

# MERCY REGIONAL COLLEGE NEWSLETTER

**ISSUE 1-1**

**9<sup>th</sup> February, 2018**

## **FROM THE PRINCIPAL**

### **Our Vision**

Mercy Regional College serves a wide rural community which values growth and diversity in Catholic Education in the Mercy tradition.

### **Our Mission**

In the Spirit of the Gospels we commit ourselves to the core values of community, inclusiveness, learning, care, justice and mercy, excellence and achievement.

### **Our Focus for 2018**

"Through the Mercy tradition we welcome and celebrate individual difference".

---

Welcome again to the new school year of 2018 and a special welcome to those parents and families who are new to the Mercy Regional College community. Our College newsletter is published electronically every fortnight and provides the most important means of communication with our families and broader community.

My reflection today is taken from our College Commencement Mass held today and was read by our College Captain, Edward Lee. The theme of St Paul's words to the people of Corinth is the breadth of God's gifts given to us; a breadth reflected in the variety of activities detailed in this newsletter:

*"There are different kinds of gifts, but the same Spirit distributes them. There are different kinds of service, but the same Lord. There are different kinds of working, but in all of them and in everyone it is the same God at work."*  
(1 Corinthians 12:4)

Next Wednesday sees the start of the important liturgical season of Lent where Catholics are challenged to prepare for the Easter season. Ash Wednesday's solemnity provides a clear beginning for the Lenten focus on alms-giving, service and prayer. Next Wednesday, Mercy staff and students will join students from St Patrick's School at an Ash Wednesday liturgy at St Patrick's Church.

## **Staff News**

Congratulations to Matt and Claire Harkin on the arrival of their second child Maisy Maree Harkin on Monday; Maisy arrived in the world weighing 6 pound 14 ounces. Fantastic news for Claire, Matt and Maisy's sister, Sylvie.

## **Commencement Mass and College Assembly**

As I write this article, preparations are almost complete for our Commencement Mass on Thursday that will be celebrated in the de Chantal Stadium by Fr Gerry and Fr Neville. The celebration of Eucharist as a whole College community is a particular mark of a Catholic school and emphasises the foundations of our school community in the Church.

Following the Mass, we had the opportunity to celebrate the outstanding student achievers across Unit 3 & 4 subjects in 2017.

I would like to congratulate the College's two outstanding students for the year:

- **Sarah van der Schans who was the College's dux achieving an ATAR score of 95.4.**
- **Cheyenne Beaver who was awarded the College's Year 12 Spirit of Mercy Award.**

*Sarah Van der Schans, Dr. Egberts, Cheyenne Beaver*

Congratulations to each of the students who achieved the highest mark in their Unit 3/4 subject:

***New Students in Years 8 -11:***

### **Camps and Retreats**

This week and next see many students involved in extended activities beyond the classroom with Year 12 students on retreat and Year 11 students in Melbourne for three days, and Year 7 students at Cape Bridgewater and Year 10 students on Work Experience.

The initial reports I have heard regarding the Year 11 students' time in Melbourne have been very positive while I was privileged to spend three days with our Year 12 cohort at Norval Camp, Halls Gap.

***(Year 12s dressed ready for the formal)***

Our senior students were simply outstanding throughout their retreat contributing with enthusiasm, maturity and respect. Of particular note was the affection with which they spoke of their teachers, families and friends.

### **Presentation Ball**

The College's annual Presentation Ball will be held at Glenormiston College on the evening of Friday 2<sup>nd</sup> March and rehearsals commenced for Year 11 students last week. I would like to thank Tash Swayn and Tracey Baker for offering to coordinate arrangements for the night with the ever-capable Rose Henry mentoring them in this complex task. Over the next two weeks, students and families will be receiving a series of letters detailing all arrangements for the night.

