

MERCY REGIONAL COLLEGE NEWSLETTER

ISSUE 1-2

27th February, 2015

FROM THE PRINCIPAL

Our Vision

Mercy Regional College serves a wide rural community which values growth and diversity in Catholic Education in the Mercy tradition.

Our Mission

In the Spirit of the Gospels we commit ourselves to the core values of community, inclusiveness, learning, care, justice and mercy, excellence and achievement.

Our Focus for 2015

"Through the Mercy tradition we encourage our community to seek knowledge, to nurture curiosity and to love learning".

Last Wednesday saw the start of the holy season of Lent in the Church and for the community of Mercy Regional College. Most students and staff at the College had the opportunity to attend mass or a liturgy and I particularly enjoyed being at St Thomas' Church, Terang with the Year 7 & 8 students, students from St Thomas' Primary School and many St Thomas' parishioners. One of the core challenges of the season of Lent is to devote extra time to our individual prayer lives, that time we spend with our God. The prayer today reflects this being that prayer that Jesus himself left for us:

The Lord's Prayer

*Our Father,
Who art in Heaven,
hallowed be Thy name;
Thy Kingdom come,
Thy will be done on earth as it is in Heaven.
Give us this day our daily bread;
and forgive us our trespasses
as we forgive those who trespass against us;
and lead us not into temptation,
but deliver us from evil.
Amen.*

Mercy Regional College Emergency Management

With the recent series of hot days plus accompanying thunderstorms, it is important to remind parents and families that the procedures that College has in place for days of high fire risk have not changed but are significant. Although neither of the College's campuses are formally designated as being high fire risk, several schools in our district are and therefore their bus routes are also affected. In particular, on days designated as being extreme or Code Red by the CFA, a number of the College's bus routes may not operate. If this is the case, the following procedures will become relevant:

- Mercy Regional College will receive formal notification of this by lunchtime on the day beforehand.

- The College will act quickly to ascertain which students, staff and bus routes affected and alert parents via text message.
- Details on any changes to bus routes and school programs will be posted on the College's website.
- Where possible, notes will also be sent home with students to alert families.
- In general, both campuses will continue to operate as normal. These procedures worked very well in 2014 with the fire that burned for several days in the Pomborneit area.

Mercy Regional College Presentation Ball

The rehearsals and preparations are almost done and excitement levels continue to grow for the 85 students who will be presented at Glenormiston College tonight. Thank you to all who have been involved both in the preparations for tomorrow night and in the running of the night itself, I hope that the behavior and conduct of the young men and women involved over the next 48-72 hours matches the exemplary standards they have set so far this year. Good luck to all!

SIF School Review

This week has indeed been a busy one for the College with the three day School Review. This review is the prime opportunity every four years for Catholic schools to reflect on their performance, celebrate the achievements, identify the challenges and plan for the future. Thanks to all the staff, students and parents who have contributed to the review and to the reviewers themselves, Mr., Geoff McPherson and Mr., Bill Slatter. I look forward to sharing the results of the review with the College community in the coming months.

Students' Uniform and Presentation

In recent weeks, I have highlighted the important focus that staff have for 2015 on students' respect for staff, peers and self as well as their uniform and personal presentation. The College has clear guidelines on summer and winter uniform and what constitutes appropriate jewellery, hairstyles, girls' makeup and boys' facial hair; these can be found on p. 8 of the Student Diary.

The College's Heads of School and senior leaders have spoken to a number of students (and their parents) whose presentation may have been outside these guidelines and have put arrangements in place in each of these cases. However, the College will not tolerate students who choose to come to school with hairstyles, jewellery or other issues that fall outside our guidelines. If necessary, students will be asked to stay at home until the issue is addressed.

