

MERCY REGIONAL COLLEGE NEWSLETTER

ISSUE 3-2

7th August, 2015

Our Vision

Mercy Regional College serves a wide rural community which values growth and diversity in Catholic Education in the Mercy tradition.

Our Mission

In the Spirit of the Gospels we commit ourselves to the core values of community, inclusiveness, learning, care, justice and mercy, excellence and achievement.

Our Focus for 2015

"Through the Mercy tradition we encourage our community to seek knowledge, to nurture curiosity and to love learning".

From the Principal

This newsletter opens with a reflection on a well-known piece of scripture from St Paul's First Letter to the Corinthians where Paul celebrates the infinite creative power of Jesus, the ultimate craftsman:

According to the grace of God given to me, like a skilled master builder I laid a foundation, and someone else is building on it. Each builder must choose with care how to build on it. For no one can lay any foundation other than the one that has been laid; that foundation is Jesus Christ.

1 Cor 3: 10-11

High School Musical

As this newsletter goes out, Mercy Regional College's 2015 production of "High School Musical is about to open.

Three performances are scheduled this weekend, tonight at 7.30pm and tomorrow at 2.00pm and 7.30pm. Yesterday, the cast performed to almost 400 children and adults from St Patrick's, St Colman's and St Thomas' Primary Schools, Banana Splits Child Care and Cooida in Terang. The performance went very well with the wonderful voices of Mercy students complemented by the energy and enthusiasm of the young audience.

I will more fully thank the cast, crew and staff involved in the show in the next newsletter but strongly encourage anyone who has a chance to come along and support our amazing students.

At the time of writing, Friday night's show was almost sold out but there remain tickets for sale through www.trybookings.com/143830 or at the theatre door.

Upcoming Student Free Days

The week after next will be a short one for most Mercy students with two significant interruptions:

- **Monday 17th August is a designated midterm break for all students** and will give both students and staff the opportunity to rest after a hectic and cold first half of term. No classes will run on this day
- **Only Unit 3-4 classes will run on Tuesday 18th August** as staff will be undertaking a curriculum development day focused on scope and sequences at Years 7 – 10. Arrangements for all Year 12 students and those Year 11 students who have their 3-4 subject on that day will be as normal.

Year 10 Retreat

Good luck next week to all Year 10 students who will spend two days at Anglesea completing the Year 10 Retreat program. This retreat is a unique one with boys and girls in separate groups focusing on gender-based issues affecting them.

Yours in Mercy,

DR. DARREN EGBERTS
PRINCIPAL

Instrumental Concert

Mrs. Janet Backhaus – Music Coordinator

Our Instrumental Concert is only two weeks away and it is always a fabulous evening. Our Students and their teachers will again surprise and delight us with their inspirational and uplifting performances. Everyone has been working hard all year and we are looking forward to sharing our music with you. We hope you can make it.

Please note the date in your dairies and join us for a great night of music.

Date: Wednesday the 26th August
Time: 7 pm till 9.30pm
Place: Multipurpose Room - McAuley Campus, Mercy Regional College

Supper: Please bring a plate of food to share
Drinks provided

We look forward to seeing you there.

Term 3 Dates

Monday 10 August

- * Greater Western Netball – 7 & 8
- * France Meeting - Students & Parents (7:30 - 9:00 PM)

Tuesday 11 August

- * Year 10 Retreat
- * Year 9 Speaker - Victorian Police

Wednesday 12 August

- * Year 10 Retreat

Monday 17 August

- * Mid Term break no school for staff and students

Tuesday 18 August

- * MRC Board Meeting (7:30 PM)

Wednesday 20 August

- * Seeds of Justice at Araluen, Anglesea
- * Junior Debating. Geelong (5:30 PM - 8:30 PM)

Thursday 21 August

- * Seeds of Justice at Araluen, Anglesea

Tuesday 25 August

- * Cambodia Meeting with Clint Miller (3:30 - 5:30 PM)

Wednesday 26 August

- * Instrumental Music Evening (7:00-9:00 PM)

Monday 31 August

- * Country Kids Transition Day @ O'Keeffe Campus

Tuesday 1 September

- * HCSN Transition Day @ O'Keeffe Campus

Wednesday 2 September

- * Think Tank Day. Year 7-10
- * Year 11 Street Retreat

Thursday 3 September

- * Year 11 Street Retreat
- * Junior Debating - Geelong

Friday 4 September

- * Our Lady of Mercy Mass

Monday 7 September

- * Literary Day - O'Keeffe Campus

Wednesday 9 September

- * P/T/S Interviews, McAuley Campus (4:00 - 8:30PM)

