You will receive an invoice for your child’s fees at the start of 2021 School year. These fees are due for payment in total by the end of September 2021.

The College has a policy that fees must be paid using either of the following two options:

- **Full payment of fees upfront**  
Payment must be made in full for all students in a family by 31 March. Payment by this method gives families a discount of \$150.00 per child.
- **Direct Debit**  
We offer a range of weekly, fortnightly or monthly direct debit options. A statement of account will be emailed out each month to fee payers. Early commencement of direct debit payments is also possible.

The College understands that some families may be experiencing financial hardship and may find it difficult to meet their fee obligations. As a Catholic College we have the long-established policy that no family is denied a Catholic Education because of their inability to pay fees.

Families are requested to contact Business Manager Judith Murfitt to share their situation and depending on circumstances submit a Fee Concession Application.