### **Finance Committee and Board membership**

The College Board of Management is an important organisation within Mercy Regional College supporting the Principal and Canonical Administrators with governance and policy. The College Board meets eight times a year in the evening. The Board AGM will be held next month with up to two vacancies and I invite any parents who may be interested in joining the Board to contact my secretary, Mrs. Sue Bohm. Membership of the Board needs to reflect our regional nature and diversity of family situations.

The College Board Finance Committee supports the work of the Board and provides oversight and advice to the Business Manager and Principal. We are also looking for a couple of parents who have experience or interest in finance and/or managements to join the Finance Committee. It meets eight times a year after school.

### **College Sporting Carnivals**

Good luck to all those who are a part of today's College Swimming Carnival; our sports days are an integral part of College life and provide all students and staff the opportunity to enjoy a day together.

A reminder that the College Athletics Carnival will be held on **Tuesday 20<sup>th</sup> March.**

### **Student Achievements**

- Port Campbell rowers.
- Congratulations to Erin McLean and Patrick Ryan who have been awarded Spirit of ANZAC Prizes. Pat is off to Darwin & Singapore and Erin to Canberra later this year. Their proud parents and Mrs Tania Bruckner were in attendance at the presentation in Melbourne on Monday.
- Congratulations to all students who had success at the broad range of sporting competitions held over the December-January break, be it in cricket, basketball, tennis, equestrian, surf life-saving or other sports.

Yours in Mercy,

**DR. DARREN EGBERTS**  
PRINCIPAL

## **From the Assistant Principals**

*Mrs. Berni Sinnott & Mrs. Claire Wrigley*

We would like to take this opportunity to welcome all families back to Mercy Regional College for 2018. To our new families that have joined the Mercy community for the first time we look forward to working with you to ensure your child makes a positive start to their new school. The Year 7 students have made a fantastic start and appear to be settling in well to secondary school life.

### **Parent Access Module**

The Parent Access Module is designed to provide relevant, informative, valuable and timely information about the academic progress of your child, along with the College calendar, daily notices, attendance record, timetable, booklist behavioural tracking count and also the ability to book your parent teacher interviews online.

To access the Parent Access Module, go to the College Website – <http://www.mercy.vic.edu.au/pam> If you have forgotten your username and password from 2017, please click on the **Forgot Password** link. New parents would have received their login details at the parent information night and BBQ. Once you log in, you will see the photo and name of your child or children. Click the photo to explore the learning areas (subject homework and assessment tasks) and further around the Parent Access Module. If any parents would like dual PAM accounts, please contact reception.

It is encouraged that parents would access the Parent Access Module on a weekly or fortnightly basis throughout the term, and have frequent discussions with your child on their academic progress and completion of assessment and homework tasks.

If you are having any difficulties logging in or navigating around PAM, then please contact the College office.

### **School Diary**

All students have received their Student Diary for 2018. Included in the diary are many of the College procedures and expectations. We would ask that all parents take some time to look through your son/daughter's diary and familiarise yourself with College expectations, particularly the section on uniform.

### **Uniform**

Students have been reminded that socks are to plain ankle length black (boys) and white (girls). We have clearly explained to students that hair needs to be tied back and jewellery needs to be kept to a minimum. Female students are able to wear one ring, one bracelet and one set of earrings. Staff have been emphasising the importance of maintaining high standard by students wearing the correct uniform.

Support from parents to assist in maintaining a high standard of uniform by ensuring your child has the correct uniform items would be appreciated. Mercy Regional College hats are also compulsory in term 1 when outside for recess and lunch and during PE lessons.

### **Mobile Phones**

We acknowledge that mobile phones can be beneficial tools in society however, they can also be a distraction. Should students bring a mobile phone to school they will be required to place it in a box at the front of the room at the beginning of each lesson. This takes away the temptation to use the phone during class time. Students are not to make calls during the day and phones are to be away at recess and lunchtime. Any student in breach of the guidelines for mobile phones will have their phone confiscated and located at reception for the remainder of the day.

