

MERCY REGIONAL COLLEGE NEWSLETTER

ISSUE 4-2

Friday, 28th October, 2016

FROM THE PRINCIPAL

Our Vision

Mercy Regional College serves a wide rural community which values growth and diversity in Catholic Education in the Mercy tradition.

Our Mission

In the Spirit of the Gospels we commit ourselves to the core values of community, inclusiveness, learning, care, justice and mercy, excellence and achievement.

Our Focus for 2016

"Through the Mercy tradition we seek to act with love, fairness, tolerance and compassion to all".

The last week has been a significant one for the College in a liturgical sense with two important Eucharistic celebrations:

On Tuesday evening, a number of staff plus two 2017 student leaders joined me at St Mary's Church, Colac for a memorial mass for the life of Fr Bob Markey. Fr Markey passed away last month and Tuesday's celebration reflected the European practice of coming together four weeks after a funeral. The importance of Fr Markey to the foundation and early life of Mercy Regional College (then Catholic Regional College) is reflected below in the summary used at our term 2 whole school mass.

Photos to the right is Bob Markey's sister Margaret with Sarsha Anderson and Laura Schulz.

Fr. Bob Markey was the Parish Priest of Simpson. It has been warmly reflected that Bob was certainly an independent spirit and managed over the years to do many things "his way". He had a consistent and profound disdain for all he classified as bureaucrats, vainly seeking to tell him what to do – whether in society at large or in the Church. Bob was in his element in Simpson. His tenacity and drive ensured parents from the Heytesbury Settlement in particular, had access to Catholic secondary education rather than sending their children to Catholic boarding schools in Hamilton, Ballarat or Melbourne. He canvassed parents continuously to enlist their support.

On Wednesday, more than 300 Year 5 – 8 students from St Colman's, St Thomas', St Patrick's and Mercy Regional College came together at St Thomas' Church in Terang to celebrate the current Year of Mercy. The mass was the first part of a day that included shared activities at our O'Keeffe Campus, a staff morning tea and plenty of opportunities for students from across the four schools to renew old friendships. A highlight of the mass was the combined schools' choir with almost 100 students coming together to sing under the guidance of Mrs. Freya Egberts, Mrs. Marie Ewing and Mr. Mick Saunders. Congratulations and thanks to the overall coordinator of the day, Mrs. Jo Saunders.

My prayer today reflects on the papal Year of Mercy which comes to an end next month:

Lord Jesus Christ,

You are the visible face of the invisible Father, of the God who manifests his power above all by forgiveness and mercy: let the Church be your visible face in the world, its Lord risen and glorified. You willed that your ministers would also be clothed in weakness in order that they may feel compassion for those in ignorance and error: let everyone who approaches them feel sought after, loved, and forgiven by God.

Send your Spirit and consecrate every one of us with its anointing, so that the Jubilee of Mercy may be a year of grace from the Lord, and your Church, with renewed enthusiasm, may bring good news to the poor, proclaim liberty to captives and the oppressed, and restore sight to the blind.

We ask this through the intercession of Mary, Mother of Mercy, you who live and reign with the Father and the Holy Spirit for ever and ever.

Amen.

Year 12 Final Day

Last Wednesday, Mercy Regional College said farewell to the class of 2016 through a range of activities organized by students, staff and families. Key amongst these was the Year 12 final assembly in the afternoon; with their parents, families, many grandparents and friends watching, the year level put on a great show that celebrated the funny, memorable and unique moments of the previous twelve months. The day also included a wonderful "Mercy's Got Talent" with acts across a variety of musical spheres – the talent on display was amazing and appropriately received great affirmation and applause from their audience. The final day for Year 12 students is a major signpost in the lives of these young people and it is always most heartening to see the students, their families and Mercy staff enjoying themselves in a safe, respectful and positive way. It is a strong affirmation of our core goal as a Catholic school – growing young people into the most fully human persons they can be.

An enormous vote of thanks to the Mercy staff who have supported these students in recent weeks and indeed throughout their years of secondary education. A special congratulations to the senior school team of Mrs. Lesa Thornton, Mr. Lachie Lee and Mrs. Stacey Madden who guided and supported the students in their final days and who continue to as they complete exams. Also thanks to those responsible for "Mercy's Got Talent" – Mrs. Janet Backhaus, Mr. Luke Bouchier and Mr. Brendon Norman.