Camps, Retreats and other Activities

The first few weeks of the school year are very busy and this year has been no different:

- Our Year 12's enjoyed a fantastic three days at Lady Northcote Camp, Bacchus Marsh on their Year 12 Retreat. Blessed by lovely warm weather, the highlights included time with each other, opportunities for self-reflection and the annual Mercy Op Shop Ball.
- Year 11 students enjoyed two days in Melbourne and last Friday at the Noorat Community Centre as part of their Year 11 camp.
- Many workplaces across South West Victoria and beyond were joined by our Year 10 students on Work Experience; expect to see photos and accounts of the great experiences that many enjoyed in future newsletters.
- Next Tuesday, the College comes together for the Mercy Athletics Carnival. Can I remind students and parents that whole school days like the Athletics and Swimming carnivals are very important dates on the school calendar and attendance is compulsory. They should not be seen as opportunities to book other appointments or trips.
- Wednesday March 11th is school photo day with photos commencing at the McAuley Campus followed by the O'Keeffe Campus in the afternoon. Students are reminded that they should be well presented in their full summer uniform on the day. Parents are encouraged to refer to the student diary if you have any questions regarding what is correct summer or winter uniform.

Yours in Mercy,

DR. DARREN EGBERTS
PRINCIPAL

Deputy Principal Wellbeing

Mr. Kerin Glennen

Year 11 Melbourne Experience

On Wednesday 18th February, our Year 11 students accompanied by teachers set off to Melbourne.

Bus 1 students went to RMIT City Campus, students had a look around, attended a lecture and did a scavenger hunt. The students in bus 2 attended ACU, this also coincided with Open Day and there was a good deal of activities for the students to take part in. The students were shown around the campus and also visited the roof top garden, where students got a good view of Melbourne.

We then changed over and students experienced the other University and again students were shown around and had plenty of time to ask questions regarding what the University had to offer. Each group (in their colours) had some time to look around the C.B.D., use their MYKI card and travel the tram route. We then met at the Urban Central Accommodation in Southbank. Students got their accommodation, had time for a shower and get ready to go out for tea. After we went to the Victoria Night Market where some purchases were made by both students and staff.

We then caught the tram and made our way back to our accommodation with all students in bed by 11.30pm – it had been a big day.

Thursday 19th February Day 2

Breakfast was open at 7.00am, students then needed to shower, tidy their room and get bags ready for the bus. 9.30ish we commenced our day's activities which students and staff all took part in. Each group was "decked" out in their colours. Students and staff were walking and or taking the trams to get to their location. This was a great deal of fun, each student also sent a card home as well. Following lunch students and staff were bussed back to Camperdown and Terang - it was a quiet bus ride home.

On Friday all Year 11 students assembled at the Noorat Community Centre. They then worked with Shane Garner who challenged the students re goal setting, community building and planning for the VCE journey. Students were bussed back to the McAuley Campus and following lunch time the students practiced their Presentation Ball dancing.

I would like to thank the students, you were good ambassadors for our school. I would also like to thank those staff who gave up their time and attended this program, your support and care for our students was appreciated.

Sebastian Hulme 11B

On the 20th February myself and the rest of the Year 11s travelled to Noorat to listen to a former student of our school who spoke about our needs and wants and that we should learn to balance them out or they might have bad consequences. As the day progressed Shane got us to divide into mixed groups and complete different activities that required teamwork and communication to succeed. My group was tasked with the hardest challenge and thought about giving up at multiple times, but we pulled together and used all of the time given to complete the task.

Caitlin Williams 11C

On day two of our Melbourne camp, we got to experience parts of the city we wouldn't usually see. We split off in our small groups with a teacher as our leader and competed in an amazing race around Melbourne. Each group had to answer a series of questions and take a photo for each location on their amazing race quest. Each group had to travel out of the CBD to complete some tasks, such as Luna Park, the Alfred Hospital, St. Kilda beach or Fitzroy. Once the group completed their quest, they had to meet up with Mr. Glennen and send a postcard home. Once the amazing race was complete we had free time to explore Melbourne until we were due back on the buses to head home.

Stephanie Hibburt 11C

The Year 11 Camp was focused on a Melbourne experience and introduced students to city life and learning how to use public transport. All students were bussed to Melbourne on Wednesday 18th February. We participated in guided tours, power point displays, speeches and activities at RMIT and ACU. Both universities were great and gave students an insight into university life and study options. There were interactive activities which involved prizes, so everyone got involved. Students were then given time to explore their favourite parts of Melbourne where we were able to walk or use public transport such as trams or buses. Later that evening everyone went to the Victorian Night Markets. This was a great experience and extremely interesting. As well as the usual market stall it had a Chinese influence as well.