## Head of Senior School

*Mrs. Lesa Thornton*

### **Senior School Matters:**

As a new term begins I wish to touch on a few things that senior students may have forgotten or not been fully aware of till now.

### **School times:**

The school day begins at 9:05 with homeroom and ends at 3:10pm at the end of period 6. Any late arrivals or early departures need to be accounted for at the main office and it would be appreciated that students (and parents) follow this practice as we have a duty of care for our students. A note from a parent or guardian would assist both the office and the teachers if for any reason a student is late or needs to leave early.

Please note that 'study' is part of a student's timetable is a supervised class and the expectation is that students will be AT school and in the room supervised by a member of staff.

### **Driving:**

All students driving to school are asked to fill in a Driver registration form (available from the main office) and return the completed form prior to driving to school.

The form must be signed by the student, parent or guardian and the Head of Senior School.

This assists us of student movement prior to and immediately at the end of the school day.

It is also needs to be noted students ARE NOT permitted to use their cars during the school day. Again we ask for parental support on this matter.

PARKING is available over at the church/presbytery and students are asked to please park there. Please be aware that when you leave there are also many smaller children leaving school as well so take extra care when you leave please.

### **Expectations:**

- At MRC we are aware that not all students in Years 11 and 12 necessarily desire to be at school; however, the expectation is that whilst a student is here they will work to the best of their ability to complete all outcomes required within the study and allow others the opportunity to work to the best of their abilities.
- Attendance is of great significance when completing both VCAL and VCE. If you are not in attendance you may not be able to demonstrate the competency level required for the study you are enrolled. If you experience illness or hardship that may impact upon your attendance figures please speak to one of us on the Senior Leadership team. We are here to assist you.
- If a student studying a unit 3 or 4 VCE subject is not present to complete an outcome/sac during class time, provision will be made for a student to complete the task after school on a WEDNESDAY if no other suitable time can be arranged with the subject teacher and student.

Please note that outcomes/SACs need to be verified as a student's OWN work and must be completed under specific conditions set by VCAA. It is not always feasible for students to complete these tasks during a study class, thus the provision for 'SAC catch-up Wednesday'

If you have any concerns about this, please speak to the teacher/s concerned or Lachie Lee as Senior Head of Teaching and Learning or myself as Head of Senior School or Matthew Harkin - Assistant head of Senior School.

### **Library:**

The Library at Macaulay campus is a wonderful resource and the opportunity to remain after school to study is available Monday to Friday till 4:30pm. It is also an opportunity for students to catch up on unfinished class work, assignments or a chance to catch up with a staff member if they are available.

### **Respect:**

Should not only be about the person but also about property. We are very fortunate to have new facilities available to us at the Senior School and the hope would be these facilities would be treated as you would your own property.

Please remember NO ONE should be helping themselves to another person's bag or locker.

We would ask that all students set the example for our younger students; rubbish put into the bins, sorted if we have recycle bins, the tables outside left clean of food and paper, common areas like corridors, classroom areas and furniture not be vandalised with graffiti, scuff marks on walls or food thrown at walls.

**Camps/Retreats/Sports Days:**

Just a reminder that students are expected to attend all school organised events. Camps and retreats will involve a cost and if this is a concern please speak with one of the leadership team or Dr. Egberts.

Sport and school sanctioned activities are part of our student's overall development. A student may not be particularly athletic but the expectation is the students can support their peers and help build the supportive atmosphere of the College.

If a student is to be absent for whatever reason please communicate this to our office.

Many thanks,

**Mrs. Lesa Thornton**

Head of Senior School

**Head of Middle School**

*Mr. Darren Cheeseman*

Welcome to the start of the 2018 school year. The excited Year 9s have made an excellent transition over to the McAuley campus and the Year 10s are enjoying their new journey up the flight of stairs every day.