Mercy Arts Night and Car Raffle

A reminder to all parents, families and friends that our annual car raffle will be drawn on **Wednesday 16th November** and therefore all tickets sold or unsold need to be returned by that date. Although the raffle draw is the highlight of the evening, the opportunity for parents and families to view the students' art and technology work is a wonderful one. Their work is always quite amazing! This year, we have decided to adjust the timing of the evening to make it more family friendly, therefore the evening will run from **4.00 – 7.00pm** with the raffle draw at 6.30pm. I encourage as many families as possible to join us – you may drive away in a new car!

End of Year Thanksgiving Mass and Awards – Change of Time

This year, we have taken the decision to change the timing of our End of Year Thanksgiving Mass and Awards from an evening to a daytime event. This change reflects our desire to enable all students (Year 7 – 10) to be a part of the celebration as well as giving those parents and family members who can join us during the day the opportunity to do so. Each Mercy Regional College family will receive an invitation in the next couple of weeks but the celebration will be held on **Tuesday 6th December at St Thomas' Church, Terang starting at 10.00am.**

Board Holiday and Cup Weekend

A reminder that next Monday 31st October and Tuesday 1st November are holidays for Mercy Regional College and no classes will run. Good luck to those students whose VCAA Unit 3-4 exams continue over the long weekend.

Student and Staff Activities

Despite the ongoing cool and wet weather, many activities have been of note in the last two weeks:

- This week saw the return of our intrepid students and staff who were part of the Kimberley Immersion program based in Halls Creek, Broome and Fitzroy Crossing. All returned well and, for most, profoundly affected by the people, culture and landscapes of the north-west. We look forward to their stories and photos in future newsletters.
- Last Thursday, our teaching staff spent a most productive day in domain and year level teams exploring the new Oxford texts and eBooks for 2017. Thanks to our learning and teaching leaders for their coordination of the day.

- Yesterday, all Year 10 students travelled to Warrnambool for "Discover Deakin" day where various course and career options were showcased. It is pleasing to see the renewed energy and resources that Deakin University has committed to the South-West.
- Congratulations to those students who have been recognised in the last week at local and regional awards: to the Design Technology students whose work was featured at the Spotlight Awards in Warrnambool and to those recognised at this week's SWTAFE Trades Awards.

Below are calendar dates for the remainder of the year and significant dates for the commencement of 2017.

Yours in Mercy,

DR. DARREN EGBERTS

MERCY REGIONAL COLLEGE FRANCE AND BELGIUM BATTLEFIELDS TOUR 2017

Lachie Lee

The focus of the Mercy Regional College France and Belgium Battlefields Tour is, of course, the battlefields. After we depart Paris, we will spend the next two nights in the ancient northern city of Amiens. The city has been a hub on the Somme in Picardie for centuries and as such has seen armies from all over Europe and the world pass through its gates. The cathedral built between 1220 and 1270 is a World Heritage Site and is the largest 13th Century cathedral in France. It stands beside the Somme River along the banks of which are a number of interesting and quaint restaurants. We may try some of these and eat the famous local canard (duck), "La ficelle Picardie", an oven-baked cheese-topped crepe and even escargot (snails)!

Inside the Cathedral there are memorial to the Australians who served here during the First World War and who would have walked these same ancient cobbled streets. It is easy to imagine young men and women from our communities gazing at the medieval architecture of the cathedral while on leave from the dangers and stresses of the Front which was only twenty kilometres away.

Nearby is the small town of Villers Bretonneux where the Australians fought in 1918. In March of that year the Germans broke through and were on the point of capturing the city of Amiens when they were halted at Villers Bretonneux. Amiens is a rail centre for the north of France and gives easy access to Paris.

Even today it is a strategically important part of the French rail network. On the night of the 24 and 25 April 1918, troops of the 5th Australian Division attacked the village and drove out the Germans. This

action is seen as one of the most decisive of the war in which Australians participated and yet is largely unknown at home. Not in France however; the township of Villers Bretonneux has a special relationship with Australia, particularly Victoria and is twinned with the Murray River town of Robinvale.

