyful to stay in this school and in this place for these six months and I am sure the people I'll spend this time with will make it unforgettable.

**BATTLEFIELDS TOUR**  
**FRANCE AND BELGIUM 2015**

Dear Parents and Students,

The College is looking for expressions of interest from students to participate in a trip to France, Belgium and England in September next year, 2015.

I offer the opportunity to all students from Years 9-12, who will be enrolled at Mercy Regional College in 2015. The trip is strictly optional and will take place in the last week of Term 3 and the first week of the September / October 2015 school holidays. I anticipate the trip will be for approximately 15 days.

The trip will focus on the experience of the Australians on the Western Front in the First World War. The group will visit Paris, the Somme region where Australians fought in the great and terrible battles of 1916 and in the campaigns of 1918. We will then travel to the Flanders region and the Ypres battlefields of Belgium, stopping on the way to visit the village of Fromelles where Australia's tragic first major battle in France was fought in July 1916. From Belgium we will travel to London where we will visit some of the sites of that great city as well as other places of interest in England's south.

A meeting will be held next term on **Wednesday 15 October** for all who have expressed interest already, or are interested. Those who wish to book a place on the tour will be required to pay a deposit of \$500.00. Further instalments may be made throughout next year with final numbers to be confirmed by June 2015. In organising the tour, Mercy Regional College works in conjunction with Hello World Travel Agency, Camperdown.

If you are interested in attending the meeting, please return the attached form to the College office at McAuley Campus by **Monday 13 October**.

If you require any further information you can speak to Lachie Lee at the McAuley Campus.

Yours sincerely,

**DARREN EGBERTS**

### ADVICE FROM YOUNG PEOPLE ABOUT MAKING CAREER DECISIONS

Not sure what you want to do in the future? Not sure where to start?

To give you some ideas, three young people were asked the following question:

*What advice can you give to young people who are making career decisions and what could they be doing now to find a course/ job/ apprenticeship etc. they would be happy with?*

Here are their answers- I hope they help with your decision making!

**Namara Nyhan, Bachelor of Health Science (Nutrition and Dietetics), Charles Sturt**

**University:** For me, I always had an interest in nutrition, but to be honest I didn't think I was smart enough or would be skilled enough to do it.

The skill comes later so that's not something you need to worry about now, and as for the smarts, I'm really passionate about nutrition and find it really interesting, and if I need to work harder to become what I want to be then I will.

But the main thing to note is that I'm passionate about it. So if you're passionate about something, think how you could turn that passion into a job and that's where you should be.

A few years ago when I was studying nursing I remember being jealous of the people studying nutrition- it then became clear that it was where I should be. Do not be alarmed if you still don't know what you want to do. You can always start off in a general area and then branch off.

## ADVICE FROM YOUNG PEOPLE ABOUT MAKING CAREER DECISIONS

**Tim Bennet, Bachelor of Commerce graduate, Swinburne University:** There is no rush. Study will always be there. My mum runs the bridging program for mature aged students, so I can be 60 and decide what I want to study.

Also whilst study is great, if you don't see yourself in an academic institution, that it isn't the end of the world, and you can learn and experience anything you like. Though in saying that, it can be great to have 'that bit of paper.'

Try a range of things, anything, anywhere, and see what you enjoy, and then go from there. If you're unsure, then don't jump into anything because you feel that there is an expectation.

The last thing you want is to be studying something at Uni and not liking it, then you end up wasting time and HECS fees. The world is huge, and is there to be discovered. Get out and see what you like.

Tim and his father walking the Kokoda Track

**Andrew Carden, Bachelor of Health Science/ Master of Paramedic Practice, La Trobe University:** For all the students making decisions, keep an open mind. Talk to your career adviser and keep your appointments.

Talk to your friends' parents about what they do and go on work experience or talk to people in the industry. All these things will give you a better idea about what's out there and what you might enjoy.

Also remember that someone has to get those dream jobs, so why can't it be you? That said, have back ups in place incase you do have a bad day in the exam room, but don't stress if you do. You can always go to university as a mature age student, or find a back door.