Work Experience Report

Last week a number of our year 10 students were "away" from school on Work Experience. The students have been working towards this week since last year. Students were spread far and wide from Timboon Childcare Centre, Ballarat Health Services, Bacchus Marsh Genetics, St John of God Hospital, St. Francis Xavier School in Box Hill, Structuring and Estate Lawyers, Department of Environment and Primary Industries at La Trobe University Bundoora and so many more. Our students were spread far and wide.

The support we get from our local community is tremendous. Some of our students have already been offered part time work. The students I have spoken with enjoyed their placement, they have been given the chance to step into an organization and see how it runs as well as taking part of day to day activities.

Well done to students and thank you to all who supported and looked after our students. We have already commenced work for the 2016 Work Experience

I would also like to acknowledge the work that Maureen Adeney does to support our Work Experience students.

The following are Work Experience report from some of the students who participated.

Billy Sinnott 10C

Last week at work experience I went to the Camperdown Golf Course, it was great on the first day i mowed all the greens, mowed most of the tees, help fix lawn mowers and the motorbike. On the second day I mowed all the greens again and mowed some of the fairways. On the third day I painted the 100m markers on every hole, painted some poles and tee markers, and also helped chop some trees down and put them on the bomb fire. On the fourth day I mowed the greens again, picked up sticks that were on the fairways, mowed the tees again. On the last day we went to fix all the sprinklers and find pipes to fix, and also mowed all the greens again. I liked it but I don't think it will be something I would do when I'm older.

Millie Parker 10C

For my work experience I went to the Timboon Childcare Centre and absolutely loved it.

I worked in the 0 - 2½ room (babies room). Things I had to do included making the morning tea for all the children, helping feeding them lunch, playing with them inside and outside, rocking them to sleep and even changing some nappies. I also had to clean some lunch dishes, wash down the tables and help write in the children's book what they did for the day. My hours were from 7am to 3:30pm and I had a 45minute lunch break. I made a lot of friends with the kids and really enjoyed playing and giving cuddles to them all. Being out in the work area is a great experience and I really valued it, although I came home very tired!

Thomas Gray 10C

I did work experience at Thomas's Fabrication at Terang where I did many new things such as made hinges and other parts for trailers and trays, helped hand refit brake pads on the callipers for a trailer and made support brackets for a trailer. I learnt many new skills and learnt how to use new equipment such as a linear, metal drop saw, bench grinder, sheet metal bender, guillotine, drill press and an electric hack saw. I also delivered metal out to windmill agriculture and went to GJM to pick up some checker plant to put on a horse float we were fixing.

Year 7 Camp Report

Mr. James Castles

The following reports are four reflections from the Year 7 Camp titled 'A Day in the Life of Catherine'.

Jack Aitken 7C

One minute I was lying on my bed, the next I was in the pocket of a tall thieving boy that was running down the verandah and into another bedroom. I was placed into a pillowcase with someone that looked exactly like me. As the thief sat he sighed and said "I only need one more for collection to be complete." Then I realised there was someone else in the room with us. I heard him before the thief did. He dashed out from his bed (on which he was sitting) and grabbed me from the pillowcase. The thief tried to dive on my saviour but missed and landed heavily on the floor. We jumped straight out into the open and away from the evil boy that took me.

Zali Searle 7A

I didn't know where I was and then I got handed to this strange boy called Michael. He was apparently something called a captain. He took me into his cabin and we got changed into old clothes. I thought to myself that today was going to be a great big adventure. We jumped on the bus and headed caving, then I got handed to someone else. They shoved me in their pocket and I got very squashed. Then all of a sudden I was alone, lost in the pitch black darkness. I was scared, I tried to find them but they were nowhere to be seen. But then some big hands picked me up and took me safely out of the cave and back on the bus.