In the aftermath of the war Victorian schoolchildren donated money to the local school and it is known as Victoria School. Signs in each classroom and in the playground acclaim Never Forget Australia or N'oublions jamais l'Australie (Let us never forget Australia).

The Australian War Memorial in France is also situated in Villers Bretonneux three kilometres outside of the town on the road to Corbie. This memorial carries the names of 11,000 Australians who were killed in France and have no known grave. There are many names of local residents from our community inscribed on these walls.

We will make Villers Bretonneux a major focus of our first day on the battlefields of rural France. The beautiful fields of France, the rolling country stand in stark contrast to the horrors of the battlefields of the First World War.

REMINDER

2016 CAR RAFFLE

Will be
DRAWN WEDNESDAY
16th NOVEMBER
ON ARTS NIGHT
@ 6:30pm

ALL TICKETS
(SOLD OR UNSOLD) AND MONEY
MUST BE RETURNED TO THE COLLEGE OFFICE BY:
FRIDAY, 4th NOVEMBER, 2016

'Early Bird Book Sellers Prize'

We congratulate
Therese Moloney
the winner of this year's prize
1kg block of Toblerone
valued at \$150.

Careers News

Mrs. Jenny Phillips

Year 10 Discover Deakin Day – 27th October

'Discover Deakin' at Warrnambool was an experiential day for the students and provided them with a taste of university life. The students heard from a keynote speaker before participating in two workshops, or tours of their choice.

Report – Sophie Rowan

Our keynote speaker at Deakin was by a psychologist who spoke to us about how to find our personality types and learning styles and what jobs would be best suited to these styles. She asked us to discover the characteristics that we resonated with the most and then see which study tips correlated with our choice.

We then split into multiple groups and headed off to the workshop of our choice. My first workshop was 'Study Abroad', where we learned about how we can choose to study internationally with the help of Deakin and their overseas partners. We heard anecdotes about peoples' amazing overseas university experiences, as well as how they were able to be a tourist as well. It was a great chance to learn about an incredible study option that I hope to be part of in the future.

The second workshop I went to was Health Sciences where we learnt about the different courses available in the Health Sciences Faculty and what jobs are available after completing the course. We also participated in an activity where we were shown a picture and we had to guess which area of Health Promotion it related to. Overall the day was very informative and a great opportunity to learn about possible future studies.

Year 12 Cadetship Opportunity

Applications for the 2017 Doxa Cadetship Program are now open. This is a program that offers students support during their undergraduate degree, by providing financial assistance, skilled mentors, professional training and relevant industry work placement. Interested students should collect an information booklet from the Careers Room. Applications are made via this link <http://doxa.force.com/DoxaCadetshipProgram>

Need some help with your study

Deakin University has a digital content hub called 'this'. It has lots of interesting articles including:

- How to beat exam study and stress
- Six ways to make the most of your study breaks
- How to organize your study sessions
- Effective ways to memorise for exams

Career News

The latest Career News and Year 12 Resource material is available through the link on the Careers Section (under Important Info.) of the MRC Website Homepage.

Mercy's Got Talent

Luke Bouchier

Last year I posed the question – could Mercy's Got Talent get any better? On Wednesday October 19th, staff and students were blown away by the sheer talent across the entire school. We all agreed – yes it could, and it did.

When the lights went down and the cheer went up, we were treated to twelve musical performances, ranging in diversity of instruments and song selection. We witnessed the inclusion of brass in 2016, which was refreshing. Students from the O'Keeffe campus performed both individually and in groups, with poise and composure beyond their years. This year also gave rise to some up and coming superstars who will undoubtedly be on the stage both at Mercy Regional College events and in their community in coming years.

Each performer, be they individual or part of a group, is deserving of praise for their excellent performance this year. It is a challenging thing to stand in front of five hundred of your peers, teachers and parents, to sing, play, and entertain. Well done to the following students for performing on the day: Stacey Riches, Libby Pringuer, Megan Pringuer, Isabel Rowan, Jack Hands, Hayley Wason, Victoria Steel, Grace Moloney, Luke Lenahan, Brigitte MacDonald and Matt Murray.