Thursday 10 September

- * Greater Western Basketball Year 7 & 8

Friday 11 September

- * MRC Battlefields Tour departs

Monday 14 September

- * Mercy Parents' Consultative Group (5:00 - 6:30 PM)

Tuesday 15 September

- * MRC Board Meeting (7:30 PM)

Friday 18 September

- * **Term 3 concludes**

Pathways Community Lunch

Ms Williams and Mrs Henriksen

On Wednesday 29th July the Year 9 Pathways group cooked a scrumptious feast at Camperdown's Community Lunch. Students were involved in planning the menu which consisted of:

Roast beef and roast pork

Roast potatoes and pumpkin with garlic and rosemary

Honey carrots

Peas

Gravy

Cauliflower, broccoli and cheese sauce

Tomato and onion pie with breadcrumbs

Apple, ginger, coconut crumble with white chocolate and custard

We served up nearly 64 meals! It was all hands on deck and students did a great job at preparing the lunch. Lots of compliments from the guests! A great opportunity for the students to not only be involved in planning and cooking for a large group but also socialising with members in our community they don't know.

Head of Sport

Mr. Matt Harkin

A lot has been happening in sport recently at the College that is fantastic. Students continually put their hands up to participate that terrific to see.

New Football Jumpers

The PTFA kindly donated money to the sport area that we put towards new football jumpers. Football jumper design guru Daniel Beard quickly leapt into action and put together a terrific design.

We thank the PTFA for their contribution and look forward to putting them on show soon. Below is a selection of Year 9 boys modeling the new design.

Hampden combine Football

Last Tuesday eight Mercy students represented a combine team made up of the Hampden schools to take on Warrnambool College and Trinity College.

The team did very well on the day beating both opposition to win the cup. The Mercy students in the team also competed very well with Harry Darcy winning the Paul Couch medal for the best player in the team.

Players in the team were Scott Carlin, Harry Darcy, Dominic Cunningham, Ben O'Sullivan, Luke Justin, Patrick Smith, Tarj Anderson and Ben Toose.

Final scores were:

Hampden Combine	7	3	45
Warrnambool College	2	7	19

Hampden Combine	7	8	50
Trinity College	6	3	39

Harry Darcy who won the Paul Couch medal

The Hampden combine team

Greater Western Senior and Intermediate Netball

We had two runner up teams unfortunately at this competition but Emmanuel were just too good. The girls were great and played some awesome netball!! Beautifully coached by Mel Kavanagh, Claire O'Connor and Bethany O'Sullivan, safely driven by Graham Wadley who was also our first aid man for the day!

Greater Western Intermediate Basketball

Mrs. Chamon Vogels

Seven eager Mercy Regional College Intermediate women headed to Ballarat for the Greater Western basketball tournament on August 3.

Playing at the Minerdome, Year 10 students Sophie Blain, Maggie Suhan, Hailey Mahony, Chloe Gibson, Shelbie Carlin, Stephanie Smart and Alana Schulz took on Ballarat High School in their first match.

The girls started off well and kept pace with the more experienced local side in the first half. After a quick burst of accurate 2 and 3 point shots from Ballarat, they proved too strong by the end of the second half and pulled away to win 32 to Mercy's 23.

Mercy barely had time for a well-deserved break only to find within minutes that their next match was starting against fresh-legs, Portland Secondary College.

It was an even match through both halves with some rough play from both sides - all eager to post a win on the board. Maggie Suhan showed some accurate shooting and pumped through a series of 2s and 3s alongside Sophie Blain who showed her basketball prowess in both games. Tall girls Stephanie Smart and Hailey Mahony pulled some excellent rebounds and blocks in the defensive zone helping their side to reach 30 a piece with only minutes remaining. Chloe Gibson, Shelbie Carlin and Alana Schulz showed plenty of fitness keeping pressure on their opposition.

After some tense play Mercy respectfully went down by 1 point losing the match to Portland 32 to 31.

HSSSD Senior and Intermediate Basketball

Our boys and girls basketball teams competed very admirably last week at the HSSSD competition. Our intermediate girls were successful and will progress onto the next level in Ballarat. Well done to all staff and students who braved the cold stadiums and did the college proud.

Intermediate & Senior GW Table Tennis

Mr. Darren Cheeseman

Mercy Regional College sent 3 teams to the Western Zone Table Tennis competition in Ballarat on Monday 3rd August.