Krystal Baker 7A

I was in the pocket of a 12 year old not knowing what to do or where we were going. All I could hear was something that sounded like waves crashing, we were at the beach. All the kids got into their wetsuits and headed out to catch some good waves. Of course I stayed on the sand wishing I was out there, but not being able to stand would have made it merely impossible to surf. They were all out there enjoying themselves until the boy whistled to say it was time to head back in, surfing looked really fun but I wished I could of done it. Next we were off to caving, we were looking around to see nothing but bushland. Then we arrived at this place to meet a man that was going to take us for a tour inside the caves. I was on top of this strange girl's head going in and out of small and jammed spaces, not knowing where to go next. We played some fun games in the cave. I loved caving and I would definitely do it again. That is what I did with the Year 7.

By Henry Routson 7C

Hi my name is Catherine and I've been with some year 7's the last few days, some of the things I've done have been amazing. First I went down a dark cave peeking out of someone's pocket. It got really dirty and dusty at some points but the caver knew the way and showed us some of the cool rock formations. Next we had archery everyone took shots at the hay targets with some yellow and pink bows but I wasn't very good. Last was surfing and everyone had lots of fun going "WEEWW"!! when we stood up on the boards. I really hope the camp is just as good next year.

Sports Report

Mr. Matt Harkin

As always, first term is chaotic with sporting events. The first major event occurred on Friday 6th February with our school swimming sports. The weather for the day was spot on and there was a great feel at the event. The action in the pool was intense, and so was the support provided by students, staff and parents.

All participants demonstrated great competitive spirit but of course there can only be one winner on the day. This year once again it was the Frayne house who were the victors on the day.

There were many fantastic individual performances on the day with our individual champions on the day were:

U/13 Chloe Davis & Patrick Ryan

U/14 Tully Watt & Toby Kent

U/15 Brianna Thompson & Scott Carlin / Patrick Johnstone

U/16 Hannah Justin & Tom Place

U/17 Stephanie Hibburt & Callum Grindal

U/20 Haylee Davis/Brie Reichman & Jack Williams

Coming up in the next couple of weeks we have students competing in bowls, golf and dressage competition, as well as our house athletic sports happening next Tuesday.

Term 1 - 2015 **Dates**

Friday 27th February
Mercy Presentation Ball @ Glenormiston.
No classes for Year 11 students.

Tuesday 3rd March
MRC Athletics

Wednesday 4th – Friday 6th March
Year 8 Princetown Camp

Monday 9th March
Labour Day holiday

Wednesday 11th March
School Photos
Year 12 Bowls Night 6:00pm – 9:00pm.

Tuesday 17th March
College AGM Board Meeting

Wednesday 18th March
HSSSD Swimming Carnival

Thursday 19th March
Year 7 Retreat Day

Friday 20th March
Year 9 Retreat Day

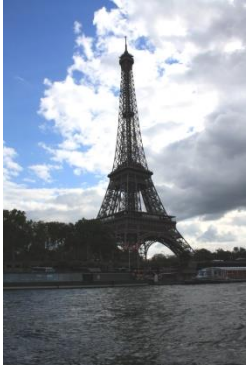

Saturday 21st March
Noorat Community Garage Sale

Thursday 26th March
Term 1 concludes for students
Parent Teacher Interviews (4:00pm – 8:00pm).

Friday 27th March
Term 1 concludes for staff
Parent Teacher Interviews (9:00am – 1:00pm).

France & Belgium Battlefields Tour 2015

Mr. Lachie Lee

We have had an excellent response to the upcoming Mercy Regional College France and Belgium Battlefields Tour.

If anyone is still interested I would suggest paying the deposit as soon as possible. We will have a cut-off number of 36 travellers.

Over the next few newsletters, I will concentrate on some of the stories of the Australians exploits in the Great War. When appropriate I will link these exploits with soldiers from our community.

[Photo of Edward Sadler].

John Sadler was from Kolora in the Terang district. He was in the 29th Battalion and arrived in France in late November 1916. He was killed in action on the 27 January 1917 so his time in the field was relatively short. He is buried at Guards Cemetery, Lesbouefs in Picardie France. In 2013 we visited Guards Cemetery to see several of the soldiers whom we had researched. Edward Sadler was one of these men. He was 23 years of age when he was killed.

