21. Definitions

Child: a child or young person within any DOBCEL school environment. (Legal elements of this policy may not apply to young people who turn 18 while at school, but the principle of care remains the same.)

Child abuse includes:

- (a) any act committed against a child involving:
 - (i) a sexual offence
 - (ii) an offence under section 49M(1) of the Crimes Act 1958 (grooming)
- (b) the infliction, on a child, of:
 - (i) physical violence; or
 - (ii) serious emotional or psychological harm; and
- (c) serious neglect of a child. (*Child Safety and Wellbeing Act 2005(Vic)*)

Child safety encompasses matters related to protecting all children from child abuse, managing the risk of child abuse, providing support to a child at risk of child abuse, and responding to suspicions, incidents, disclosures or allegations of child abuse. ([Ministerial Order No. 1359](#))

Child neglect includes a failure to provide the child with an adequate standard of nutrition, medical care, clothing, shelter or supervision to the extent that the health and physical development of the

child is significantly impaired or placed at serious risk. [PROTECT: Identifying and responding to all forms of abuse in Victorian schools](#)

Child physical abuse: Generally, consists of any non-accidental infliction of physical violence on a child by any person. [PROTECT: Identifying and responding to all forms of abuse in Victorian schools](#)

Child sexual abuse is when a person uses power or authority over a child to involve them in sexual activity. It can include a wide range of sexual activity and does not always involve physical contact or force. [PROTECT: Identifying and responding to all forms of abuse in Victorian schools](#)

Emotional child abuse occurs when a child is repeatedly rejected, isolated or frightened by threats, or by witnessing family violence. [PROTECT: Identifying and responding to all forms of abuse in Victorian schools](#)

Grooming is when a person engages in predatory conduct to prepare a child for sexual activity at a later date. It can include communication and/or attempting to befriend or establish a relationship or other emotional connection with the child or their parent/carer. [PROTECT: Identifying and responding to all forms of abuse in Victorian schools](#)

Mandatory Reporting: The legal requirement under the *Children, Youth and Families Act 2005 (Vic.)* to make a report to the designated authority in order to protect children from harm relating to physical and sexual abuse. The principal, teachers, medical practitioners, nurses, student counsellors and those in religious ministry are mandatory reporters under this Act. [PROTECT: Identifying and responding to all forms of abuse in Victorian schools](#)

Reasonable belief – mandatory reporting: When school staff are concerned about the safety and wellbeing of a child or young person, they must assess that concern to determine if a report should be made to the relevant agency. This process of considering all relevant information and observations is known as forming a reasonable belief. A ‘reasonable belief’ or a ‘belief on reasonable grounds’ is not the same as having proof but is more than mere rumour or speculation. A reasonable belief is formed if a reasonable person in the same position would have formed the belief on the same grounds ([PROTECT: Identifying and responding to all forms of abuse in Victorian schools](#)).

Reasonable belief – reportable conduct scheme: When a person has a reasonable belief that a worker/volunteer has committed reportable conduct or misconduct that may involve reportable conduct. A reasonable belief is more than suspicion and there must be some objective basis for the belief. It does not necessitate proof or require certainty.

NOTE: the difference between the reasonable belief definitions under mandatory reporting and the reportable conduct scheme is the category of persons who are required to, or can, form the reasonable belief which forms the basis for a report.

Reportable Conduct: Five types of “reportable conduct” are listed in the *Child Wellbeing and Safety Act 2005 (Children’s Legislation Amendment (Reportable Conduct) Act 2017)*. These include:

1. sexual offences (against, with, or in the presence of, a child)
2. sexual misconduct (against, with, or in the presence of, a child)
3. physical violence (against, with, or in the presence of, a child)
4. behaviour that is likely to cause significant emotional or psychological harm

Three new criminal offences have been introduced under this Act:

- a) **[Failure to disclose offence](#)**: Any adult who forms a reasonable belief that a sexual offence has been committed by an adult against a child under 16 has an obligation to report that information to police. Failure to disclose the information to police is a criminal offence.
- b) **[Failure to protect offence](#)**: The offence will apply where there is a substantial risk that a child under the age of 16 under the care, supervision or authority of a relevant organisation will

become a victim of a sexual offence committed by an adult associated with that organisation. A person in a position of authority in the organisation will commit the offence if they know of the risk of abuse and have the power or responsibility to reduce or remove the risk, but negligently fail to do so.

- c) **Grooming offence:** This offence targets predatory conduct designed to facilitate later sexual activity with a child. Grooming can be conducted in person or online, for example via interaction through social media, web forums and emails.

Staff should refer to the DOBCEL PROTECT: Reporting and Responding Obligations Policy and Mercy Regional College *PROTECT: Reporting and Responding Obligations Procedures for Schools* for more information about these offences and the responsibilities for staff in relation to them.