INTERMEDIATE BOYS: The team consisted of Harry O'Sullivan, Thomas Place, Zac Green and Charlie Finnerty. Due to a team withdrawing from the competition late it meant that it was only down to two teams. In a close battle Warrnambool College were the stronger team on the day and ran out victors.

SENIOR GIRLS: The team consisted Shai Karney, Claudia Lee, Jessica Quick and Anna Bourke. In a competition of three teams the girls were dominant and did not drop a match for the entire day defeating Horsham College and Ballarat Secondary College. A great team effort from everyone.

SENIOR BOYS: All of the students in this team were in year 11 therefore still have another year in this competition potentially. Daniel Kenna was the number 1 and had to battle against quality opponents including a state representative. Michael Pearson playing consistently all day as the number 2 and also a mention to Charlie Darcy for his efforts in both singles and doubles. Unfortunately the boys were unable to progress to the next stage.

A great day with all students representing their school with distinction. Well done.

Outdoor Ed Snow Trip

Mr. Darren Cheeseman

Last week 35 students completing VCE Outdoor and Environmental Studies made the trek to Mansfield and Mount Buller for the annual Skiing/Snowboarding camp. The first day we settled into our accommodation and picked up all of our equipment from Buller Sports as we were due on the mountain at 8.30am the next day for our lessons.

The beginners were keen to learn quickly as after the lessons they were free to try some of their new skills on the slopes. All instructors commented on how well the MRC students did in their lessons but still this did not stop a few falls from time to time. After a full day we left Mount Buller to recover for our second day.

We began the second day at the same early time slot but the lessons were altered based on how the students were going with their skiing and snowboarding. After 10am students again able to have some fun on the mountain and 4pm came around quickly. We returned all of our equipment to Buller Sports and then back to our accommodation for a meal, rest and recovery.

Well done to all students that attended with all helping out with the various duties such as cleaning and packing. A big thanks to Christian bus lines and in particular Darren Williams for his work on the camp and also to Ben Brisbane, Fr. Matthew Thomas, Bethany O'Sullivan and Ellie Kenna as the staff that attended last week.

Careers Report

Mrs. Jenny Phillips

Taste of Dairy program Day 1

Report by Kayla Lenehan

On Tuesday 28th July we were picked up at the Noorat Campus by the bus.

When we arrived at the Demo Dairy in Terang we met our teacher Matt Howe after he introduced himself he showed us inside. Then we met with Mortlake College and Brauer College students. We learnt about the dairy industry and visited Brian Dickson's Friesian dairy farm to see how to run a dairy farm.

When we got back to the demo dairy we had lunch. After lunch we designed our own farm, the last thing we did before we went home were some quizzes about Brian's farm and the farming industry.

Taste of Dairy program Day 2

Report by Patrick Johnstone

Wednesday 29th July. On the second day of the Taste of Dairy Program we started off the day by travelling from Noorat to the National Centre of Dairy Education. When we got there we went into the class room and learnt all about the rumen (the cow's stomach) and what it takes for a cow to produce 24 litres of milk a day. We also learnt how to score the condition of a cow.

Then at about 11am we went for a walk on the farm that the school operates and had a look at their herd to see whether a cow is healthy or not by looking at their manure.

We then headed back for lunch and after that we went to look at the Howe family's Jersey farm. We looked at their herd and all of their calves.

Then we got on the bus and travelled back to school.

Middle School News

Mr. Ben Brisbane

We are four weeks into second semester and all students would have been involved in some kind of activity outside of the classroom. This is activity term and the busiest for the year. Activities like High School Musical, Ski Camp, Netball, Basketball, Table tennis, debating, social justice team, Retreats and BRICK's program and more have kept students on their toes.

Two weeks ago we sent home communication regarding guidelines for homework and organisation. This term is the time to get into the habit of organising time to complete tasks and set routines. Outside of school we will see football and netball finals starting this weekend and this always brings excitement as well as panic with assessment tasks. Hopefully all students have taken the time to digest these expectations and tailored them to fit their lifestyle and their families.

In week 2 we held our Term 3 Middle School Assembly. During the assembly we affirmed many students on their great work through our Blue Slip program and also presented our Term 2 Middle School Award recipients. This meant that the following students were recognised for the work they do in class, the school and the community.

Year 9

- Demby McKenzie
- Sophie Rowan

Year 10

- Chey Beaver
- Alexander Wallace

Hopefully the positive postcards are making it home to fridge doors as well. There are many positive things happening in middle school and all students should be congratulated. A special mention goes out to all our Year 9s and 10s participating in High School Musical. They have all been doing a great job and middle school are very well represented. Good luck over the weekend! Also a big thankyou to Chloe Gibson for presenting to our assembly her experience in Gallipoli.