His family would have felt his loss keenly and would have been mourning him when they received news that his older brother John had also been killed in action in France. John was 26 years of age and had been serving with the 24th Battalion initially at Gallipoli from whence he returned home to recover from enteric fever before returning to his battalion in France in 1916. He was killed on the 4 May 1917. His body was lost and is remembered on the Australian War memorial at Villers Bretonneux.

The Sadler brothers are related to a number of families in our school community including the Sergeants and the Moloneys. We can only imagine the sense of loss that could have overwhelmed the family. Lindsay Moloney remarked to me a few years ago that when they were kids they often used to wonder why everyone was "so sad". The Sadler boys' sister-in-law Mary is still alive today and living in Melbourne. She is 108 years of age.

We visit VB on our tour and take time to reflect that every one of the 11,000 names on the memorial of those missing without a known grave would have had family and friends at home who would have mourned them for the rest of their days.

[Edward Sadler's grave at Guards Cemetery, Lesbouefs, France].

Australian War Memorial, Villers Bretonneux France. John Sadler's name is to the right of the tower. I will speak at greater length about the importance of Villers Bretonneux to Australia's war in later newsletters.

Term 1 - 2015 Dates

Friday 27 th February	Mercy Presentation Ball @ Glenormiston tonight
	No classes for Year 11 students
Tuesday 3 rd March	MRC Athletics
Wednesday 4 th – Friday 6 th March	Year 8 Princetown Camp
Monday 9 th March	Labour Day holiday
Wednesday 11 th March	School Photos
	Year 12 Bowls Night 6:00pm – 9:00pm
Tuesday 17 th March	College AGM Board Meeting
Wednesday 18 th March	HSSSD Swimming Carnival

Friday 20 th March	Year 9 Retreat Day
Saturday 21 st March	Noorat Community Garage Sale
Thursday 26 th March	Term 1 concludes for students
	Parent Teacher Interviews (4:00pm – 8:00pm)
Friday 27 th March	Term 1 concludes for staff
	Parent Teacher Interviews (9:00am – 1:00pm)

Weekly Career News

TERM ONE

24 February 2015

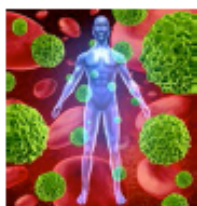

VOCATIONAL & HIGHER EDUCATION NEWS

Do you love maths, science and health? Have you considered studying biomedical engineering? "Biomedical engineering sits at the intersection of technology and human biology – applying the latest developments in computing, robotics and nanotechnology to medicine to ensure a better life for all of us.

Biomedical engineers create new technologies that improve disease diagnosis, find new and better ways of patient monitoring, revolutionise medical treatment and so much more".

You can specialise in areas such as

- Biomechanics
- Biosignal Processing
- Medical Imaging
- Biomaterials
- Neural Engineering
- Computational Modelling

"If you're fascinated by human anatomy and curious about artificial intelligence and robotics then you're going to love exploring biomedical engineering". UNSW have put together five reasons why you should consider studying biomedical engineering (includes videos!), <http://goo.gl/VZn67L>

Do you love photography? Deakin University has an annual photography competition for VCE students called 'Topshots'. You can now view the winners of the 2014 competition online - <https://blogs.deakin.edu.au/topshots/>

Keep in touch with La Trobe University and win! Just by signing up to receive online updates from La Trobe University, you will go into a draw to win a \$4500 Qantas holiday travel voucher. Sign up here- <http://goo.gl/Gcyv2j>

VOCATIONAL & HIGHER EDUCATION NEWS

Do you have a passion for science and the ocean? Have you considered studying one of the amazing programs at the Australian Maritime College located in Tasmania? They offer courses in:

- Ocean & coastal seafaring
- Maritime engineering – marine & offshore systems; ocean engineering; naval architecture
- Marine conservation, fisheries management and aquaculture
- Nautical Science
- Maritime & logistics management
- International logistics (freight forwarding)
- Maritime technology management