Next week sees our Year 10 students off to the workforce, participating in five days of Work Experience at their chosen organisation. The Year 9's will be spending the week with their former campus peers as the Year 8's travel to McAuley to experience learning in the Middle School Building.

We would also like to take the opportunity to invite parents to our Middle School Information Night on Wednesday 21<sup>st</sup> February. The night will commence with a light meal at 5:30pm before a presentation at 6.00pm. This is a great opportunity to nourish communication between all teachers and parents of students in Years 9 and 10. The presentation will contain helpful information regarding the changes your child will experience across years 9 and 10, as well as the learning and welfare approaches Mercy Regional College utilizes in order to fulfill each individual student's potential. The night will cover the following topics:

- Learning strategies and engagement
- Approaches to discipline and welfare
- Meet and greet homeroom teachers
- Channels of communication
- What does a Mercy student look like?
- Parent involvement in student learning
- Important dates and events

This is a great opportunity for parents to gain extra support in what can be a stressful period for all parents and children. We look forward to seeing you there and working with you all in the year ahead.

In addition to the above information, Mr. Daryl Richardson will also be providing an overview of the **2018 Central Australia Trip** for parents and students that have indicated a desire to attend this. This will be the last part of the evening, so any parents/students not involved with this trip will be able to depart earlier.

Please don't hesitate to make contact if there are any concerns.

Kind Regards,

**Mr. Darren Cheeseman**

## Head of O'Keeffe Campus

*Mr. Ben Brisbane*

Well done to all staff, students and parents for your involvement in the positive start displayed by all Junior School students. Everyone has returned refreshed and re-energised to make a good start to 2018. Our new Year 7s have settled into Mercy Regional College in fine fashion. We are sure they will all make great contributions to our school.

### Year 7 Welcome BBQ

We had a great turn out to our Year 7 Welcome BBQ on Monday 5<sup>th</sup> February. The weather was kind and it was amazing to see all the parents and children enjoying our school. It was a fantastic opportunity to introduce the school to all our new and returning families. We anticipate that the numbers in attendance will reflect the support we will receive in years to come. We all look forward to working together and making our students and your children achieve their dreams.

### Commencement Mass

Our Commencement Mass on Thursday 8<sup>th</sup> February was our chance as a school to welcome our new Year 7's to our school community. The handing out of bibles was a significant event and one used to symbolise their integration into Mercy regional college.

### **Students Leadership**

Our Year 8 students have the opportunity to lead O’Keeffe Campus this year. Their investiture has begun and Junior School Captains and House Captains have started having an impact already. Our Junior School Captains, Lily Baker and Rory Mason led our Junior School Assembly on our first day and House Captains (below) were all involved in promoting their house at our swimming sports. They are a fantastic group and we are sure they will make a huge impact in 2018.

#### **Junior School Captains:**

Rory Mason / Lily Baker

### **House Captains**

**Tindley House Captains** – Gryff Dwyer / Chloe Vick

**Frayne House Captains** – Alex Baker / Rosie Pickles

**Ryan House Captains** – Lachlan Hershall / May Suhan

**Markey House Captains** – Lauren Ryan / Sarah Lane

### **Communication**

At Mercy Regional College we are proud of our relationship and connection we have with our parent group. The foundation of this relationship starts at O’Keeffe Campus and we are always keen to hear from our families when times are tough and when things should be celebrated. Please keep us informed and stay in touch so that we can get to know your child best and shape their future.

We all hope this year is a productive one and we are looking forward to what lies ahead.

### **From the Business Manager**

*Mrs. Judith Murfitt*

### **School Fee Accounts**

School Fee accounts for 2018 will be posted out to all families in the coming week. Included will be information detailing the different methods available for you to pay your school fee account as well as a Fee Deduction form. I encourage you to adhere to the timelines for payment of fees. Should you foresee difficulty in meeting the timeline, please don’t hesitate to contact me.