Of course, Mercy's Got Talent would not be possible without the assistance of staff at our school. I would like to thank all members of staff for their willingness to offer assistance and to encourage a positive environment for performance. It was clear to see that this collective effort is well and truly paying off.

I would also like to thank a couple of special individuals. Firstly, Janet Backhous, co-organiser of the event; this event would not continue without her enthusiasm and ongoing organisation. It is invaluable, and I am very grateful to work alongside her on great events like this. Secondly, Brendon Norman for helping with set up and pack up, as well as helping Janet get performers ready and organised on the day. And lastly, Chris Barks, whose expertise was once again appreciated. Thank you to Janet, Brendon and Chris. With the bar set so high now, I cannot wait to see what raw talent emerges in 2017!

Spotlight Student Design Awards

On the 24th October four students represented Mercy at the annual Student Design Awards held at Brauer College. Two Year 10 students were Lauren Huth and Faith Thornton and two Year 11 students were Samantha Evans and Tara Suri, showing off their garments made for their Design Technology 1, 2 Unit.

Congratulations to all girls for participating, Samantha Evans came runner up in the Senior Evening Wear section and Faith Thornton won the Senior Encouragement Award in the Day Wear section.

Jenny Binder

Lauren, Faith, Tara and Samantha.

Faith

VCAL / VET

2016 Trades Awards

On Wednesday 26th October, SWTAFE Warrnambool held the 2016 Trades Awards at Deakin University.

This awards night recognises students for outstanding achievements in their trade.

Congratulations to Jack Ross (Year 10), who in his first year of VETis Engineering, won the High Achieving Student award.

Rose Henry

Congratulations

We were all rapt to hear Stacey Riches perform recently at Mercy's Got Talent. She always delights us with her bagpipes and we are pleased to announce that Stacey has been awarded the traditional Highland Quaich Trophy for the Victorian Pipers Association C Grade Piper of the Year. Stacey received her award at the VPA AGM on Sunday 16th September at Presbyterian Ladies College Melbourne. Stacey has now been upgraded to B Grade. We are thrilled for you Stacey. You work hard and you truly deserve to be rewarded for your incredible musicianship.

positive partnerships

Working together to support school-aged students on the autism spectrum

Free one day workshop for parents and carers

Workshop: 16-17VICPC4

Location: Warrnambool VIC

Like all school-aged students, young people on the autism spectrum benefit from strong, positive relationships between home and school. Positive Partnerships use evidence based materials and practical resources to help support these relationships by facilitating workshops for parents and carers.

This workshop is suitable for parents, full time carers and grandparents.

What will you gain?

The Positive Partnerships parent/carers workshop intends to:

- Increase understanding of the impact of autism on learning
- Introduce a planning tool that can be used to share an understanding of your child
- Explore ways to work in partnership with your school
- Share information about how to access support both inside and outside of school
- Provide an opportunity to network and share strategies with other parents/carers

Workshop details

Venue: Mid City Motel
525 Raglan Parade
Warrnambool VIC 3280

When: One day workshop – Tuesday 8 November 2016
9.15 am – 3.00 pm (Registration from 8.30 am)

Optional session available for those that are able to stay from 3 pm – 4 pm with a focus on "Understanding Behaviour"

Online registrations open on Tuesday 27 September 2016 and close two days prior to the workshop.

If you have an email address and access to a computer please register directly through our secure website www.positivepartnerships.com.au

You will receive a confirmation email of your registration.

If you have any enquiries phone the Positive Partnerships Infoline 1300 881 971 or email parentcarer@autismspectrum.org.au

The Positive Partnerships initiative is funded by the Australian Government Department of Education and Training through the Helping Children with Autism package.

The views expressed in this publication do not necessarily represent the views of the Australian Government or the Department of Education and Training.

PUBLIC NOTICES

Are you 15 or older and interested in learning CPR and basic lifesaving skills?

The Port Campbell Surf Life Saving Club is running a Bronze Medallion Course (the basic qualification for Surf Lifesaving) on November 25, 26, 27.

For enquiries contact Scott McKenzie (Chief Instructor)
scott.mckenzie.999@gmail.com or 0428 375 837.