To learn about their programs, go to www.amc.edu.au/future-students

New combined courses at Australian Catholic University: From 2016, the Bachelor of Biomedical Science will be available to select as a combined degree with Law, Business Administration or Applied Public Health. A Bachelor of Teaching/Bachelor of Exercise Science is currently under development, www.acu.edu.au/720943

Have you considered studying a health course in the future? Deakin University's Faculty of Health is now on Facebook. Join the page to get up to date news about their courses, information days and expos, and to connect with current students and lecturers: www.facebook.com/DeakinHealth

VOCATIONAL & HIGHER EDUCATION NEWS

Confused about how to choose the right business degree for you? Monash University has helped out by providing tips on how to choose a course- you can choose a general business or commerce degree and then specialize later, or choose a specialist degree straight after school. Explore their tips here- <http://goo.gl/WcK1N>

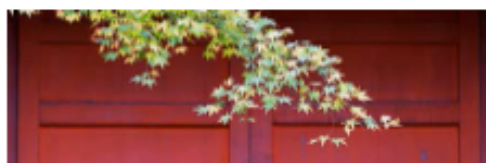

Improve your ability to study by eating brain foods! Monash University has a new post on their Destination Monash blog for secondary students called 'Brain Food'. They have listed some of the best foods that can assist with memory retention, health, alertness and brain health, <http://goo.gl/nqel6V>

Destination Monash: Make sure you bookmark the Destination Monash Tumblr page for updates on study skills, time management, and information about university life. All blogs have been written by current Monash students and are witty and entertaining, <http://destinationmonash.tumblr.com/>

Interested in Asia Studies? Australia National University (ANU), Canberra, has a wide range of scholarships available to assist their students studying Asia Studies to undertake overseas exchange placements.

- Click here for a full list of scholarships - <http://goo.gl/rRAuF>
- Click here to read stories from ANU students undertaking the Year in Asia program - <http://goo.gl/u9C3MS>
- Click here for information on their Asia Studies courses- <http://goo.gl/srLv22>

UPCOMING EVENTS

Upcoming events: March

- **7: UMAT Simulation Day**, St Vincent's Hospital, Melbourne, NIE, www.nie.edu.au
- **10 – 19: At Monash Seminar Series**, Monash University. For a list of dates, seminars and venues, go to <http://goo.gl/hvU8BT>
- **17 – 28: Meet Melbourne University**, dates and locations vary, <http://goo.gl/e2rhhR>
- **12: UNSW Medicine Information Evening**, UNSW, Kensington, <http://goo.gl/09m11s>
- **20: Arts, Psychology & Social Work MyDay**, Charles Sturt University, Wagga Wagga, www.csu.edu.au/go/myday
- **30: Science in the City and Laboratory Tour**, RMIT, www.rmit.edu.au/appliedsciences/discover

Upcoming Events: April

- **Zookeeper for a Day and Vet for a Day**, Healesville Sanctuary and Werribee Open Range Zoo, www.zoo.org.au
- **1: Forensic Science Careers Day**, Victorian Institute of Forensic Medicine, www.vifm.org/about-us/careers-at-vifm/
- **9 & 10: Experience La Trobe University**, Bundoora (9) and Bendigo (10) campuses, www.latrobe.edu.au/experience/events
- **Charles Sturt University MyDay events-** Nursing & Paramedics (23), Bathurst and Accounting, Business & IT (30), Albury-Wodonga, www.csu.edu.au/go/myday

Upcoming Events: May

- **7 – 10: The VCE and Careers Expo 2015**, Caulfield Racecourse, www.vceandcareers.com.au
- **Charles Sturt University MyDay events-** Nursing (24) and Community Health – Physiotherapy, Speech Pathology, Podiatry, Health & Rehabilitation Science, Occupational Therapy (28), Albury-Wodonga, www.csu.edu.au/go/myday

PUBLIC NOTICES

COBDEN FOOTBALL NETBALL CLUB

2015 JUNIOR PRE-SEASON TRAINING

IS RECOMMENCING ON

FRIDAY 20th & 26th OF FEBRUARY

AND FRIDAY 6TH OF MARCH

FROM 5PM-6.15PM

AT THE COBDEN REC RESERVE

**All current and new players aged from
Under 12s to Under 17s are encouraged to
attend all three trainings.**

**Attendance at training will count towards team
selection.**

Apologies or enquiries please text or call

Helene Myers 0400 864 865

1st Cobden Scout Group

The aim of the Scout Movement is to encourage the physical, intellectual, emotional, social and spiritual development of our youth members.