### **The Camps, Sports and Excursions Fund (CSEF)**

This provides payments for eligible students to attend camps, sports and excursions. Families holding a valid means-tested concession card or temporary foster parents are eligible to apply. \$225 per year is paid for eligible secondary school students. Payments are made directly to the school. To be eligible for the fund, a parent or legal guardian of a student attending a registered Government or non-government Victorian primary or secondary school must and hold a valid-means-tested concession card to apply.

See flyer on page 16 for more about CSEF. If you require an application form, please contact the College Office or you can download further information from their website at [www.education.vic.gov.au/csef](http://www.education.vic.gov.au/csef)

## Spirit of ANZAC Competition

Every year many Years 9 and 10 Mercy students enter the state-wide Spirit of ANZAC Prize. This involves researching some aspect of Australia's involvement in World War I or II, the Vietnam War or more recent wars.

On Monday Erin McLean (Year 11) and Patrick Ryan (Year 10) received Spirit of ANZAC Prizes from the Department of Premier and Cabinet. Both students entered the competition last year, and spent many hours of their own time preparing their entries. Erin wrote a narrative on the impact of the Vietnam War on a family, particularly the effects of post-traumatic stress disorder, where she incorporated the perspectives of the soldier, his mother and sister. Patrick used Lego to make a stop-motion film to express Australia's involvement in World War One. He looked at the impact on returned soldiers, especially unemployment and Government projects like the building of the Great Ocean Road. This involved over thirty hours of work and was a labour of love for Pat.

The Member for Broadmeadows, Frank McGuire, presented Erin and Patrick with their prizes at a ceremony at the Park Hyatt Hotel in Melbourne. Both students were accompanied by their parents, and Humanities teacher Mrs. Tania Bruckner. Erin is travelling on the Canberra Study tour during the Term 2 holidays, and Patrick will be part of the overseas study tour to Darwin & Singapore during the Term 1 holidays. We will publish details of their trips in later newsletters.

We wish both students well on their travels – they will be great ambassadors for their communities and our school as they commemorate the involvement of Australians at war.

## FINANCIAL ASSISTANCE INFORMATION FOR PARENTS

Every Victorian child should have access to the world of learning opportunities that exist beyond the classroom. The Camps, Sports and Excursions Fund helps ensure that no student will miss out on the opportunity to join their classmates for important, educational and fun activities. It is part of making Victoria the Education State and the Government's commitment to breaking the link between a student's background and their outcomes.

### CAMPS, SPORTS & EXCURSIONS FUND (CSEF)

School camps provide children with inspiring experiences in the great outdoors, excursions encourage a deeper understanding of how the world works and sports teach teamwork, discipline and leadership. All are part of a healthy curriculum.

CSEF is provided by the Victorian Government to assist eligible families to cover the costs of school trips, camps and sporting activities.

If you hold a valid means-tested concession card or are a temporary foster parent, you may be eligible for CSEF. A special consideration category also exists for asylum seeker and refugee families. The allowance is paid to the school to use towards expenses relating to camps, excursions or sporting activities for the benefit of your child.

The annual CSEF amount per student is:

- \$125 for primary school students
- \$225 for secondary school students

### MORE INFORMATION

For more information about the CSEF visit  
[www.education.vic.gov.au/csef](http://www.education.vic.gov.au/csef)

### HOW TO APPLY

Contact the school office to obtain a CSEF application form or download from [www.education.vic.gov.au/csef](http://www.education.vic.gov.au/csef)

### NEW FOR 2018!

If you applied for the CSEF at your child's school in 2017, you do not need to complete an application form in 2018 unless there has been a change in your family circumstances.

You only need to complete an application form if any of the following changes have occurred:

- **new student enrolments;** your child has started or changed schools in 2018 or you did not apply in 2017.
- **changed family circumstances;** such as a change of custody, change of name, concession card number, or new siblings commencing at the school in 2018.

Check with the school office if you are unsure.