Next week our Year 10s head off on retreat. It is always a good time had and a very useful time for self-reflection. With the busy nature of Term 3 it is an ideal time for our Year 10 students to take breath, reflect and focus on what life may hold for them in the future.

Thank you again to all parents for your efforts. Communication with the school has been fantastic. Please keep us informed if your child is away ill, on holidays or feeling the effects of certain events.

Warrnambool Eisteddfod: Year 9/10 Debating Section

Mrs. Leesa Henriksen and Mrs. Jo Saunders

On Wednesday 30th July four teams competed at the Warrnambool Eisteddfod at King's College Warrnambool in the debating section:

<p><u>YEAR 9</u> <i>That it is more important to be persuasive than right</i></p> <p>Demby McKenzie Joshua Newcombe Sophie Rowan</p> <p>Against Terang College won by 5 points. Awarded first place overall in the Year 9/10 section. Team worked very well together to plan their debates. Their manner and delivery was very polished. Demby McKenzie was awarded best debater overall in the Year 9/10 section.</p>	<p><u>Year 9</u> <i>That tertiary education should be for free</i></p> <p>Bella Giblin Tate Tregea-Copeland Alexander Wallace</p> <p>Against Mortlake College lost by 2 points. A very close and enjoyable debate to watch! Fantastic rebuttal put forward by Tate and Bella. Alexander was an excellent first speaker!</p>
<p><u>YEAR 10</u> <i>That a picture is worth more than a thousand words</i></p> <p>Millie Parker Stella Baker Campbell Ailie Bateman</p> <p>Against Mercy Year 9/10 mixed won by 7 points. Awarded second place overall in the Year 9/10 section. All three worked and spoke well in a very tough debate. Outstanding rebuttal by Ailie!</p>	<p><u>YEAR 9/10 mixed</u> <i>That a picture is worth more than a thousand words</i></p> <p>Tate Tregea/Copeland Chloe Gibson Chey Beaver</p> <p>Against Mercy Year 10 team lost by 7 points. Very strong well prepared arguments by this team in a difficult debate! All speakers spoke with great confidence.</p>

All students were fantastic ambassadors for our school. Students were well prepared, dressed immaculately and spoke with great confidence and clarity. They had given up a lot of their own time to prepare their debates and it was wonderful to see them shine on the day. There are many skills that are developed through getting ready for a debate: team-work with like-minded peers, public speaking, researching, listening and note taking. The power to persuade is a highly respected skill and there is no better way to master this than through debating. Well done everyone!

Head of Teaching and Learning VCE

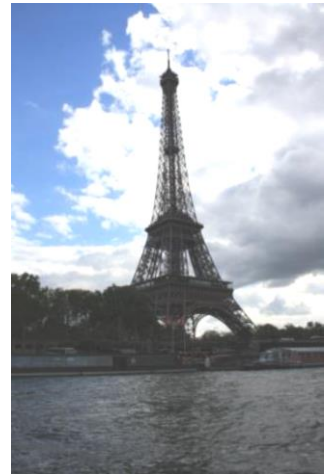

Mr. Lachie Lee

Senior Students Attendance

Recently we have had a few instances of Senior School students being absent from school without any substantial reason. Generally, when we follow up these students they offer a reason, sometimes sound, at others not so. It needs to be stressed that for successful completion of both the VCE and VCAL certificates, attendance at class is a compulsory component of the certificate. While we are sympathetic to legitimate reasons for lack of attendance, some excuses can be reasonably weak. I would ask that parents and guardians support the school in reinforcing this process.

Mercy Regional College France and Belgium Battlefields Tour 2015

This weekend we commemorate the Centenary of the Battle of Lone Pine at Gallipoli which lasted from 6-9 August 1915. It is also, however, the anniversary of the Battle of Amiens fought in the Somme region of France on the 8th August 1918. While Lone Pine remains in our memory as a heroic disaster, as was much of the fighting at Gallipoli, Amiens was a different matter entirely. The Battle of Amiens was the opening battle in what has become known as the Hundred Days Offensive. The Australian General Monash was very much involved in the planning and for the Australian Corps was at the forefront of the battle and many of the subsequent advances of the offensive. For the first time all the components of modern warfare were united to achieve a well thought out and achievable goal. At the end of the day the allies had created a hole in the line 24 kilometres wide, they had captured 330 German guns, 17,000 German prisoners and inflicted 30,000 casualties on the German Army. The allies themselves had lost 6,500 casualties, in the context of the time an acceptable figure.