Joey Scouts (age 6 to 8 years) – meets Mondays from 4:15 – 5:15pm

Cub Scouts (age 8 to 11 years) – meet Thursdays from 7:00 – 8:30pm

Scouts (age 11 to 15 years) – meets Wednesdays from 7:00 – 9:00pm

Venturers (age 15 to 18 years) – meets Mondays from 7:15 – 9:00pm

For all enquiries please contact Steve 5595 1999

Or email 1stcobdenscoutgroupsecretary@gmail.com

TERANG JUNIOR BASKETBALL REGISTRATIONS CLOSING!!!

**Parents, If you have not already registered your
child/ren for play and still wish to, please attend the
Pre Season Skills Clinic or come into the Terang
Stadium between 4-5pm on Friday 27th of
February to register your children for the coming
1st Season 2015 competition.**

BASKETBALL SKILLS CLINIC

Terang Stadium

4-5pm

Friday 26th February

\$2 per child

Boys & Girls aged 7-10 welcome

The Corangamite Lions Football Club wants you!

Come-&-try day for the 2015 soccer season

Sunday, 1st March @11am

Scotts Creek Recreation Reserve

(Port Campbell-Cobden Road)

Suitable for middle-primary students up to Under 15s,
boys and girls....call Tony on 0429 006 478 with any
questions....or come along on the day and have your
questions answered in person over the BBQ lunch.

The St Patricks and Camperdown College

MT LEURA FUN RUN/WALK

Open to all members of the community

Come and have a timed run or take a leisurely walk up Mt Leura Rd, (approx 1.8 kms) or tackle the longer course (approx 4kms) with some off-road sections.

Medals and prizes for age category winners.

Every child participant receives a small prize for competing.

DATE: Friday 13th March, 2015

TIME: 5.00pm onwards for registrations
6.05pm start long course, 6.15pm short course

COST: \$5 adults, \$3 children.

REGISTRATION: forms available from the St Patricks and Camperdown College offices, or on race day at the showgrounds entrance.

Please note: pre-registration by posting forms to schools preferred, money to be paid on event day.

Enquiries: Kathy Hallyburton 0419 671 300,
or Claire Kempton 0402332963

Sausage sizzle

Giveaways

Prizes

St Patricks and Camperdown College would like to gratefully acknowledge the following organizations for their support: Corangamite Shire, Bendigo Bank, Wannon Water, Woolworths and Pollards Electrical.

Proceeds from this event will be donated towards the new Camperdown Playspace, for all families to enjoy.

Secondary School Holiday Program

April 2015

Got anything planned for these holidays? Why not head along to one of the Corangamite Shire holiday activities. Great day out, plenty of things to do!!!

These school holidays the activities will be...

Adventure Park, Geelong

Thursday 2 April

Cost: \$30 per student & \$35 per adult - includes return bus trip and entry with unlimited rides - BYO lunch and bathers

Buses	Depart	Return
Cobden Civic Centre	8.30 am	6.00 pm
Terang Senior Citizens	9.00 am	5.30 pm
Camperdown Killara	9.20 am	5.00 pm

Airodrome Trampoline Park, Shopping & Leisure Link, Geelong

Friday 10 April

Cost: \$30 per child & \$35 per adult - includes return bus trip, 1hr session at Airodrome and unlimited water slide and swim at Leisure Link - BYO lunch and spending money

Buses	Depart	Return
Cobden Civic Centre	8.45 am	6.00 pm
Camperdown Killara	9.00 am	5.45 pm
Lismore Post Office	9.30 am	5.10 pm

Bookings are essential for all holiday program activities. Please call 5593 7100 to book your place in advance. For further information please contact Catherine O'Flynn.

The Corangamite Shire reserves the right to alter or cancel any holiday program activity at any time. Activities run subject to bookings

How to train your Dragon 2

Wednesday 1 April
