

Fees and Charges 2022

In recognition of the difficulties faced within the community, we have attempted to keep fee increases to a minimum for the 2022 year. Fees have been averaged across Years 7-8 and Year 11-12. Years 9 and 10 have individual pricing due to our MacBook Program ie. Year 9 are rentals and Year 10's are generally required to purchase their own. The excursion charge waived in 2021 has been included in 2022 at a rate of \$50 per student.