In the weeks prior to this battle Monash had planned and executed a smaller version of the battle in the Battle of Hamel. This battle also co-ordinated airpower, tanks, artillery and infantry; a far cry from the First Day of the Somme two years before when the hope was to open up a whole in the German front to allow the cavalry to storm through in a display of élan that came straight from the nineteenth century. The Battle of Hamel was planned to last 90 minutes and lasted 93. My own thoughts are that he would have been asking questions about those extra three minutes!

On our tour we visit both the Australian Memorial at Hamel and the 2nd Division Memorial at Mont St Quentin. This memorial is to the 2nd Division and it was here that they attacked and took the German positions and then pushed on to take the town of Peronne. This town is, like many of the other places that we visit on our tour, linked to the Australian story of the First World War but is also an example of the ancient communities of this part of the world. The Chateau de Peronne an old castle in the town is the home of a museum of the First World War, the Historial de la Grande Guerre.

We have a meeting of travellers and families at the O'Keeffe Campus in Noorat at 7.00pm on Monday 10 August. Kim from Helloworld will be bringing some travel documents and other information.

Please bring something for supper. I look forward to seeing you there.

NOTICES

Start collecting for your school now

The Woolworths Earn & Learn program gives Schools and Early Learning Centres around Australia the chance to earn new educational resources.

Make a difference for your local school

- Simply shop at Woolworths and you will receive one Woolworths Earn & Learn Sticker for every \$10 spent.*
- Stick the Woolworths Stickers onto the Woolworths Earn & Learn Sticker Sheet inside.
- Once it's complete, pop it into a Collection Box at your school or local store. You can download more Woolworths Earn & Learn Sticker Sheets from our website woolworths.com.au/earnandlearn

*excluding tobacco, liquor and gift cards.

Last year more than 14,500 schools and Early Learning Centres benefited from the program, boosting supplies in classrooms, libraries, music rooms, gymnasiums and science labs.

It's easy to earn valuable resources to help your local school, so start collecting your Woolworths Earn & Learn Stickers today.

Go to woolworths.com.au/earnandlearn for more information, terms and conditions and answers to frequently asked questions.

Camperdown Amateur Basketball Association Inc.

It's time to register for the upcoming 2015/16 season!

Registrations are being taken online from now until the end of Term 3, Friday 18th September. To register, just follow these simple instructions:

- Google 'Camperdown Victoria Basketball Association'.
- Click on our Fox Sports Pulse link.
- Welcome to our website! (This will be a source of valuable information during the season).
- Click the 'Register Here' button on the right.
- Choose how many competitors you are registering and click 'Next'.
- Choose 'I am registering for the first time' and 'Continue'. (Once registered you will receive a user name and password to use from next year).
- Enter your personal details and click 'Continue'.
- Enter your contact details, choose the appropriate affiliation fee, read the Terms & Conditions and click 'Continue'.
- To confirm your registration, 'Proceed to Payment'.
- Thank you for registering for the 2015/16 season, more information will be advertised in school newsletters, newspapers, on our Team App and website prior to the season starting in Term 4.

Senior Men and Women:

We are accepting both names and teams for our Senior Men and Women's competitions. If you only submit your name, we will endeavour to find you a team. If you have a team, after all players are registered online, please email your team name and list of players to the email below.

Fees are as follows (these are now paid online when you register):

Midgets \$75 Juniors \$85 Seniors \$95

Family discount now available:

If you have three or more family members playing, each player will have \$10 put towards their court fees at the beginning of the season.

If you have any queries or concerns, please contact President Jess Van den Eynde on 0400 863 396, Secretary Amy Stephenson on 0417 013 962 or Treasurer Mel Micallef on 0408 672 294.

Association

How to Register Online

1. Google "Terang Junior Basketball" click on the first link that appears. This is our Fox Sports Pulse website.
2. Select how many children you are registering then Select Next
3. Select which applies to you (if in doubt select 'I am registering for the first time') and follow the prompts.
4. Fill in the player basic info and select next.
5. Select the correct season that you are registering for. For example '2015 2nd Season- Winter'
6. IMPORTANT if you have any necessary requests such as your child needs to be in a team with their sibling or cousin of same age group for travel purposes etc. you must clearly state this here. ALSO we rely on parents to coach their children's teams, if you or another parent or older sibling can coach, please state it here clearly with their first and last name.
7. Fill in the requested info, read and agree to terms and conditions and click confirm.
